Thanks to John and Nicole for today's run - a lovely spot. Jan thanked members for attending today.

Please see the rally information further in this newsletter (Page 9) about upcoming events. If you are interested in attending any runs, please let Jan or Rob know. Some runs require registration so it is important that you let Jan or Rob know so that registration can be made.

Jan spoke about the RACQ event at the RNA Show grounds - several members are interested in attending this event. The more members we get the better, as the club can win an award. Please see Jan for registration forms (also enclosed with this newsletter).

The next **Mid-Month Dinner Run** will be held at Harry's Diner on the 3rd Friday of this month being **Friday 19th May**. For those traveling south we will be meeting at the **Independent Service Station at Burpengary by 6.30pm**. See more about this in the Rally information (Page 8) in this newsletter.

Bill Randell spoke to members about the next run, which is the "Aussie Brakes Trophy Run". This will be a combined run with a Gold Coast club to the Fo Guang Shan Chung Tian Temple - Underwood Rd, Priestdale. There will be a tour of the temple from 10.30 to 11.30am, then we will be going to Underwood Park for a Sausage Sizzle. Members do not forget a gold coin donation is required for the sausage sizzle. The winner for this run receives the Aussie Brakes trophy to keep for a year, plus a separate trophy to keep. The winner will also get to organise the run for next year.

Raffle:

Amount raised: \$135.00

Thanks to all members for your contributions towards buying raffle tickets. (Remember donations of prizes are always needed - so please see Joan or Barb if you wish to donate a prize). **Winners:** Chris James, Milton Sparkes, Sharon Davies (Sharon donated the prize back to the club) on redraw the winner was Doug Saunders. Congratulations to all winners.

General Business:

No more information at this time regarding the QCC Rally.

Russell Slocombe spoke about the 2007 Australian Van Nationals which is being held at Caboolture in 2007. Russell asked if our club would be interested in doing the catering for this event to be held over Easter in 2007 at the Show grounds. As this would be a fund raising venture, Russell wanted to give our club first preference. Information was passed on to the committee and it was decided that there would need to be further discussion regarding this.

As there was no interest by members regarding the mid year function, it was **moved** by John Pritchard to cancel this event for this year. The motion was **seconded** by Bill Randell. Motion carried.

Julie asked for show of hands for any interest in the Kawana Car Show. Please see more details in the Rally information (Page 9) in this newsletter.

Julie asked if any members were interested in 2 tickets to "STOMP" on 10th June. Tickets were purchased but are not able to be used.

QUOTE OF THE MONTH...

Contributed by the winners of the President's Trophy - Liam and Sharon Redmond

Liam to Sharon: 'Here, you hold the little one and I'll hold the big one.'
(referring to the actual trophies)

Sharon in response to Liam: 'That's OK. Can I say, I'm used to holding the little one?'

PRESIDENT'S RALLY REPORT
BUNYAVILLE STATE FOREST, EVERTON HILLS
SUNDAY 7TH MAY 2006

We left the Sundowner a little late this time and took a few back roads towards Albany Creek. The route we followed is pretty close to the way travelled by the pioneers of our region, but it would've been a radically different track in those days.

Before I printed up the directions, Nicole said to me "You'd better make those a little clearer". "Na, she'll be right" I replied. It turns out she was right (*of course!! Editor*) because we lost more than several cars somewhere along the way. The missing ones all turned up within the next half hour, so all was OK.

We all settled into the gully area of Bunyaville Forest amongst the Gums, Ironbarks, Hoops and Bunya trees. A plethora of yummy food was shared by all for lunch. I give a very special thank you to all the cooks.

In keeping with my difficult directions (completely misleading in parts!) was one of the more difficult questionnaires we've had for some time. But the stakes were high, with the President's Trophy and prizes up for grabs. The winners on the day were Liam and Sharon Redmond with 16/20. Bill Randell and Karl Quail tied for second place with 13/20 each. Everyone scored much better than I anticipated. Congratulations to you all!!!

It was suggested that one of my questionnaire answers may have been wrong. The question in question was "In which year was it decided to hold our monthly meeting at member's houses or on club rallies?" A quote from the Caboolture section of the 1996 CHACA 30th Anniversary Journal states, "*At the October 1995 meeting, members decided that from December 1995, meetings would be held at member's homes or other venues, such as outings or rallies.*" Gloria Groves claims that the correct answer is 1987. She may very well be right as I wasn't at the meetings in question and she was. In any case, out of the 10 questionnaires I ended up with at the end of the day, 6 answered 1995 and none had answered 1987. Whichever way it was marked, the winners stayed the same.

I hope all members attending this rally had a good day and enjoyed the challenge provided to them in both the rally directions and the questionnaire.

Happy Motoring,
John

Mere Male!

One day my housework-challenged husband decided to wash his sweatshirt. Seconds after he stepped into the laundry room, he shouted to me, "What setting do I use on the washing machine?" "It depends," I replied. "What does it say on your shirt?" He yelled back, "University of Oklahoma."

And they say blondes are dumb...

FROM THE SECRETARY'S DESK

Good-day to you all.

A lovely run today - I have never been to this forest before and found it a great spot for a picnic. Thanks to John and Nicole for organising the run today. Nice to see so many of you turning out for the run.

I must admit that I sometimes run out of things to say in my little piece each month and wasn't really sure if anyone even read my funny bits and pieces, or my jokes. But I was assured by a member on the weekend that it is read and enjoyed, so I thought I would keep going with my bits of useless information.

So for those of you who enjoy them here goes! Did you know that.....

- There are 3 golf balls sitting on the moon
- Mozart wrote "Twinkle, twinkle, little star" when he was 5 years old.
- You are more likely to be attacked by a cow than a shark.
- 50,000 cells in you body will have died and been replaced by new cells in the time you took to read this sentence.
- The average person laughs about 15 times a day.
- The girls will like this one!! - The largest cell in the human body is the female reproductive cell, the ovum - the smallest is the male sperm!
- In the course of an average lifetime you will, while sleeping, eat 70 assorted insects and 10 spiders (that is so gross! I am never going to sleep again).
- The pupil of the eye expands as much as 45% when a person looks at something pleasing - ummmm chocolate!!!!
- The liquid inside young coconuts can be used as a substitute for plasma.
- From the age of 30, humans gradually begin to shrink.
- By law, every child in Belgium must take harmonica lessons at Primary school.
- An Ostrich's eye is bigger than its brain (I know a few men like that!!)
- The first man-made item to exceed the speed of sound was the bull's whip or leather whip.
- The most common non-contagious disease in the world is tooth decay.
- The smallest man ever recorded was Gul Mohammed of India, who measured 1 foot 11 inches.

For any members that may be sick - get well soon.

Well that's it for this month, keep smiling and take care.

'Til next time, please drive safely.

Oh and by the way - goodbye WENDY!!!!

Take care,

Denise.

The Old Lady....

An old lady from the country went to a big city for the first time. She crossed the busy street against the traffic, but somehow managed to attain the opposite kerb in one piece.

A policeman asked her, "Didn't you see that light? It says, 'Don't Walk'!" The old lady replied, "Oh yes, I saw it, but I thought it was an advertisement for a bus company!"

BITS N PIECES

Hi Members

Our mid-year outing has been cancelled due to lack of interest.

Our next important event coming up is the RACQ Motor Fest in June (26th) and we would like to be able to get the trophy for the Best Represented Club this year. We have come close last year and the year before, but only those that are pre-entered are countered. It is at the RNA Show grounds this year and numbers are limited to 800 and it costs \$20.00 but you get a car badge for that. Please give this a lot of consideration as it is a great day. Please don't send your entries to the club, but send directly to RACQ.

July is the Farm Fantastic again, but this year we are not doing a raffle but a car display to promote the club. If you are interested in bringing your car, please let Jan Blake know as numbers are limited.

To all of those on the sick list I wish you well. I hear Richard Thomson has been in for an op just lately.

Anyone going to the Imbil Bluegrass Festival in November (3rd, 4th & 5th) should be booking their spot now as it gets pretty full, so don't miss out. For those new members that don't know about this, it is on the 1st weekend in November at the Imbil Deer Park. Our club members go every year but it is for caravans and camping, as by now all the on-site vans and cabins would be booked. If you are interested, ring Rick or June at the park on Ph: (07) 5484 5196 to book. It is a really good weekend if you like country music, as there is jamming all the time and a concert on the Saturday night.

Forgetting

Contributed by Gloria Groves

My forgetter's getting better, but my rememberer is broke,
To you that may seem funny, but to me this is no joke
For when I'm here I'm wondering if I really should be there
And when I try to think it through I haven't got a prayer!

Oft times I walk into a room and say "what am I here for?"
I wrack my brain, but all in vain, a zero is my best score.
Sometimes I put things away, where they are all safe, but gee!
The person they are safest from is, generally, me!

When shopping I may see someone say "Hi" and have a chat
Then, when the person walks away, I ask myself "Who was that?"
Yes, my forgetter's getting better and my rememberer is broke
And it's driving me plumb crazy, and that isn't any joke.

I don't remember who sent this to me ...was it you???
