Motion carried.

Combined Council Report:

No report at present. Denise/Don will be attending the next meeting in March.
Denise apologies to members as she had intended to go but unfortunately she had to work late and it was too late to go by the time she got home.

Rally Report:

Peter was unavailable to attend this run.
Denise thanked Hudson & I ta for today's run and pointed out that upcoming events will be in the Newsletter.

Raffle: Amount raised: \$113.00

1st prize - Robyn Mole
2nd prize - Carol Bowers
3rd prize - Lindy Melville.

New Membership Applications:

Julie moved that the new membership applications be accepted. All members were in favour of welcoming our new members.
(Don't forget - go up and introduce yourselves to our new members and make them feel welcome)!!!

General Business:

Denise apologised for the incorrect costing of the QCC rally weekend in last month's newsletter. It said the cost would be around \$200 per person, the actual cost is approx. \$100 per person.

Julie asked members to please put forward suggestions for the Xmas party this year as bookings have to be made. Some members made suggestions and Julie will follow this up and give us some options on the next run.

All members agreed that Solander Bowls Club will be booked for the AGM again this year as it was a very successful venue last year.

Geoff Smith asked members to consider using a completely separate account for the QCC rally for audit purposes and that it would be a way to work out exactly what expenses are incurred and how much will be coming in. All members agreed this was a good idea. Julie moved that a separate account be opened for the QCC rally. John Embleton seconded the motion. All members were in favour.

Geoff spoke to members about participation in the Show Society parade and asked members to please attend. Also we will need volunteers for the weekend. Please contact either Julie or Geoff to give your name so that we can ascertain how many people we can expect to volunteer.

John asked that Denise send a letter to Beerwah School thanking them for their support.

After no further business - meeting closed at: 11.45am

The Bottle of Wine

Sally was driving home from one of her business trips in Northern Arizona when she saw an elderly Navajo woman walking on the side of the road. As the trip was a long and quiet one, she stopped the car and asked the Navajo woman if she would like a ride. With a silent nod of thanks, the woman got into the car. Resuming the journey, Sally tried in vain to make a bit of small talk with the Navajo woman. The old woman just sat silently, looking intently at everything she saw, studying every little detail, until she noticed a brown bag on the seat next to Sally. "What in bag?" asked the old woman. Sally looked down at the brown bag and said, "It's a bottle of wine. I got it for my husband." The Navajo woman was silent for another moment or two. Then speaking with the quiet wisdom of an elder, she said: "Good trade....."

HAPPY BIRTHDAY!

Cuddles the Poodle

A wealthy old lady decides to go on a photo safari in Africa, taking her faithful aged poodle named Cuddles along for the company. One day the poodle starts chasing butterflies and before long Cuddles discovers that he's lost. Wandering about, he notices a leopard heading rapidly in his direction with the intention of having lunch. The old poodle thinks, "Oh, oh! I'm in deep doo-doo now!" Noticing some bones on the ground close by, he immediately settles down to chew on the bones with his back to the approaching cat. Just as the leopard is about to leap the old poodle exclaims loudly, "Boy, that was one delicious leopard! I wonder if there are any more around here." Hearing this, the young leopard halts his attack in mid-strike, a look of terror comes over him and he slinks away into the trees. "Whew!" says the leopard, "That was close! That old poodle nearly had me!" Meanwhile, a monkey who had been watching the whole scene from a nearby tree figures he can put this knowledge to good use and trade it for protection from the leopard. So off he goes, but the old poodle sees him heading after the leopard with great speed and figures that something must be up. The monkey soon catches up with the leopard, spills the beans and strikes a deal for himself with the leopard. The young leopard is furious at being made a fool of and says, "Here monkey, hop on my back and see what's going to happen to that conniving canine! Now, the old poodle sees the leopard coming with the monkey on his back and thinks, "What am I going to do now?", but instead of running, the dog sits down with his back to his attackers, pretending he hasn't seen them yet and just when they get close enough to hear, the old poodle says. "Where's that damn monkey? I sent him off an hour ago to bring me another leopard!

Moral of this story....

Don't mess with old farts...age and treachery will always overcome youth and skill!
Bullshit and brilliance only come with age and experience.

FROM THE SECRETARY'S DESK

Thanks Hudson and Ita for a lovely day - what a shame it was so HOT. It was great to see so many people attending again today. I would like to take this opportunity to apologise to Vera Friar. Vera is the very proud sponsor of the GY Rally to be held in September and I omitted to put her name on the run social calendar for 2007. Sorry Vera. Also members please note that this run is the 9th September not the 2nd as stated in on the run calendar. Please amend your diaries accordingly.

Anyway, I will carry on with my useless bits. I hope members are enjoying them.

- The swift is a species of bird which is able to eat, drink and mate, all while airborne - just like John Travolta
- An elephant can haul twice its own weight while a bumblebee can haul 300 times its own weight
- A sperm whale can suckle from its mother for up to 15 years
- Sex is 10 times more effective than Valium as a tranquiliser
- In the US, adult stores outnumber McDonalds by three to one
- In Ancient Rome, the traditional punishment for a first-time rapist was to smash his genitalia between two large stones (this should be done today as well I think)
- During the First Crusades, King Richard the Lion Hearted's advance party of knights spent all the campaign funds on prostitutes
- Until 1972 homosexuality was classed as a mental illness
- In the Passion of the Christ, the hand that nails Jesus to the cross is Mel Gibson's
- Superman's dog was called Krypto
- James Dean's favourite food was rice pudding
- Seahorses don't mate for life - they are both promiscuous and bisexual
- Golden Retrievers are the least likely breed of dog to bite a human
- Both turtles and honeybees are totally deaf
- Komodo Dragons can have babies without any contact with the male of the species
- Rat's can't vomit making them easy to poison
- It takes four hours to hard boil an ostrich egg
- Crocodiles can't move their tongues
- About one million dogs are estimated to be the sole beneficiary in their owners will in the US

Why I like retirement:

How many days in a week?

6 Saturdays & 1 Sunday

When is a retiree's bedtime?

Three hours after he falls asleep on the couch

How many retirees to change a light bulb?

Only one, but it might take all day.

What's the biggest gripe of retirees?

There is not enough time to get anything done

Why don't retirees mind being called seniors?

The term comes with a 10% discount

Among retirees what is considered formal attire?

Tied shoes

Why do retirees count pennies?

They are the only ones who have the time.

What is the common term for someone who enjoys work and refuses to retire?

NUTS!

Why are retirees so slow to clean out the basement, attic or garage?

They know that as soon as they do, one of their adult kids will want to store stuff there

What is the best way to describe retirement?

The never ending coffee break

What's the biggest advantage of going back to school as a retiree?

If you cut classes, no one calls your parents.

What do you do all week?

Mon to Fri - nothing, Sat & Sun - Rest

Till next month, happy motoring and stay safe.

Cheers

Denise

BITS AND PIECES

Qld Combined Rally - June 2007

The Caboolture Show Committee would like at least 20 cars on the 31st March, at 10am-11am to attend the Caboolture Show Ground, Beerburrum Rd, Caboolture to test out the time it takes to parade the cars around the ring, as they have kindly included us in their Grand Parade at the Show, as part of the Combined Council Rally. For those participating in this trial we will go for a drive and have lunch (fish & chips maybe) after. This will give members a chance to take your classic car out twice in one weekend. If you don't want to bring the classic then come along in your modern to make up the numbers. Also if there are any members who have Urns & Trestle tables that we could borrow for 4 hours on Saturday 9th June, please let me know (5497 5118) ASAP.

Camp Greenup - Inglewood

We asked at the meeting for anyone interested in going to Inglewood (Camp Greenup) but had no response but for those who were not there, please let me know who is interested in going ASAP. For those new members, this is a weekend away to Inglewood (out past Warwick) where you can either take your van, tent or sleep in the dorms on the beds supplied. You do need to take all your own linen (if staying in dorms) and food. It is just a relaxing time and a great opportunity to get to know your fellow club members, and do nothing! This was once an old school but is now a Rotary Camp.

Imbil Bluegrass Music Festival - Borumba Deer Park, Imbil

To any new members, we also go to Imbil on the 1st weekend in November for the Bluegrass Music Festival. This is a 2 day event and is held at the Borumba Deer Park. As all the on-site vans and cabins are booked from year to year, it is van or tent only. If you are interested, please contact Rick & June at the Deer Park to reserve your spot as soon as possible.

Weekend Trip

Members at the meeting were very interested in a weekend up the coast, so I will find out all the details and John Embleton is also looking into a trip to Stanthorpe.
