General Business:

Geoff Smith thanked members for attending the Caboolture showground's for a practice run for the parade. Geoff was pleased with the turnout. It will take approximately 1 hour to get all cars around the arena one and a half times. The next QCC meeting will be the week after Easter. Bunnings are happy to donate a wheelbarrow with goodies in it – they would however like us to participate in a car show in their car park in return. Members agreed this would be ok – dates will be advised later.

The Caboolture Show Society is also interested in having us display our cars sometime in May at Morayfield Shopping Centre – again the date will be confirmed.

Gaye & Brian Lewis have pledged a donation of \$100.00 to the club for the QCC rally. Thanks to Brian & Gaye for your support.

Julie advised members that the Xmas party (adults) this year will be held at the Caboolture Bowls Club – date to be confirmed. If anyone can give ideas for the entertainment, please let Julie know.

John Embleton asked members about interest in a weekend trip away, probably around mid to late May – at or around Esk. Lots of members are interested and John will make further arrangements.

Julie also has made enquiries to members about a weekend away on the coast, possibly around August. Members were interested and Julie will let us know later of the arrangements, etc.

John reminded members that the next two runs – May and June – are held on the 1st Sunday of the month – even though the May weekend is a long weekend.

After no further business the meeting closed at 11.15am

RALLY REPORT

*Sweeney Reserve - Petrie
Sunday 1st April 2007*

Thanks everyone who attended our rally today to Sweeney Reserve and thanks to those who took the trouble to answer the observation questions. I know it is difficult to drive with one hand and look for signs and answer questions with the other hand, if you are the only one in the car, but some people do a great job of it!

As we ended up with a 3 way tie for first, we had a tie breaker suggested by the one and only Les Arnold, whereby we made a chalk mark on the bottom of the car tyre and the driver had to do one rotation of the wheel and try to get the chalk mark back to the bottom. John Embleton did this perfectly and so won the rally prize. Well done, John.

The park was shady and cool and the barbecue delicious - thanks to Neville and Barbara & Geoff Smith. A pity about the interlopers making all the racket - I don't remember the crows being nominated as members of the club!

Thanks again everyone,
Jim & Gail Masters

COUPLE OF NOTES FROM THE TREASURER

Members, if you have any interest in going to Rainbow Beach to a caravan park with your vans, tents or book into a cabin in maybe August or September, give me a call on (07) 5497 5118.

I also need to know ASAP, who is interested in going to Inglewood in May. I really need to make the booking soon.

I have tentatively booked the Caboolture Bowls Club for the Adults Christmas Party on the 24th November. We must have a minimum of 60 people for this booking, so please keep that date free and I will let you know later how much it will be per person. If anyone has any suggestions for entertainment that night please let me know also, so I can get in early with a booking.

Julie

FROM THE SECRETARY'S DESK

Well a big hello to you all. Hard to believe it is that time again isn't it? The months seem to be going by quicker and quicker. I will not be attending the May run as my mother is arriving from Melbourne on the same day, so hopefully Julie will fill in for me on the day.

CARAVAN WEEKEND

We are organising a weekend away for 4th & 5th August for those with caravans or motor homes and anyone wanting to stay in cabins at caravan parks.

Option 1. Stay at Crow's Nest Caravan Park which we have heard very good reports about. Donna and I are going there next week, 17th April to check it out.

Option 2. Stay at Warwick or Stanthorpe and do a trip round the wineries.

Whichever we do, we are considering a BBQ one evening for the group. Anyone interested please phone us on 5497 6941 or mob 0412 056 455 so we can get numbers and book ahead. If anyone wants to stay longer, we would be glad to join them for a few more days touring these areas.

Thanks,
John & Donna Embleton.

The Rooster Puzzle

A beautiful blonde calls her boyfriend and says, "Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started. Her boyfriend asks, "What is it supposed to be when it's finished?" The blonde says, "According to the picture on the box, it's a Rooster." Her boyfriend decides to go over and help with the puzzle. She lets him in and shows him where she has the puzzle spread all over the table. He studies the pieces for a moment, then looks at the box, then turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a Rooster." He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then....." he said with a deep sigh... "Let's put all these Corn Flakes back in the box.
