AGM Closed at: 11.25am

General Meeting recommenced 11.30am with New Committee

Club Runs 2008:

- John Embleton suggested the first run
for 2008, being a long weekend (27th Jan
2008), the Fish & Chip Run to also
incorporate an additional long run to
Warwick, Tenterfield.
- 2nd Run (10th Feb 2008) - BYO - to be
organised by Hudson Davies
- Geoff Smith suggested Peter Rohan, as
Rally Director, organise all runs for the
year.

- John Embleton suggested that the first 3 runs be as are for now and discussion to organise remainder at the next Committee meeting. However, no-one designated for 3rd Run.
- 3rd Run (9th March 2008) - Smorgasbord

(Scheduled run dates are listed on Page 13 of this newsletter. Be sure to mark them in your diary and stay tuned for further information)

Valid Registrations:

Concern was raised by John Embleton about, if memberships to CHACC were not paid by 31st August, then Registrations for vehicles would not be valid with Qld Transport in case of accidents, etc. Julie Walters said she had contacted the Qld Transport and they said as our Membership Renewal form states 11th of November as due date, then registrations are valid to that date. However the Constitution states, 'Due date to be 31st October' before registrations are invalid. Jan Blake suggested this matter be clarified at the next Committee meeting and reported back to members on validity of actual date registrations become invalid if membership renewals are not paid.

New Memberships:

Membership Applications were received by the following people:

- Saskia Ruijs & David Johnston (1973 Honda Sedan)
- Royce Vines (1973 Ford Cortina TC)
- (the 3rd one read out was not a NEW but a renewal)

All members were in favour of these new membership applications. *Welcome to our new members.*

Charity Donations:

Jan Blake proposed that money from Sergeant at Arms go to a specific charity

each year. (to include this in addition to \$200 from raffle money to worthy charity). John Embleton nominated the Breast Cancer Foundation for this financial year's funds. Cynthia McLeod suggested a charity should be nominated from AGM to AGM. This motion was seconded by Mal Watkins.

Adults Xmas Dinner:

Shirley Jefferay enquired as to whom Xmas Party Dinner payments are to be directed to now. Julie Walters offered to complete the task.

Management Committee:

Geoff Smith suggested the new management committee be clarified now at the AGM. John Embleton moved, the following positions be 'classified' as committee members.

- President (John Embleton)
- Vice President (Geoff Smith)
- Secretary (Carol Bowers)
- Treasurer (Robyn Hughes)
- Fund Raising Coordinator (Gillian Smith)
- Rally Director (Peter Rohan)
- Additional committee member (Kim Bowers). Motion seconded by Moira Houston. All members in favour.

Photos:

Les Arnold will forward photos from club runs to John Pritchard to ensure they are available to members on Website. Any members wanting one can download from here. Phyllis Streeton suggested a facility for members without computer/internet access. Les Arnold will circulate a one-page 'thumbnail' of photos in which non PC members can select from. Jan Blake will download copies of all OLD photos to disc and give to Les Arnold.

ADULTS CHRISTMAS PARTY

Held at the Caboolture Bowls Club, Centenary Lakes on Saturday 24th November 2007

I hope a great night was had by all, we certainly enjoyed it. John Embleton greeted the 67 people with a short (thank goodness) and sweet speech, and we celebrated another successful Club year and of course Christmas. Unfortunately Donna couldn't be there, hope she's out and picking on John as soon as possible.

The company, food and band were all excellent. Speaking of the band, there was a small group of "professional" dancers, giving it their ALL, even attempting the old "twist" and some form of the "chicken" dance? But personally, I think the "hokey pokey" stole the show! Guess you just had to be there. Probably scarred some of you for life!

The order of the evening was to have a good night, so we then proceeded to get everyone searching for stickers under their chairs, to score a bottle of wine. From 6 we managed to find 4, not bad for relatively sober people at the beginning of the night.

Then came the lucky door prizes "and the winners were".....Gloria Groves, Julie Hogg, Phyllis Streeton, Denise Douglas, Beryl Watkins and Moya Houston (hope I've spelt your names right). Those on the committee who actually won something, gave it back as a "re-draw", only fair we thought. Please note that the winning tickets were all given to the ladies to hold! The main surprise of the evening was the drawing of the "Main door prize", which was 4 nights in Noosa, with some bonus spending money. It was won by Eric Ezekiel (we even threw in one of those bottles of wine, to take along on the weekend). Good on you Eric!

A special thanks to everyone who had a hand in getting the evening together, from the previous committee to the new committee, it was as always much appreciated. Thank you too to Theo Singer who brought along the remote control cars for the tables, a lot of people had fun with those. Theo also donated some future raffle prizes. Thanks Theo.

Lastly, thanks for your company. See you at the next outing.

Shirley Jefferay

FROM THE SECRETARY'S DESK

Final Report from Exiting Secretary - Denise Douglas

Firstly - can I just say a sincere thank you to the outgoing committee - many of you have given years of service (Julie - 8 years as treasurer) (myself - 6 years as secretary) (John & Nicole - 3 or more years between them) and all the other hardworking people who have helped to make this club such a success. THANK YOU ALL!!!

This will be my last ever letter to you all but I will be contributing my useless bits as so many of you seem to enjoy them.

Thanks to all of you who attended the AGM - the breakfast was very nice and the venue for the meeting was good with a built in microphone etc.

I must confess that there were a few shocks for me at the AGM - particularly from a few members who do not even attend runs - do absolutely nothing for the club - and yet come along to one run only - namely the AGM and cause a bit of a stir. To those people - I would like to say - put up or shut up!!

Anyway, on a lighter note - I would like to congratulate the new committee members and other members who have offered their time for 2008 and beyond. I wish our club only the very best for the future and I am sure you will all do a great job.

My tidbits are following and I look forward to catching up with you all soon.

Till then,

Cheers for now

Denise

- In 1979, actor Mel Gibson had an edge for the starring role in *Mad Max* because just before the audition he had gotten into a fight and his face was badly battered.
- Sylvester Stallone was considered for the role of *Forrest Gump* (Oh My god could you imagine - no way)
- Walt Disney holds the record for the most Oscar nominations with 64
- The longest acceptance speech in Oscar History goes to Greer Garson for best actress in 1943. It went for 5 ½ minutes.
- King Kong was Adolf Hitlers favourite movie
- The movie Titanic, at \$270 million cost more than the ship itself!
- Some of the chariot racers in *Ben Hur* are wearing wrist watches - (go on - get the movie - they are really!!!)
- 20th Century Fox was so sure *Star Wars* was going to be a disaster that they came within days of selling off their stake in the film. Due to positive feedback from an advanced screening they changed their minds and the profits from the film ended up saving the studio from bankruptcy.
- Movies make approximately 5 times more from the DVD and video sales than box office ticket sales.
- Rudolph Diesel's first diesel engine was designed to run on a variety of fuels, including coal dust and peanut oil
- There are less than 25,000 cars in North Korea. That's one car for every 1,000 North Koreans
- Toyota's are the most popular cars on the planet, accounting for 11 per cent of all sales. Ford are second with 8 per cent and Volkswagen third with 6 per cent.
- The first ever Mercedes had three wheels
- The most popular colour for luxury cars is white, followed by black, and silver
- Holden launched the first Sandman panel van, the classic Aussie "Shaggin Wagon" in 1974. It cost \$4000.00
- The first land-speed record was made by Frenchman Gaston de Chasseloup-Laubat in 1898. He reached a blistering 63.15kmh.
- Tests have shown that pink is the safest colour for cars, with black being the most dangerous.
- Japan is the world's top car producer
- Frank Sinatra gave Marilyn Monroe a white poodle named "Mafia"
- John Lennon was killed on Jim Morrison's birthday

Outgoing Treasurer's Wrap-up

To all members,

It was implied at the AGM that I had not banked the money collected by our Sergeant at Arms in 2006. I replied that it was reported in the 2006 auditor's report (*2006 Audit is not included as it is redundant. Copies are available upon request from the editor*).

For the record, we have 2 accounts with the Commonwealth Bank. One is the General Working account and the other is the Combined Council Rally account (from which I have calculated the amount to be refunded to the Council). The new committee can close off that account. We also have a Term Deposit with Suncorp, which the members voted for a few years back as they were providing the highest interest. Before I handed my duties over to the new Treasurer, I arranged for the \$3000.00 which was taken out of this account (for the Combined Council Rally) to be re-invested on the 30th November when it matures.

I kept a simple cash book as the club is not big enough to warrant anything other than that. This I carried with me in my briefcase to every meeting for any member, at any time, to inspect. Not once have the Auditors found any problems.

Sincerely,
Julie

A Word from the departing President

Hi all,

Firstly let me congratulate the new committee and all those who volunteered for a position. Those who give their time free of charge and without prejudice have a mighty soul.

It's clear to me after the AGM, that members want some changes and it seems that is exactly what the new committee intends to do. I for one will be watching closely to see what lies ahead for CHACC and I encourage all members to attend meetings and get involved - have your say in all our decisions before it's made up for you. It is *your* club after all.

Certain reports in this newsletter have been edited at my (as co-editor) discretion to avoid fuelling a tit-for-tat in our newsletter. This newsletter is not a forum - Members must resolve personal issues between themselves.

In conclusion of my Presidency, I wish to state, on the record, that I am totally satisfied with the outgoing committee's paperwork. The books are in order and open for all inspections. If there is something that you don't understand or may have misunderstood, please let me know and I will happily answer any and all questions on behalf of the outgoing CHACC committee. Please take this as my personal guarantee. I am completely open and willing to respond honestly to any question any member may wish to raise privately or publicly during an official meeting. Enough said on that.

I'd like to officially thank all the outgoing committee members and all volunteers for doing a magnificent job in keeping our club ticking along without problems. Well, I assume there were no problems, nobody told me of any and CHACC is stronger now than it has ever been.

A very special thank you goes to Nicole, who puts in a huge effort every month to get this newsletter out to us all. Julie (life member!) and Denise (member of the year!) also deserve a special thank you for all their hard work, dedication and support over the years.

Merry Christmas,
John Pritchard ☺

OPEN LETTER TO THE MANAGEMENT COMMITTEE

As there is no General Meeting of C.H.A.C.C. until next run in February 2008, we would like to take this opportunity to put forward, to the Management Committee, the following thoughts for consideration in planning for 2008.

With the Programmed Monthly Runs for the Club in 2008 - from February to October = 9 runs for the year. Understandably, there may be other opportunities to use vehicles, but for whatever reason maybe some Members may not always be able to attend a Run due to circumstances beyond their control and reduce the opportunity to use vehicles.

May we suggest that when the Rally Director is doing the planning for Runs for 2008, consideration be given to the possibility for some additional Runs!

That is, of course, IF Members wanted it! And Maybe - the Members could be invited for some input! As for us, we are a retired couple and would welcome the idea of the opportunity of additional Runs. (However we are also governed by some commitments from time to time)

Consideration could be given for a run during the week (not in peak summer months). There could be other people like ourselves who enjoy the use of the vehicle & would have the time for an extra Run occasionally with Good Company.

Alternately, could assist those who cannot always make the Programmed Monthly Run for whatever reason, work etc. etc.

At the Meeting on 11/11/07, we were prepared to put our names to a Programmed Monthly Run for 2008, we had been doing some preparation/planning for that and were disappointed to learn at the Meeting, that this opportunity had been taken away from Members, to volunteer to plan a Run. We accept the Ruling.

Another point we would like to raise for the Rally Director to look into - There have been occasions, on Programmed Runs, of people getting lost on the Run - for whatever reason - Problems with vehicles on the Run. On one occasion a vehicle would not start & had to be pushed to start, other vehicle had left. This resulted in the late arrival of those who assisted in the starting of this vehicle.

Consideration for The Rally Director to give some thought to for the Runs, could be to have a nominated Leader and a nominate Tail Ender (Tail end Charlie).

This system has been used with some other organizations and assisted on making their runs more enjoyable and seems to work OK.

We hope our thoughts are worthy of due consideration and would welcome any feedback.

We wish you all the very best in your positions for 2008 and trust the Year 2008 will be a good on for all.

Kindest Regards,
Andy & Sally Byrne

Julie Walters has already purchased gifts.

Robyn has already purchased gifts also.

2008 Club Runs:

A lot of discussion and suggestions re: format runs should take to make them more interest for members. As only the first two runs (January and February 08) were delegated at the AGM, Kim Bowers suggested a questionnaire be put out to all Club members asking them what they would like in the way of variety - i.e. additional 200km runs, double runs - morning & afternoon, restaurant night?, BBQ's as opposed to BYO or Smorgasbord, format the runs should take and any other suggestions members would like to make.

- **Action:** Kim, together with Peter Rohan to compile the questionnaire to go out.

Point made that those organising runs should actually do the run prior to printing directions.

Treasurer Reports:

Robyn suggested the Club purchase M.Y.O.B. to put all financial transactions through to facilitate reporting to members and auditing.

Robyn has accessed a new MYOB package on EBay.

Kim Bowers put motion on the books that we spend up to \$200 for MYOB & installation. Seconded by John Embleton. Passed.

Kim also suggested all financials be backed up by discs to pass onto any future Treasurers and as safeguard to PC failure.

Constitution:

After much discussion Geoff Smith suggested a blank copy of a constitution should be downloaded from Fair Trading and start from scratch, instead of paying out \$55 to get existing registered copy with Incorporation.

By-laws need to be changed with reference to 2 signatories instead of 1 for outlays under \$100.

Newsletter:

With expenditure incurred in printing and copying current newsletter, it was suggested to get a couple of quotes from printers for copying & distributing only. This would free up Nicole & John P to compile newsletter and organise Website.

If costs too expensive, will leave as is.

- *Action: Geoff to get quotes before December meeting.*

Badges:

Obtain cost of badges.

Also look into getting new Honorary Life Member badges as opposed to the option of someone purchasing Life Member badges (as per our current constitution).

Membership Register:

Secretary to keep up to date from now on.

Secretary to also keep up existing spreadsheet on number of members attending monthly runs.

Treasurer to hand out starter-packs for new members with Club info, etc.

Minutes:

In addition to the minutes for our normal monthly runs, it was decided that any additional committee meeting minutes be made available to all members via the newsletter.

Next Meeting:

Geoff & Gillian's home, afternoon of Friday, December 14th, 2007

Meeting Closed: 12.55pm

Group Therapy

A psychologist was conducting a group therapy session with four young mothers and their small children. 'You all have obsessions,' he observed. To the first mother he said, 'You are obsessed with eating. You've even named your daughter Candy.' He turned to the second mum, 'Your obsession is with money. Again, it manifests itself in your child's name, Penny.' He turns to the third mum. 'Your obsession is alcohol. This too manifests itself in your child's name, Brandy.' At this point, the fourth mother gets up, takes her little boy by the hand and whispers: 'Come on Dick, we're leaving.'

The first of three 'trial' fixed speed cameras will be positioned on the Tarragindi off-ramp (M1) on Brisbane's Southside. Another will be along the Bruce Highway at Burpengary and the last will be on the east-side of the Story Bridge, targeting vehicles travelling in both directions.

Look out next time you are travelling on these roads. There was no mention of when they would be installed.
