Please see Upcoming Events on Page 9 for details.

Vera usually supplies three trophies for this run, and asked members what they thought about having a trophy for 1<sup>st</sup> place, and perhaps a glassware gift for 2<sup>nd</sup> and 3<sup>rd</sup>.

Members were more than happy for Vera to award these prizes. Vera left photographs of the Vauxhall 25HP - 1937 model for members to look at.

Congratulations to the winners of today's raffle.

### General Business:

No more information at this time regarding the QCC Rally. Julie & Ron Walters and John Pritchard & Nicole O'Keane will be attending the QCC weekend on 10<sup>th</sup>, 11<sup>th</sup> & 12<sup>th</sup> June. A report will be forthcoming at the next meeting.

### New Memberships:

- Ron & Brenda Byrnes
- Gordon & Margaret Johnston.

John Pritchard moved that the new memberships be accepted. Seconded by John Embleton. All members were in favor of accepting the new memberships. Welcome to our new members!

John thanked John & Donna Embleton for the donation of jams and pickles. Members can leave a gold coin donation for these.

John Embleton spoke about his and Donna's trip to Melbourne for the CHACA 40<sup>th</sup> Anniversary celebration and suggested that we send a letter of thanks to Kevin Churchill, President of the Club to thank them for their hospitality etc. John has provided a report from this event, which is located on Page 7 of this newsletter.

Pauline Reibelt suggested that instead of leaving a gold coin donation for the sausage sizzle, we should make it a set cost of \$2.00 per person and members should help to clean up. All members seemed to agree with this.

John spoke about Camp Greenup. Please see President's Report on Page 5 for further details.

Many thanks to Neville and Barbara Brown for their usual great help in getting the BBQ to our runs and cooking for all of us to

enjoy. Thanks also to Geoff Smith for helping with the cooking today.

Gail Krueger spoke to members about the next run and asked members to attend in "olden day" costume if possible to get into the mood of the day. Run sheets were handed out so that members could be aware of what was happening on the day (A copy of the run sheet is attached to this newsletter).

Julie spoke about the Club Xmas Party and informed members that she has booked North's Rugby League Club at Kallangur. Details on page seven.

Julie awarded gifts to people who had certain items on them - just for fun. Beryl Watkins informed us about the Quad Park rally at Kawana. About 11 cars

attended and a good day was had by all that attended.

Congratulations to Sharon and Liam Redman, winners of today's questionnaire and to Margaret & Jim Hession, highest score from the Gold Coast club today. Well done to all members who filled out their questionnaires - this was a very hard one this month.

After no further business the meeting closed at 12.40pm.

## AUSSIE BRAKES TROPHY RUN

*Sunday June 4<sup>th</sup> 2006*

*Chung Tian Buddhist Temple, Priestdale & Underwood Park, Underwood  
In association with the Gold Coast Antique Auto Club.*

Graham Douglas and friend

We set off from the Gold Coast Antique Auto Club clubhouse at Mudgerabah. Many vehicles were possibly missing due to the Wintersun Festival taking place next weekend and other members already committed to other appointments. It didn't dampen the enthusiasm of the persons who attended or the great time we all had.

The visit to the Buddhist temple was well worth seeing. Most of us were unaware of the Buddhist's beliefs and the work that they do in the community. We were all enlightened by the tour.

The sausage sizzle went off with a sizzle, the food was great and the

trivia questions were terrible (so I was told). Congratulations to Sharon and Liam Redman for winning today's run on behalf CHACC and taking home the Aussie Brakes Trophy. On behalf of GCAAC, was the highest score, adding the 5 points for driving their antique car, was 14 and a half out of a possible 25. Congratulations to the

Secretary of GCAAC, Margaret Hession and her husband Jim for winning the trophy. The raffle was also won by GCAAC club.

I thank the members for making our guest's welcome. Thanks to Neville and Barbara and their helpers for the great sausage sizzle. Thanks also to David Brandon for providing the extra trophy for the GCAAC winners. Guess what no one got lost!

Thanks to all who attended, I hope you enjoyed the day as much as I did

(even if I did wear two shirts).

**Bill Randell**

GCACC's Aussie Brakes trophy winner, Margaret Hession

## PRESIDENT'S REPORT

The RACQ Motoring of Yesteryear event is almost upon us. Bob Pritchard and I are going to head in early, about 7:30am, to save a spot and set up for us. Any other members who would like to come in early and give us a hand would be much appreciated. All others can meet at the Sundowner by 9:00am to head in together.

No report on the Tasmania Tour yet, but from what I've heard it was a grand success. Only one car ended up on a trailer and that was before they left Queensland. The Winery Weekend mentioned in last month's newsletter has been cancelled by arranger, Joan Humphreys, because of a clash of dates. We are not attending Farm Fantastic this year. This is due to a general feeling of it not being worthwhile as only \$400 was raised by the raffle last year and three days is a long time to stand about spruiking tickets.

All members are encouraged and welcome to organise events of any kind for the club, however in order for it to be 'official' it must be mentioned within General Business of a CHACC meeting. If you do set up an event and any of the details change, please contact Nicole or John ASAP to ensure that the information in the newsletter is accurate. Also, a report and photos for the newsletter would be greatly appreciated. Members please be aware that Hudson, our Sergeant at Arms, will be on the lookout for anyone disrupting our meetings. All fine moneys go to a worthy charity.

Camp Greenup was delightfully relaxing this year. The weather and company were splendid. Not often enough these days do I get to escape my computer and mobile phone for more than a day. So I let my hair down and enjoyed myself. I look forward to seeing you all there again next year. I'd like to thank Russell Bell for his hospitality and company also. A pleasurable time was had by all.

The 2006 Qld Combined Council Rally, hosted by the Gympie Historic Auto Club, was a huge success. Almost 100 classic cars and over 200 enthusiasts attended. It was the most enjoyable rally event of this kind I have ever attended. Saturday's rally was a bottler, everyone got lost, so there were 100 classics heading in all directions all over Gympie. Most seem to have found their way in the end. We have brought back many ideas and a better understanding of how to prepare for this event when we host it next year. Thank you GHAC and a thank you to CHACC for sending us.

Please take the time to read and fill in the AHMF survey attached. It is important for all motoring enthusiasts to have a voice that can be heard. You can send it off in the post or get an email friendly version from [www.chacc.com](http://www.chacc.com)

## FROM THE SECRETARY'S DESK

Hi to you all.

What a great run it was to the temple. I am really sorry Bill, but we found the questions way too hard and did not answer any of them. Congratulations to Sharon and Liam. I hope you do not mind me ribbing you about winning and the Droughtons as well - it is all just fun and I hope you are not offended by my joking about. I am just jealous that's all!!!

It was so nice to have a combined run with another club, but a shame that only a few cars from the Gold Coast turned out for this run. However it was nice to meet the members from the Gold Coast Club. Thanks Bill for a great run.

It is sometimes quite difficult to organise a run to a different location that we have not been to before that is not too far away, so thanks to all those people that do such a good job of selecting something different for us all to do.

Thanks to members who have given me some "funny things" for my little column. I will try and get them all in as the months go by.

For those of you who like them, here are some more bits of useless information!

- If you stand at the bottom of a well you would be able to see the stars even in the daytime!
  - It is physically impossible for pigs to look up to the sky
  - Did you know that you share your birthday with at least 9 million other people in the world
  - The shortest war in history was between Zanzibar and England in 1896. Zanzibar surrendered after only 38 minutes.
  - You are more likely to be a target for mosquitoes if you consume bananas
  - Lemons contain more sugar than strawberries
  - Leonardo Da Vinci invented scissors
  - Babies are born without kneecaps. They don't appear until the child reaches 2-6 years of age
  - The average persons left hand does 56% of the typing
  - In medieval England, beer was often served with breakfast
  - Grapes explode when you put them in the microwave.
  - 35% of people who use personal ads for dating are already married
  - More people are killed annually by donkeys than die in air crashes (where do they get this????)
  - Mosquito repellents' don't repel. The spray blocks the mosquito's sensors so they don't know you're there.
  - In 4000BC in Egypt, men and women wore glitter eye shadow made from the crushed shells of beetles.
  - Butterflies taste with their feet
  - The average human body contains enough sulphur to kill all the fleas on an average dog.
  - Reindeer like to eat bananas
  - If the population of China walked past you in single file, the line would never end because of the rate of reproduction.
  - 3% of all road accidents in Canada involve a moose
  - If the world was tilted one degree more either way, the planet would not be habitable because the area around the equator would be too hot and the poles would be too cold.
  - Letting the cat out of the bag is a whole lot easier than putting it back in
  - Good judgment comes from experience, and a lot of that comes from bad judgment.
- 
- The quickest way to double your money is to fold it and put it back in your pocket
  - Never miss a good change to shut up
  - There are two theories about how to argue with a woman and neither works

That's it for me for this month.

Please take care until next month, happy and safe motoring to you all.

**Denise Douglas**

## CHACA 40<sup>TH</sup> ANNIVERSARY - MELBOURNE

Attended by John and Donna Embleton

Donna and I would like to thank the club for asking us to represent them at the CHACA 40<sup>th</sup> Anniversary at the Veneto Club, Bulleen, Melbourne on 21<sup>st</sup> May 2006.

The trip was great. We followed the coast road from home all the way past Melbourne to take in the Great Ocean Road - past the eight Apostles, where there used to be twelve. The weather was cold but clear. We contacted Kevin Churchill, President of CHACA a few days before the function and we then arranged to meet at the club. They had offered accommodation for Donna and me, but we had our caravan for the trip so we were okay.

When we arrived at the venue they had a static display of a good selection of cars. We took photo's which are here for any one to look at and will be given to the club for its records.

We were welcomed by Kevin and his wife and sat at their table with guests from Sydney and country areas. The function started at 12 noon and finished at 4.30pm. The afternoon seemed to fly in such great company. They had a display of photos from the clubs foundation up to now. It was great to see all the smiles as members looked and remembered some of the things that had gone on in the past. Kevin Churchill informed the attending group that 200 invitations had gone out for the Anniversary celebration and 198 people were present. What a terrific turnout!

I told the gathering a little about our club and that we were hosting the Combined Council Rally in 2007. Donna said that we would welcome any visitors and would certainly be willing to billet some people if they came to visit us in Caboolture. We cannot speak too highly of the welcome we received and after a round trip of 5000kms we arrived home.

After our arrival home we went to clean out the caravan and start up the Nissan Patrol, bless its little fuel pump - it said no and died. So it had the indignity of going on a tilt tray to the workshop, but all is now well and it is ready to go on its next trip.

**John & Donna Embleton**

## CHACC ADULTS CHRISTMAS PARTY

Hi Members.

The time was getting away from us to book for the Adults Christmas Party and venues were already booked out, so the date has been changed to the 18th November at the North's Leagues and Services Club at Kallangur. I have also booked a singer for the night's entertainment. I hope this venue will be a bit closer for all members. The cost to members will be \$12.00 and the club will pick up the rest, as usual. There is plenty of time to book in yet but I will need to know numbers by the October meeting.

**Julie Walters.**

# AUSTRALIANA BUSH BASH AT DAYBORO

Sunday, 2<sup>nd</sup> of July

## Proposed Events

THIS RUN WILL TAKE THE FORM OF AN OLD-FASHIONED BUSH PICNIC.

LADIES PLEASE WEAR LONG SKIRTS AND STRAW HATS, MEN TO WEAR JEANS AND CHECK SHIRTS, AKUBRAS, ETC.

BRING YOUR PICNIC BASKETS AND ANY HOME PRODUCE TO SELL E.G. JAMS AND CRAFT. WE WILL BE HAVING SOME GAMES E.G. EGG AND SPOON RACE, TUG OF WAR, THONG THROWING.

LUNCH SHOULD FOLLOW THE OLD-FASHIONED THEME WITH BOILED EGGS, SANDWICHES IN BROWN PAPER TIED WITH STRING, HOME-MADE GINGER BEER, ETC. THERE WILL BE A PRIZE FOR THE MOST AUTHENTIC COLONIAL DRESS AND LUNCH.

I ALSO HOPE TO HAVE SOME ENTERTAINMENT, SO IF ANYONE CAN BRING A MUSICAL INSTRUMENT OR SOME BUSH POETRY OR PLAY THE SPOONS, THAT WOULD BE GREAT. Our club president, John, will be there with his didgeridoos!

ANYONE WHO HAS A COITS SET OR SIMILAR PLEASE BRING ALONG. I KNOW WE CAN'T HAVE OPEN FIRES BUT IF YOU HAVE AN ENCLOSED DRUM TO LIGHT UP AND BOIL A BILLY OR MAKE DAMPER AND JACKET POTATOES, FEEL FREE TO BRING IT.

I AM ADVERTISING THIS RUN IN THE LOCAL PAPERS AND SCHOOL NEWSLETTERS SO WE MAY HAVE SOME LOCALS WHO WISH TO JOIN IN OUR PICNIC.

A WORD OF WARNING: SOME OF THE HILLS ARE VERY STEEP AND THE OLDER CARS MAY HAVE A PROBLEM. ALSO THE TREK TO THE TOILETS AT THE SCHOOL IS DOWN SEVERAL FLIGHTS OF STAIRS.

Any more ideas for the day are most welcome. The run sheet is on the back of this page so please take it with you as there wont be many to hand out on the day.
