Won by: Brenda Byrne, Ron Walters and John Hall. Congratulations to all winners.

Thankyou to members who have donated prizes for the raffle.

#### **General Business:**

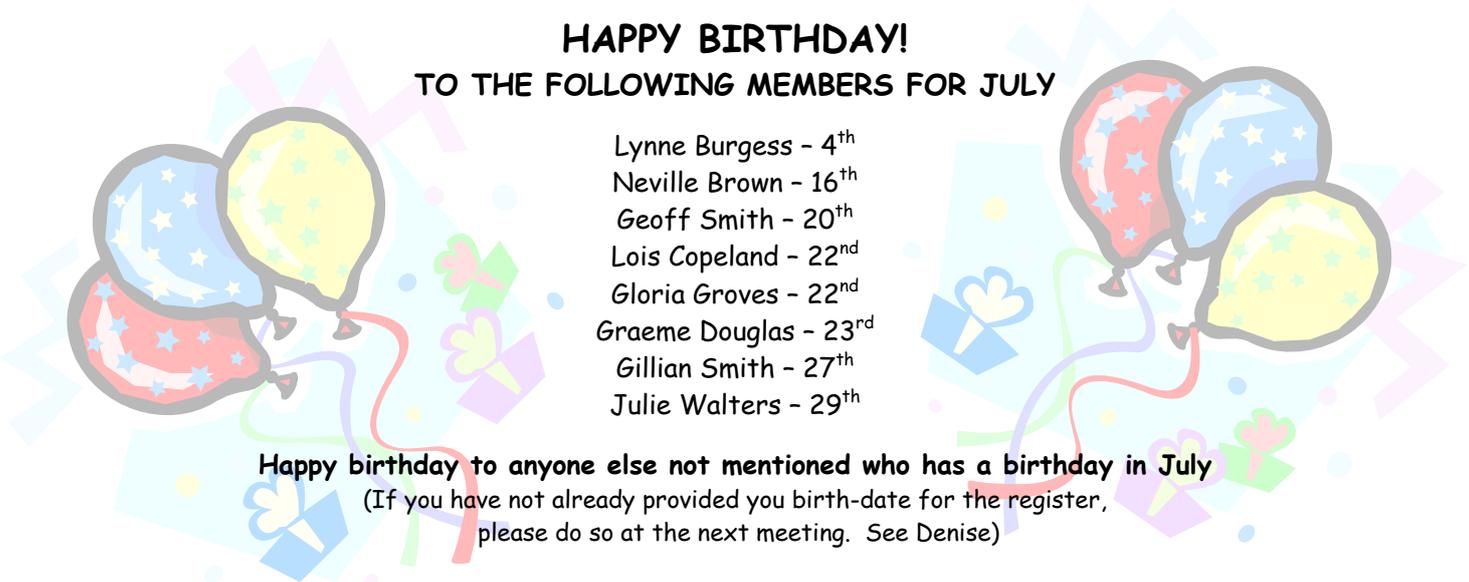

John thanked members who attended the RACQ Motoring of Yesteryear at RNA Showgrounds. It was a great turn-up with 22 cars in total representing our club. Our sincere thanks to Gloria, who on behalf of the club accepted the trophy for the Best Represented Club. Well done and thanks to everyone who attended. A good day was had by all. Members were asked if they would like to take turns having the trophy on display in their homes for a month or so. Many members felt that this was a good idea and our trophy will be passed on to those respective members on each run.

Mal Watkins attended a Morris Minor meeting and there was something brought up about the QCC changing the rules on classic registration. That we can use our cars from Friday to Sunday nights under concessional rego. This will need to be confirmed at the next QCC meeting and we will keep you informed.

John thanked Gail and Jim again for today's run and also thanked the Craft Coach for taking the trouble to attend our meeting.

Gail and Jim thanked all members for coming along today and hoped everyone had a good day.

After no further business, the meeting closed at 12.10pm.

## PRESIDENT'S REPORT

Congratulations and thank you to all our members who turned out for the RACQ Motorfest. It was a great day, topped off by us winning the best attended club trophy. All members who were there are welcome to share in custody of the trophies at some point during the next year. I will do up roster for those who wish to take part. Please contact me to get your name on it ☺

At the RACQ Motorfest, I spoke with the editor of Leaded magazine. On a handshake, we agreed that he was going to do an article about CHACC in Leaded and in return, I agreed to send each of our members a subscription application form. All of my attempts to

contact Leaded since then have gone ignored. I find it hard to accept his offer as genuine when they do not return phone calls or emails. So until communication occurs, I will be holding back on my end of the deal. Sorry Leaded.

I have also been contacted by the Pine Rivers Agricultural, Horticultural & Industrial Society (PR AH&I) asking us to take part in the Grand Parade at the Pine Rivers show. There were no details in the letter to say on what day this parade will take place, only that it would commence at 2pm. After a search online I found that the show will be held on the 4<sup>th</sup>, 5<sup>th</sup> & 6<sup>th</sup> of August but I found nothing to say which day the parade will be. The only contact point offered was a phone number on which I left a message asking for a response, to which I still have not received after three weeks. I cannot encourage our members to attend these events if organisers do not provide me with even the most basic contact details. Sorry also, PR AH&I.

Quite a bit of preliminary work is being done by some of us to get next year's Combined Council Rally (QCCR07) organised. This event will be held on the 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> of June, 2007. It is solely CHACC's responsibility to organise it, so we require some assistance from members. First of all, as there will be people attending from all over Queensland and it is the same weekend as the Caboolture show, we must call out to members for offers to billet some entrants. Please seriously consider this and contact me if you can help. It's only for a weekend and you might make some life long friends! We would also appreciate referrals for sponsorship. So if you know any local business's who may be interested in contributing or if you can offer some help in any way at all, let us know. Here's your chance to prove that our club spirit is alive and well. I hope to get bowled over by a huge enthusiastic response.

## AUSTRALIANA BUSH BASH

DAYBORO State School  
Sunday July 2<sup>nd</sup>, 2006

It was a bright and sunny day at Dayboro when we arrived after an hour's run through the forest and over Mt Mee. The top oval at Dayboro State School must have the best view of the whole Dayboro Valley and the school itself has some interesting old buildings too (being approximately 130 years old). Those who made the trek to the toilets had to negotiate three flights of stairs or some pretty steep slopes, as the school is built on the side of a hill.

Having told everyone to bring a jumper as Dayboro can be chilly; I was proved a 'fibber' as the day was quite hot. It was great to see so many of our members get in the spirit of things with their colonial clothing and lunches.

The children had fun with the old time

games including egg and spoon race, tug of war and three legged races. Thanks Karl, Geoff and Denise for joining in the fun.

We thoroughly enjoyed the day, as did our elderly visitors and we hope you did too.

**Gail and Jim**

## DINNER RALLY REPORT

ShBoom, Rothwell.  
Friday 7<sup>th</sup> July, 2006

The run to ShBoom on Friday 7<sup>th</sup> July was a very good night with more cars than ever there. That was the last night of the trial period for this event.

There were a couple of car clubs that caused traffic congestion by parking in the wrong place. They were asked to move because they were blocking customers from entering the WOW shop, but they refused. Because of these thoughtless few, the event has been discontinued. Also, some people were drinking when it is designated an alcohol free event, but there is always someone that spoils it for everyone else. However, there were certainly some very beautiful cars on display.

If anyone knows of any other venues that we could go to on a Friday night run, other than Harry's Diner, but still on the north side or even up Caloundra way, please let me know.

**Julie**

### Those that attended from our club were:

- Craig & Julie Bloomfield - 67 Mustang
- Geoff Norris & partner - 66 Mustang
- Ron & Julie Walters - 67 Mustang convertible
- Gary & Eileen Nisbet - Jaguar
- Neville & Barbara Brown - Zephyr Ute
- John & Annie Broom - Vagabond convertible
- Jim & Bronwyn Fogarty - modern
- Murray Walters & Cara Skinner - modern
- Richard & Sue Droughton - Customline
- Neil & Robyn Hughes - John Goss Ford

## FROM THE SECRETARY'S DESK

A BIG Welcome to everyone - new and old members alike.

What a great run today. The weather was gorgeous and the company wonderful. Thanks Gail & Jim for the wonderful day!! Sincere apologies to Julie Walters for forgetting to put her on the birthday list. Sorry Julie - have a great day anyway. I was given some brochures whilst we were attending the market at Mt Mee about plans of a proposed Retirement village. Anyone interested in looking at these brochures, please let me know and I will bring them along to the next meeting.

To all those members who are feeling under the weather - get well soon. A big hello to Lynne Burgess - love and kisses and get well soon!!

As you are all aware the time is slipping away fast and only a few runs left until the AGM. Please don't forget if you wish to nominate someone for Life Membership or wish to be on the committee, please start thinking about this now. All positions will become available and it is important that we have members show an interest in helping out in varying forms. After four years I will not be standing for nomination as Secretary and hope to pass on the role to another person. So get those thinking caps on people!!

Anyway, as always here are my funny bits and pieces - I hope you all enjoy them.

- About 30 million pieces of airline luggage (about 1% of the bags passengers check in) will go astray this year.
- Music fans worldwide last year downloaded 420 million songs over the internet - a 20-fold increase from 2 years ago.
- Four in ten mothers would have preferred their husbands to have stayed away when they gave birth.
- Every day 2.2 million disposable nappies are thrown out in Australia. That's the equivalent to filling the MCG with nappy waste three times over in one year.
- Australian households receive more than 1 billion telemarketing calls a year - an average of three a week for each home (I think I get most of those damn calls!!!)
- Sign in manufacturing plant: If you wear loose clothes, beware of the machinery. If you wear tight clothes, beware of the machinist!
- Did you hear about the striptease artist who married a clown? They ended up in a comic strip!
- A patient tells his doctor he has a terrible problem: Every morning at 8am he has a bowel movement. "What's wrong with that?" asked the doctor. The patient says "I don't get up till 9am".
- What does the dentist of the year get? A little plaque!!
- What do accountants use for birth control? Their personalities!! (Sorry to any accountants out there)
- I was talking to my doctor about a weight loss patch I'd seen advertised. "Does it work?" I asked. "Sure" he said, "If you put it over your mouth".
- If Adam and Eve were alive today - they would probably sue the snake!!! (sad but true)

Well that's it for me.

Until next time - remember to smile once in a while, drive safely and I look forward to seeing you all on the next run.

Cheers  
Denise

### The Doctor and the old man!

Morris, an 82 year-old man, went to the doctor to get a physical.

A few days later the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later the doctor spoke to Morris and said, "You're really doing great, aren't you?"

Morris replied, "Just doing what you said Doc, 'Get a hot mamma and be cheerful.'"

The doctor said, "I didn't say that! I said, 'You've got a heart murmur. Be careful!'"

## RACQ RALLY - ONE HUNDRED YEARS AGO!

Title: R.A.C.Q. Car Rally, Sherwood, Brisbane, ca.1906

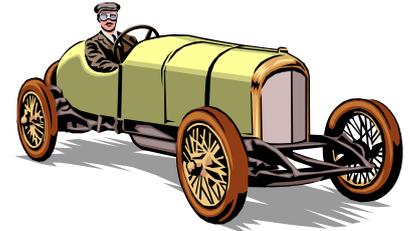

Location: Sherwood, Brisbane, Queensland

Date: ca. 1906

Description: The rally is starting from the property 'Dunalister,' home of Dr and Mrs W. N. Robertson of Sherwood. The Royal Automobile Club of Queensland was formed only a year previously in 1905. The vehicle nearest the camera and the 1st, 2nd and 3rd from the far left are all De Dion-Bouton cars made in France around 1904. The 2nd from the right in front is a Darracq or a Panhard also made in France. Far right is the curved dash Oldsmobile. It is interesting to note that at this point, some of the cars have no headlamps. If lights are fitted, it is with kerosene-fuelled lamps with a wick. At the back of the photograph is the Sherwood Railway Station.
