Rally Report:

Jan thanked all members for attending today and thanked Sharon & Liam Redman for a lovely run.

Upcoming Events are noted further in this newsletter. Please see Page 6.

Today's rally was won by Craig & Julie Bloomfield with Robyn & Neville Mole taking 2nd.

Congratulations to the winners.

Thanks to Sharon and Liam for preparing a great observation run today.

Raffle:

Amount raised: \$92.00

Congratulations to all winners 😊

Robyn informed members that the next raffle will be a lucky dip prize, incorporating lots of bits and pieces that have been received over the last few months.

General Business:

Julie suggested that as the Children's Xmas Party was such a disappointment last year that we should perhaps have this as a proper run this year and incorporate the children's Christmas party into it. This would encourage members to attend and also to bring along grandchildren/children etc. We could have this at a beach spot or lake? Any suggestions, please contact Julie. The 3rd of December has been suggested as a possible date. This will be discussed in more detail on the next run.

Please remember that the Adults Xmas Party fees are due on the next run. This will be held on Saturday 18th November at the North's Leagues and Services Club at a cost of \$12.00 per head to members.

Julie also put forward that our meetings be on the 2nd Sunday of each month instead of the 1st Sunday, as the 1st Sunday seems to clash with other things. This is something for everyone to have a think about. We will discuss it further at the next meeting and decide if we need to vote on it at the AGM.

After no further business the meeting closed at 12.40pm.

PRESIDENT'S MESSAGE

We desperately need someone to represent CHACC at the Qld Combined Council Meetings. Surely there is someone in our club who can do this small but very important task. Even if you think you can only attend some of the meetings, please contact me. Help us help your club.

The meetings are held on the fourth Thursday of each month (no meeting in December) at 7.30pm at the Veteran Car Club clubhouse at 1376 Old Cleveland Rd Carindale.

John.

FROM THE SECRETARY'S DESK

Hi to you all. What a great time of year. The weather is great and today's run was a lovely one, thank you Liam and Sharon.

Once again, Graeme and I were almost divorced by the time we reached Kilcoy. It is impossible to do observation runs when the driver does not SLOW DOWN!!! Anyway, I did the best I could - but alas did not win. Oh well, better luck next year.

To all those members attending today it was great to see you all. Nice to see Ita Davies on today's run. Thanks to those of you who helped Hudson and Ita when they broke down just before Toogoolawah. A special thanks to John & Bob Pritchard for coming back from Esk to check things out. I hope Hudson's car was returned home safely!!!

To all those sick members, get well soon - especially Lynne Burgess. Hope to see you on the next run. I am afraid I have no "silly bits" as I have done countless overtime in the last few weeks and have not had time to get anything together. But I will make up for it next month.

Till next time - be good, happy and safe driving to you all.

Cheers.

Denise.

CHACC Memorial Run

Beryl mentioned after the last Sunday meeting that the reason for our memorial run is to remember CHACC members who are now deceased. Denise checked back and this is of course correct. Unfortunately we did not have the usual 30 seconds of silence or even acknowledge what this run was about. It was quite a poor oversight and we would like to take this opportunity to apologise and thank Beryl for bringing this to our attention. So now is our chance to pay our respects to fallen club members and their families in print.

The Memorial Run Trophy is named after Ron & Hilda Ash.

Was this the first car made in Queensland?

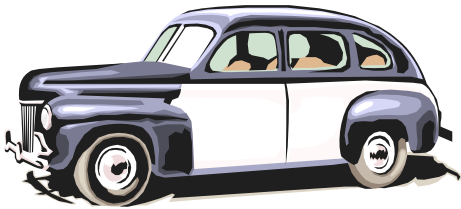

Title: 1902 Trevethan

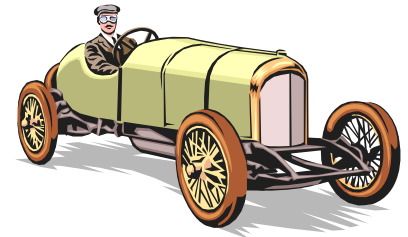

Location: Toowoomba, Queensland

Date: 1902

Description: The Trevethan is a motor buggy based around a 1 1/2 horsepower, single cylinder De Dion engine, and is thought to be the first Queensland-made car. It was made by Thomas and Walter Trevethan in their Coach Works in Neil Street, Toowoomba in 1901-2, largely to their own design. In 1903 it was driven down the Toowoomba range and on to the coast at Redcliffe, north of Brisbane. The lack of suitable oils for engine lubrication and a primitive transmission brake which operated through a chain to the rear wheels made such extended journeys a great challenge. The car was seriously damaged after being charged by bullocks in 1915 and subsequently spent many years lying in sheds and under houses, but has now been restored by veteran car enthusiast Ross Flewell-Smith, and is part of the RACQ's 'Bulldust to Bitumen ...and Beyond' exhibition currently touring regional Queensland. The photo caption reads: 'The car in Toowoomba after completion'.
