RALLY Roundup

Sunday June 28th - RACQ Motorfest. Thankyou to Andy & Sally Byrne who phoned us on Saturday 27th to advise that this event had been cancelled due to bad weather. We were driving at the time, so hurried home and advised those members whom had registered with CHACC that they were attending. It wasn't until late Saturday afternoon that we received the email from RACQ advising us that the next day's proceedings had been cancelled. Apologies to Gloria Groves & Stan for not letting them know, but somehow there was a communication 'blip' and we didn't have them on our list of CHACC attendees. Sally & Andy were already over half-way towards Kallangur from Hervey Bay at the time of their advice, so decided to continue anyway and visit their daughter. A long way for a 'non-event'. However, give RACQ their due, they have since forwarded all intended participants their "goodies" bag, including the RACQ Motorfest 2009 badge, and other memorabilia. Members have also been given the opportunity of getting their money back, holding it over to next year, or donating it to the RACQ rescue Helicopter service. We have advised RACQ on behalf of the 9 members who registered through CHACC (even though there were 4 others who registered on their own), what their options were. Disappointing, considering the day was full of sunshine and no cold wind. However, we believe we would have been sloshing around in mud and many vehicles bogged at Eagle Farm after the recent heavy rains.

Sunday July 5th - Bellbird Grove, Brisbane Forest Park. On our 'not so early' arrival at the Sundowner we were confronted with Ray & Joan with a VERY flat tyre on their 1980 Holden Statesman Caprice. It looked liked too much hard work for me, so I went to Mackas to gain some much needed caffeine. Not a good way to start the rally off Ray and we were disappointed that you decided to go home instead of venturing on our trek (understandably) without a good spare. Also was good to catch up with Gloria & Stan

who also decided to go home after the Sundowner get-together. But with all that we still managed to get 34 members, 5 children and 1 visitor ('Champers'), with 19 vehicles to Bellbird Grove. What a great drive it was - totally new to this relatively new Queenslander - some of the mansions we passed and the fabulous scenery - well worth the trip. Also great to catch up with recent knee operative patient Neville who managed slowly to get to our delegated spot. Good to see you up and about again Neville - even if Barbara had to be the 'cart-horse' for your chairs, table & goodies basket. Also great to see Arthur & Noelene Hinsby after his recent illness. Goes to show - is hard to keep a good 'bloke' down eh! Although, one must always remember "behind every good man is an even better good woman". Many thanks to all members who contributed on the day (too numerous to mention). Was great to see all members chip in and help with the preparation of the buttering of the bread rolls and bread, bowling up the coleslaw and

setting out the lettuce & tomato, cooking the BBQ (under the strict guidance of young Quinton (Pauline & Trevor's grandson), giving advice left, right & centre), and in the clean-up. Many thanks to all members for just being there and enjoying the wonderful surrounds and company of each other. I wonder if Ita has finally got over the drive? (She hates hills and slopes!). Special thanks to Geoff & Gillian who provided the buns & bread and towed the much needed trailer with BBQ and tables and all the other essentials, and remembering that Geoff had to head off home to go to work!

Saturday 11th July 2009

Caboolture Historical Village - Town & Country Heritage Fair.

Apart from the 'hic-cup' getting through the gate with Gloria & Stan - we ventured forth and enjoyed a great sunny day with lots of things to see and do. Thanks to the 8 vehicles & 11 members who made the effort to attend. Les headed off in his MGB TF1500 on the 11am Grand Parade (before we knew what was happening!). Half of us were off touring the circuit of things to see and do! Yes there was plenty of that. However, after you went home Les, you will be pleased to know the rest of us did the 2pm Grand Parade and headed off home after that. Great to catch up with Don Follett in his 1950 Mercedes, Gloria & Stan in their Modern, Graham & Stan Beatson in their 1963 Morris Major, Arthur Hinsbey with his 1965 Falcon, Arthur & Glenda Hall with their 1971 200D Mercedes, Geoff Smith in his 1923 Hupmobile & the Bowers in their 1954 Mercedes. We also caught up with Bob & Gloria Harmsworth (CHACC members) who were at the display with their stationary engines, and Dave & Pam Bertram who were just there - because they could be!

Wednesday 15th July 2009

Mid-Month run to Bullocky Rest
We had 7 cars in attendance and 11 members who enjoyed a quiet lunch and some conversation in a really nice setting.

FROM THE SECRETARY'S DESK

Hi members, I am currently down in cold old Melbourne, but enjoying my grand-children very much. I probably left a few things out when I hurriedly flicked off my notes to our Editor before my departure. I do know I put the Pine Rivers Historic Machinery Restoration Society's event in the "Other Club Invitational Events", however feel it needs a special mention here.

September 19th & 20th, Saturday 10am to 4pm & Sunday 9am to 3pm. The **"Annual Vintage Machinery Display"** will feature machinery manufactured in Queensland. Venue: Leis Park, Gympie Road, Lawnton. Free Entry (Gold coin donation appreciated). Stationary engines, Steam engines, Tractor, Trucks & Cars, Working Displays all weekend. Food available until 3pm on Saturday and 2pm on Sunday. Go and join in the run and see some of our history being preserved. So, if you are interested in stationary engines and the like, come along either day, you will be most welcome. Any further info you require, call CHACC members Gloria or Bob Harmsworth - phone 54946121.

I do know Kim is endeavouring to get interested members to Crows Nest for a Car Museum, not sure of the details as yet - awaiting to hear back from the Museum, re costs and available facilities. Too short notice for an August date, so will probably be looking at a date in September. **Ed. Note: see Stop Press, below.**

Thanks to the 8 members (to date) who have volunteered their time on August 1st (the official date for horses' birthday celebrations) at the Cartmill Riding School for the Disabled in Burpengary. Any more who think they may be able to make it, give Kim a call to organise.

Happy motoring and hope to see as many members who can make it on the 2nd August run.

.....**Carol**

STOP PRESS

We have arranged a visit to the Qld Auto Museum in Hampton for the 16th August. Cost will be \$12 per person which includes a magnificent morning tea (brunch) and a guided tour through the display and car reconditioning workshop. There will probably be another car club in attendance as well as us so will be a good chance to meet others with a similar interest and some additional vehicles to look at. The museum display is mainly classic cars with lots of motoring memorabilia and stationary engines.

There are apparently quite a few attractions in Highfield just down the road to look at, after the museum. We would go through Esk and then up the range to Hampton. The trip is about 2 1/2 hours including a quick pit stop possibly at Harlin. We would probably need to look at a 0800 or 0830 departure to ensure we get there at a reasonable time.

We will need definite numbers by 10 August with some idea of interest ASAP so we can either proceed with a booking or cancel.

This is a longer and additional rally than our normal run but is in direct response to some constructive (and much welcomed) criticism.

Please contact Kim Bowers for further information.

Best wishes for recovery to Nicole

Greg & Robyn – good to see you hale and hearty again!

Lovely to catch up with Don & Phyllis Streeton on the last run

- **Saturday 11th July** - CHACC have been invited to attend the Town & Country Heritage Fair (a Great Family Day Out) at the Caboolture Historical Village, Beerburum Rd Caboolture. Instead it was decided to go to Bullocky rest which is only a few kilometres away and much better facilities and view. Meet @ Humble Pie 10am for a 10.30am departure. Any southerners, phone Kim as Peter will be away, for a pick up point along the way.
- **Saturday 1st Aug** - "Horses' Birthday" - Burpengary Riding School for the Disabled (Cartmill). We currently have 6 vehicles but any more would be very much appreciated. Meet at Cartmill 9.30am. Any further details, or your intent to attend, please phone Kim. This will only be a couple of hours of your time to a very worthwhile cause.

General Business:

- Wendy Dooley put to CHACC members that we donate to the Leukaemia Foundation's residency village near the Mater. She has been there and realises the great need they have for out of town patients and families. There is a lot of construction happening and most of the equipment has been donated, even the installation. The only thing they now need is 24 set top boxes, which will cost around \$3,000. The technician is donating his services free of charge. It would be good if CHACC could submit a donation towards this worthy cause.

Geoff Smith moved a motion that CHACC donate \$1,000 to the Leukaemia Foundation, seconded Carol Bowers. All in favour.

- Carol updated members on Nicole's progress. The Sunday before Nicole had a massive heart attack and was rushed to hospital. She has been in intensive care up until late yesterday, when she came out of her coma. At this stage all signs are good for a full recovery, but she has a long way to go and CHACC & members wish her a full recovery.
- Reminder 2009/2010 membership renewals will be due as @ 31st August 09 - renewal form will be included in the August SCN. If you know you are going to be away in September, please forward via mail or at an August run.
- Geoff Kruger said he was going to make enquiries for this year's CHACC Children's Christmas Party to be held at Nurem Creek Retreat, (not sure of spelling), at Woodford. He would get back to members on his progress.

- **Raffle Results:** Thank you Alf & Jenny for collecting (cajoling) \$95 off members for today's raffle. 1st Prize of a picnic blanket went to Cindy Grey. 2nd Prize of a Dolphin torch and shopping trolley, went to Arthur & Noelene Hinsbey. Congratulations to the winner and thanks to the members.

Meeting closed at 12.05pm

We wish to thank Kim Bowers and Mal Melville for their assistance with the tyre change on our car at the Sundowner this morning, before the run to Bellbird Grove. Also thanks to the other club members who helped. We did not want to proceed on the run without a spare tyre and arrived home with no further problems.

To all concerned, THANKS!!!

Ray & Joan DINTE

Better than a Flu Shot!

Miss Beatrice, the church organist, was in her eighties and had never been married. She was admired for her sweetness and kindness to all.

One afternoon the pastor came to call on her and she showed him into her quaint sitting room. She invited him to have a seat while she prepared tea. As he sat facing her old Hammond organ, the young minister noticed a cute glass bowl sitting on top of it. The bowl was filled with water, and in the water floated, of all things, a condom!

When she returned with tea and scones, they began to chat. The pastor tried to stifle his curiosity about the bowl of water and its strange floater, but soon it got the better of him and he could no longer resist.

'Miss Beatrice', he said, 'I wonder if you would tell me about this?' pointing to the bowl.

'Oh, yes,' she replied, 'Isn't it wonderful? I was walking through the park a few months ago and I found this little package on the ground. The directions said to place it on the organ, keep it wet and that it would prevent the spread of disease. Do you know I haven't had the flu all winter.' Mal & Lindy Melville

At times a second-hand car makes you realise how hard it is to drive a bargain.

CHACC CHATTERMeet Geoff & Gillian Smith.

Gillian and Geoff had moved from A.C.T. to Queensland for a warm climate change. Gillian joined CHACC first and has been a Club member for approximately five years after Les Arnold introduced her to the car club and gave her a job as navigator.

When Geoff arrived, he too, joined and has been a member for four years. His experience with the older cars has only been gained since joining CHACC.

Originally Geoff's profession was an electronics engineer in the Airforce and prior to that he was an Airforce radio technician. He used to work and help out on Friday and Saturday nights at a bakery and 15 years ago switched jobs permanently and bought a bakery. Job satisfaction was the main reason for the switch and he says he still enjoys the work.

Geoff and Gillian started 'going out' together when Gillian was only 14 years old and they have now notched up 38 wedding anniversaries.

Gillian loves her music and plays regularly (and therefore cannot always attend car runs). She also enjoys renovating and interior decorating and has transformed over ten houses.

I asked Geoff if he had the opportunity to do anything in the world, what would he do? "I'd like to travel around Australia in a caravan and really have a good look at the country" was his reply. Kim Bower's voice from behind us added, "I've got the ideal car!"

Geoff likes his job as CHACC President and says he has the best role in the Club – he can be pretty laid back and enjoy himself.
