RALLY ROUNDUP AUGUST 2010

Sunday 1st August - Buderim Forest Park Thanks to Jan, Rob Blake & Garry, Marlene Wills

35 members, 10 visitors & 1 child, 22 vehicles. We welcomed new members, Jim & Janette Higgins at the Sundowner, in their 1968 Alfa Romeo GTV. Unfortunately Alex & Elaine's MG.B was having some mechanical problems, so they decided to go home and swap over to their modern.

With no morning tea stop, we arrived at Buderim Forest Park 40 minutes later and we all clambered up and down the rather steep walkways to a very picturesque picnic area. For those that bothered to take the scenic 200 metre tourist walk, it was very rewarding. In fact, we went after majority of members had gone home and just missed Phyllis Streeton and Pam MacPherson skinny dipping!

Our Sergeant of Arms fines went to Kim Bowers (big time), for reversing out of his driveway and wiping the door out, necessitating him to transfer all the BBQ supplies, etc. into another vehicle to make the run. Rob Blake (and all those who followed him) for making an illegal turn out of the Sundowner carpark. AND - some people just don't learn - to Alex Gallacher for taking up two car parks at the Sundowner (second time in a month) and another fine to Alex for not informing Elaine it was a CHACC sponsored BBQ - i.e., they brought their own! Thank you Quinton for collecting the fines.

Thanks to Rob & Jan and all their helpers for cooking the BBQ and to all the ladies who buttered the rolls and got the salads organised. Also to Geoff & Gillian for donating the bread and rolls.

18th August – Bribie Seaside Museum. Another great sunshine day saw 8 vehicles and 15 members enjoy the new Bribie museum. It's still early days, but feel sure in another few months they will accumulate many more displays. Was great to catch up to Sally & Andy Byrne who have been away at Hervey Bay for 3 months.

A QUICK REMINDER NOTE from the Secretary:

- **Membership renewals** are due as at the 31st of August. Renewal forms will be available on-line and posted to those of you without email. If you don't intend coming to the next couple of rallies, you can post your renewal remittance into CHACC, PO Box 514, Caboolture, 4510 or contact the Secretary for EFT details.
- Our upcoming **AGM** will soon be upon us. It will be time for our current committee to step down and make way for a fresh new bunch of CHACC members to take over the reins. Please think about taking on a position to help our Club continue on successfully. **Nomination forms** are available at each run and in this month's newsletter. They must be completed and forwarded to the secretary by the 17th October, 2010.
- CHACC have been invited to Burpengary Gardens Aged Care Facility on **Monday 6th September at 10.30am** (day after Father's Day). The coordinator said the residents would benefit from a visit from our Club; it would create reminiscing, enjoyment and social interaction. So if you aren't working and could spare a couple of hours on Monday 7th Sept around 10.30am, please come along. Phone Kim or Peter if you think you may be able to make it. Just a handful of vehicles would be great.

Geoff moved that we need to ask members via the next SCN if they still want a Children's Christmas Party. Follow-up at next meeting and we will vote on whether to cancel or not. Seconded by Alex Gallacher.

General Business:

As brought up last meeting, the Jefferays' are entering the "Shit Box Rally" in May 2011 – Brisbane to Darwin, as detailed in our August newsletter (they need to raise \$4,000), all proceeds to the Cancer Council. After the meeting last month a few committee members discussed and thought, if in agreement with members, we could donate proceeds from August 2010 raffles, though to April 2011 towards this worthwhile cause, and any shortfall of \$1,000, CHACC would make up the difference. Geoff asked members in attendance if they are in agreeance to this. Bearing in mind the Sergeant of Arms proceeds will be matched and still be going to Variety this year, specifically Sarah Kruger/Hogg. Geoff moved the above motion – seconded Alex Gallacher –All in agreeance. Carried.

AGM Positions – Nomination forms have been distributed via email & mail. Please members think about taking on a position on the committee as the Club needs new/fresh blood. Forms are available today from the secretary for any new members or anyone else. Widge & others have taken the time to detail each position jobs in a print-out which are available here today, whether you like it or not, you will be given one in the hope that we may entice some members to nominate.

Memberships are all due as at the end of this month, so if you haven't already renewed, please organise it today, or get a Renewal form from the Secretary.

LPG Gas – Peter Rohan gave an account of the problems he has recently experienced with his dual-fuel 4WD. If you have a dual-fuel vehicle, it would be worth your while to have a yarn with Peter to possibly minimise any future major problems or expense.

How long have you owned a car ?

Mr. Allen Swift (USA) received this 1928 Rolls-Royce Picadilly P1 Roadster from his father, brand new - as a graduation gift in 1928. He drove it up until his death last year.....*at the age of 102 !!!*

He was the oldest living owner of a car from new. He donated it to a Springfield museum after his death. It has 170,000 miles on it, still runs like a Swiss watch, dead silent at any speed and is in perfect cosmetic condition. (82 years). That's approx 2000 miles per year.

1926 PONTIAC 2 DOOR COACH

**FOR
SALE**

Here is your opportunity to purchase a vehicle that lead a hugely popular GM icon, **this vehicle is from the very first year of Pontiac – Chief of the Sixes.**

This car was fully restored by my father and I approximately 30 years ago and unfortunately due to dad's ill health & subsequent death and my lack of knowledge, this glorious Vintage vehicle is now up for sale.

According to all of the individual Australian State Dept of Transports, there are only 6 registered 1926 Pontiacs in Australia, 2 being Sedans, 2 or 4 door ?.

This is truly a rare vehicle

Below are just some of the restoration points and features of this vehicle:

- This vehicle has been fully stripped to bare chassis and carefully rebuilt back up to original specs.

- Dad, as a qualified Motor Mechanic, has fully rebuilt the Motor, Gearbox & Diff "in the old ways".

- All of the trim work has been replaced by an "old style trimmer" to the original colour, fabric style and comfort as found in the vehicle when stripped down.

- All of the timber has been inspected, the front LHS chassis rail was replaced.

- As Dad was also a qualified vehicle spray painter, it was repainted using only the highest quality paint & still today raises a shine with a small amount of hand polish. The photos show this car only "washed" and still has a good shine.

For Sale....VZ Holden Commodore Acclaim 2004/05

This low kilometre car (85,000klms) was built in December 2004 and first sold to "Queensland Rail" in January 2005 by the Emerald Holden Dealership, who serviced the car by the book until it was brought in for sale. (I do not have these records)

I bought the vehicle in 2007 while it was still under manufacturer's warranty, and the vehicle has been serviced every 6 months or every 10,000 kilometres, whichever fell first. The car drives like new, and has many extras such as reverse parking sensors, electric drivers seat, all power windows and mirrors, 4 speed automatic gearbox, the 3.6 litre V6, Alloy Wheels, which are reputed to be very economical, as I have found it to be. A Roadworthy will be issued on sale, and it is registered until Feb 2011, but is on a concessional TPI registration. I honestly believe you wouldn't find a better, more reliable, low mileage family car for the asking price of \$12,500. My ONLY reason for selling is my health, which has come to the point where I am no longer allowed to drive. Contact Greg Atkinson on (07) 3204 4205 or mobile 04 177 133 05
