President Report October 2013

It was a glorious day for our GY Rally run and it was a pleasure to pick up Vera as she had some minor damage occur to her car and did not wish to drive it on the rally.

The rally report will be presented by others but I would like to congratulate and thank our secretary for her organising of the foods and for those other willing cooks and helpers that made the day so enjoyable.

It is coming up to “that time of the year” again for our AGM. Nominations are open and some new faces would be welcomed to take on a position on the committee. The AGM is to be held at McGavin View, North Pine Dam on 27th October so we need nominations now! Also names and monies are required if you wish to attend our Christmas lunch on Saturday 7th December. Contact Elaine Gallacher for further information.

Hope to see you on the next run.

Till then, travel safe!

Peter

Secretary Report: October 2013

Extremely disappointed in response to our Christmas Lunch and AGM BBQ Breakfast!

Currently only 14 couples have put their name forward for our **December 7th** Christmas Lunch. Elaine obtained a great deal with Seans' Tavern @ Burpengary for only \$20 per head for a hot lunch (choice of Ham, Turkey or Pork) with roast vegetables and gravy and dessert of Plum Pudding and custard. We made it LUNCH as opposed to a night meal to hopefully attract those members who do not like driving at night time.

Maybe you are thinking – ‘Oh that’s not until December – plenty of time to let them know’. However we NEED Numbers now or ASAP.

With the lack of response Elaine has asked another small car club to join us to help make-up the numbers. Sean’s can cater for more than we suggested –i.e., 50 to 60 members, but at this rate, even with combining the other car club we may be battling to get that attendance. So come on members, if you haven’t already done so, PLEASE let us know your intention to come or not. Then we can make the decision on how much CHACC will subsidise your lunch.

It would also be more than helpful if we could get members intentions as to whether they will be attending our AGM or not. As it will be a BBQ Breakfast, catered by CHACC it would be impossible to organise with some idea of attendance numbers. This is planned for **October 27th** @ McGavin View (Pine Rivers Dam area). We will need volunteers to ‘stake-out’ our area early and it will be hopeful that breakfast would be available around 8am.

As Elaine will be away in Melbourne for a couple of weeks could you either contact Alex or myself if you (a) are attending and (b) can volunteer your services.

To date only one member has put a nomination form in for our AGM. Where are all the others??? Deadline for forms is **October 12th**! This is YOUR Club – show some interest. There are plenty of members on hand to help you!

Sunday September 8th 2013 Rally Report 29th GY Rally

Lake Baroon, Organized by Alf & Jenny D'Acunto "Oh what a beautiful morning, "Oh what a beautiful day" Off to Maleny, for the start of a perfect day.

We met at the sundowner, where we said hello and farewell to Andy and Sally, who were committed to open day at Air Sea Rescue, Sally handed off Sergeant of Arms duties to Alex with a few dob ins to go with it. No Elaine (home mulling over election results). No Ita (too many hills and sharp bends).

Attendance: (13 vehicles, 22 members and 2 visitors) Was disappointing, considering the amount of work that goes into organizing a BBQ and run.

Nice leisurely drive to Mary Cairns Cross Park, where Alf met us and handed over the Perpetual Trophy and 3 gifts for the Trivia quiz to determine who wins the 29th Rally Trophy. Jenny could not attend as she had to work; Alf also left us at this point. Many thanks to them for organizing the run, and the generous gifts for the place getters.

We enjoyed morning tea, which we shared with an over friendly scrub Turkey and cheeky Butcher Bird, in the park and set off to Lake Baroon. A real challenge to "The Major", them there hills very steep. Arriving at the Dam. Lovely area with great facilities, BBQ (a bit of a slow side), three picnic tables which we used to serve food and the other we settled around to watch two top chefs (Trevor Reibelt and Eldon Till) slaving over the hot grill. Thanks boys

Peter managed a short meeting, he went through the history of the GY Rally, and welcomed Vera Frair, (who hitched a ride with Peter as she had smashed her car on the previous Friday) Vera presented the Trophy and first prize to Graham Beatson who won on a tie breaker with our visitor Charlie Peovis, Charlie and Sandy enjoyed and shared their 2nd prize (Licorice Allsorts), 3rd prize went to Lindsay and Valmay Bell.

We had an appetizing sausage sizzle lunch shared this time with a friendly Kookaburra and several cheeky Mickeys, special thanks to Carol for her hard work purchasing and preparing meat, salads, rolls ect. Well done Carol.

Alex did his duty as S.O.A and collected \$21.40 majority of fines were self dobbed- i.e Peter Rohan for going straight on in a right-only lane to find himself confronted by a traffic island. (may be that's why Vera swapped drivers half-way through the run)

We think 'Angel Flights' are looking good this year. We raised \$56 for the raffle, after expenses we banked \$21.00.

1st Prize Lew Vicent and guess who won second Arthur Hinsbey

Hubby had a blow-out and needs a re-tread for his runners. After a restful lunch we went our separate ways down big hills and corners, home

Wednesday September 18th 2013 Mid Month Rally Report

Great day weather wise. Also great turn-out for a mid-week run. 8 vehicles and 15 members, included CHACC's new members Robert & Jan from Beachmere in their 1987 Cadillac Allante convertible. Also Don & Val Follet whom we haven't seen for quite some time and Ita accompanied Huddy again (maybe his driving is improving?). No she thought we were going to Toorbul, but that's our October Sunday run Ita. Alex's "surprise" run was to Woorim, Lions Park. Great drive, lovely setting.

All was well until new members Robert & Jan had difficulty restarting their Cadillac. They managed to get her under way, only to break down another couple of times on the way. At Ningi after finally getting her re-started, they decided to head back home to Beachmere and pick up their other Cadillac, a 1998 Seville. They finally joined us at Woorim. Not a good start for them on their very first CHACC 'outing'. Alex's 'fun' quiz was on old-time songs and the winner was Gladys Rohan – congratulations for knowing all those 'golden oldies' off pat Gladys.

A Dunny Out the Back

They were funny looking buildings that were once a way of life, If you couldn't sprint the distances, then you really were in strife. They were nailed, they were wired, but were mostly falling down; There was one in every yard, in every house, in every town.

They were given many names, some were even funny, but to most of us, we knew them as the outhouse or the dunny. I've seen some of them all gussied up, with painted doors and all, but it really made no difference, they were just a port of call.

Now my old man would take a bet, he'd lay an even pound that you wouldn't make the dunny with them turkeys hang in' round. They had so many uses, these buildings out the back, "You could even hide from mother, so you wouldn't get the strap.

That's why we had good cricketers, never mind the bumps; we used the pathway for the wicket and the dunny door for stumps. Now my old man would sit for hours, the smell would rot your socks, He read the daily back to front in that good old thunder box.

And if by chance that nature called sometime through the night, you always sent the dog in first, for there was no flamin' light. And the dunny seemed to be the place where crawlies liked to hide, but never ever showed themselves until you sat inside.

There was no such thing as Sorbent, no tissues there at all, Just squares of well read newspaper, a hangin' on the wall. If you had some friendly neighbors, as neighbors sometimes are, you could sit and chat to them, if you left the door ajar

When suddenly you got the urge, and down the track you fled, then of course the magpies were there to peck you on your head. Then the time there was a wet, the rain it never stopped, if you had an urgent call, you ran between the drops.

The dunny man came once a week, to these buildings out the back, and he would leave an extra can, if you left for him a zac. For those of you who've no idea what I mean by a zac, then you're too young to have ever had, a dunny out the back.

WOODY the Standard 10 Estate Wagon

The first car I owned when we joined CHACC in 2004 was a 1955 Standard 10 Estate Wagon (a Woody), I bought it while in mid age crisis. My son Scott (a mad car enthusiast) gave me a Just Cars magazine, and advertise in there was this car, exactly the same as my very first car (colour and ali), so down to Goulbourne NSW we went and bought it., Its owned towed it to Brisbane for us

This car became known as “The BUZZ” as a family friend thought it looked like Buzz the butter box. My first Woody I used to transport my drum kit to band gigs around Brisbane and the Sunshine Coast. It was not a very reliable vehicle (prone to blowing Welch plugs) and I replaced it with a trustworthy EK Holden Station Wagon.

I sometimes regret selling Buzz as he was unique, and an endangered species. When a work colleague asked if he could buy the Standard to use as a promotional work vehicle (complete with roof racks and an old wooden ladders), we started to look for a replacement club car. We ended up at a classic car dealership on the south side of town. I thought I’d like a Mercedes, Mustang or a Jag. When we arrived parked in the drive way was a two toned blue 1963 Morris Elite, all original even the number plates. Jan made a bee line to it, she said it bought back memories of when we both worked at a manufacturing company and all the spunky apprentices owned new Morris Majors or Austin Lancers (not me I had my Woody). We had a look at other cars (some way out of our price range) but guess what the Morris (known as the Major won out and we have enjoyed many club runs and shows with him,

Did You Know?

Did you know that it was a woman who invented Kevlar?

In 1964 Stephanie Kwolek working for the DuPont Company researched with high performance chemical compounds. Which led to the development of a synthetic material called Kevlar which is five times stronger than the same weight of steel. Kevlar, does not rust or corrode and is extremely lightweight. Many police officers owe their lives to Stephanie Kwolek, for Kevlar is the material used in bullet proof vests. Other applications of the compound include underwater cables, brake linings, space vehicles, boats, parachutes, skis, and building materials.

16th Oct 2013 Wednesday

Last mid-week Run for 2013. **BYO** Neville & Barbara Brown have kindly offered to Organise this. We will be going to "Grand Ideas" Salvage Emporium 40 Holland Street, Northgate. Looks very interesting - they take the concept of recycling to a whole new level. It is adjacent to 'The Grande Caffè' so we can get coffee, food, etc. there.

CHACC AGM

Will be at McGavin View. (North Pine River Dam area)

CHACC will supply breakfast - gold coin donation only required from members. Hopefully we will have more than the normal 4 or 5 to put their hands up to assist in setting up, etc.

4th to 6th Nov 2013

Imbil Folk Festival

7th December 2013

LUNCH: Elaine has sourced Sean's Tavern at Burpengary. All agreed on our August 4th run that this seemed like a more than reasonable deal as it includes a room of our own at no additional charge. For those members who haven't as yet advised Elaine if they are attending or not could you please do so ASAP. This will give the committee an idea of how much CHACC will subsidise the lunch - **we need numbers!**
Very poor response to date.
