NOTES from the Secretary: **DECEMBER ISSUE 2014**

I am not going to publish the AGM minutes in the newsletter (1) they are fairly boring reading and (2) they would take up too much room. If any member would like a hard copy they will be available at each forthcoming run. Thank you to all the outgoing committee and those who have put their hand up for this coming year. Without you all we wouldn't have a Club.

Christmas Lunch: A quick reminder – it is not too late to pop your name down for lunch on December 6th – Saturday – (see details in Calendar of Events). We currently have 30 but will need confirmed numbers for the restaurant a week before. Thank you in anticipation and look forward to seeing as many of you as can make it.

AGM Highlights

- Thank you to all members who attended
- Thank you to all members who pitched in and helped, I won't mention any names in case I leave anyone out. But I think Neville's egg-rings need a special mention – they were sensational! And those wonderful home produced eggs kindly donated by Aileen & Neils certainly excelled over any shop-bought variety.
- Non-Members who need a special thank you were our New Zealand visitors Merv & Janice who flew over to spend the week-end with us and ended up cooking all our bacon and sausages and then left us to tour the Seaside Museum and surrounds whilst we had our meeting. They were also invaluable in packing up the Ute and unpacking AND assisting in washing up all the dirty dishes when we got home (we miss them already).
- Thank you to Andy Byrne for chairing the meeting after our retiring president Peter stood down, and continued on in the new President elect's absence.
- Special Congratulations to AILEEN ANDERSEN in being elected CHACC's 2014 Club member of the year. I don't think a photo was taken so we will re-present her with her 'inscribed' trophy at the Christmas lunch.

- Your newly elected team are:-

AGM Report 26th October 2014

Well I believe a better venue or day could not have been found for our AGM this year, Bribie passage looked absolutely stunning today. The water was sparkling, the sun was shining, and the cooks were cooking. We must thank Carol for putting in a huge effort again in organising the food and also to all those who chipped in to help cook our breakfast. The snags, bacon, eggs, baked beans, and onions were all cooked to perfection.

As we settled down after stuffing ourselves Peter proceeded to get the formal activities under way. All positions were declared vacant and Andy chaired the meeting while new nominations were read out and duly accepted. With our new President being away the business of running the general meeting fell to newly elected Vice President Neils Andersen.

Before continuing with our general discussions a ballot was held to select 2014 most valued member. Aileen Andersen very clearly won this for work in processing the SCN every month. This has certainly taken on a new look since her involvement.

The raffle was drawn and the Dan Murphy Voucher was won by Phyllis Streeton. AAh and our SOA Sally made her presence felt and I don't think she missed any one with the fines, but then again we are supporting a charity. Good on you Sally.

As we were allowed by council to park adjacent the picnic shelter the array of vehicles drew some attention by passers-by even to the extent of one local going home and returning in his VL Commodore (police pursuit vehicle) for us to have a look at. It was a very inconspicuous car but in that era it got results. The owner also showed some interest in joining the club.

It was really nice to see Aaron and Erin back after some absence and our congratulations go to you on your recent Marriage and house purchase.

At the end of proceedings Kim announced there was a display of various timber art at the Bribie Arts Centre if interested. Jan and I called in with Kim & Carol and there are really some talented people around.

Barbara, Neville, Christine, Sally & Andy

Jenny, Phyllis, Pauline & Alf

I think that just about covers proceedings in a brief manner and again thanks to all who came and assisted.

One last thank you and that is to Kim & Carols overseas visitors who also gave their time to help.

CHACC MID-WEEK COMBINED Run to Bribie Island Organised by Graham & Kim

This unscheduled invitational run was with Sunshine Coast Club, Brisbane Northside Antique Automobile Association and CHACC.

What a great turn out from the Sunshine Coast Club and B.N.A.A.A @ Spinnaker Sound. I don't know at time of writing but guessing over 30 vehicles. CHACC only managed six vehicles (with a couple of vehicles cancelling at the last moment due to urgent other commitments). I still appreciate those who took the time to come and join in this Invitational inter-club run.

A big thank you to Brian Waters from the Bribie Branch of the Sunshine Coast Club, who opened up his wonderful Museum to allow members to escape the very humid outside car park temperatures.

Personally my favourite overall vehicles were Merv's 4/44 Wolsely sedan and the Toy Austin (with the key in the boot). Meant to take a photo of it at morning tea break however it never turned up! Must have broken down or got lost!?

From Spinnaker we made our way in convoy to Bellara beachside, where we needed a packed lunch and water bottle to get to the toilet blocks – but we all managed to squeeze in parking and enjoyed morning tea and wished David's wife (I apologise – as have forgotten her name) a very happy birthday.

A scenic drive, again in convoy, from Bellara to Woorim lookout via White Patch beach and the Pacific Harbour Golf precinct. The lookout at Woorim provided a beautiful breeze but no 'pitstop' toilets so Pam took off and met us at Bongaree.

In convoy again to Bongaree for lunch. Well, while this was a great idea, members seemed to disperse from here – we lost Don & Val who had a prior lunch engagement, Sandy and Andy decided to head home because of impending thunderstorms and Charlie and Sandy did attempt to park and find suitable cuisine but in the end decided to head off too. Meanwhile yours truly and Kim thoroughly enjoyed Fish N Chips in First Avenue outlet – succulent grilled barramundi to die for (I haven't had fish n chips for about 3 years I reckon) and can highly recommend this outlet. Went and rejoined the rest of the group opposite the Seaside Museum and bid our farewells.

Big thankyou to David Whysall, Bob & Truus Perry and whoever else was involved in making the day such a success.

Welcome Wall Ceremony @ Darling Harbour for Immigrants

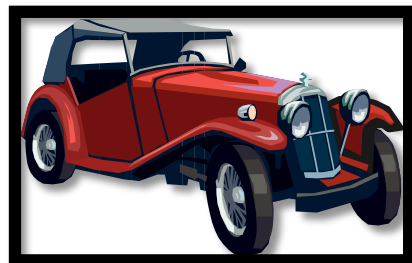

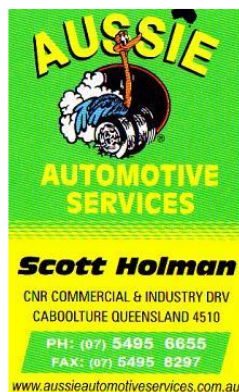

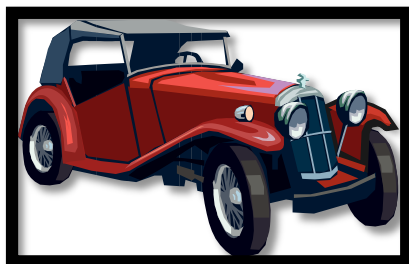

Jenny was very proud of Alf's Welcome Wall ceremony @ Darling Harbour for Immigrants (which I knew nothing about). They had lunch in Sydney where various other immigrants and their achievements were recognised – i.e., the founder of "Gelato" in Australia was there! Attached a couple of photos one of Alf (looking like he wasn't happy) and the other of his name on the wall – Alfonso D'Acunto. Very proud achievement for them.

Carol

Standing in honour of all those who have migrated to Australia is the Welcome Wall. Located at the Australian National Maritime Museum at Darling Harbour in Sydney, the 100 metre bronze panelled wall currently has more than 25 000 names inscribed on it, representing 206 countries.
