Our 35th Anniversary Run was a great success with over 40 people in attendance which I believe may be a recent record for our club. It was great to meet some of our life members that I believe I have not met before. Darryl Byrne got up and spoke about the runs in the early days of the club. Darryl also shared some information and early photos.

I would like to thank all those members who have donated gifts etc. for prizes. I would also like to thank Aileen, Jenny Vallance and Jenny D'Acunto, who did a fantastic job of putting together all the prizes. These ladies also went to the RSL early and did the set-up prior to everyone arriving, during which Jenny Vallance did a fantastic job with the money board and the raffles. I think nearly everyone took home at least one prize. I also would like to thank the staff at the RSL for a great job of looking after us.

After talking to many of club members I think that everyone had a great time. We have a great club with wonderful members so I am hopeful for good participation on our future runs and events. See you all in your wonderful classic cars soon.

Memorial Rally History

When Hilda Ash passed away in September 1991, her son Adrian donated approximately \$375.00 to the club to fund a perpetual trophy to honour Hilda. Hilda's husband Ron passed away in November 1992 so it was decided to change the trophy to the Ron & Hilda Ash Memorial Trophy. This policy was continued until 1996, but in the meantime we lost Alan Dean-Freeman. To honour Alan, we introduced a Smorgasbord Rally. After Doug Gault passed away in 1996, we decided to rationalise our policy to have one memorial rally each year. This was to be a Smorgasbord Rally at which we would remember all of our past members. The perpetual Trophy was to continue for this event and it would be call the Ron & Hilda Ash Memorial Trophy

Peter Friar	Aug 1991
Hilda Ash	Sept 1991
Ron Ash	Nov 1992
Alan Dean-Freeman	Oct 1994
Bill McNamara	Nov 1993
Doug Gault	Oct 1996
Erin Faithful	May 1998
Ivar Solderberg	2000
Jeff Stephens	June 200
Norm Beeston	May 2002
Noel Faithfull	2004
Mike Ponerenke	Mar 2013
Jim Croft	May 2014
Don McLoad	July 2014

Now that the Memorial history of CHACC has been brought forward again, this time by Darryl Bryne, I would humbly request the committee look at naming one of the few remaining runs for this year to a 'Memorial Run' or if you don't think that is feasible please include it in your 2018 Calendar. I have no idea where the original trophy is but I am sure the Club could purchase one with applicable names inscribed. For your consideration.....Carol Bowers

Mid-Month Run Report 12th July 2017

Well it seems the rules have been strictly adhered to on our mid-month run! Which rules would they be you may ask? The one about wearing your club shirt or polo, perhaps paying your membership on time, not following the run sheet?... Surely you jest! ...It was the dubious rule about “whoever wins the prize in the raffle/competition writes the run report”

Yeah, I bet you’ve never heard of that one either. So it looks like I’m saddled with it again. Anyway, it seems the requests for “more runs where the women don’t have to cook” was a Furphy, as was those wanting a later start time. Evidence – only a handful of cars were brave enough to turn up for Wednesday’s outing, despite the prior announcement and email reminder about finishing at the Narangba Tavern.

However, back to business, Kim and Carol rocked up after their so-called break overseas. No evidence of sunburn or rich Mediterranean tan on either despite cruising the islands in a yacht! My theory is they just turned off their computer and telephone, and went to the Donnybrook Esplanade Caravan Park for a couple of weeks.

Be that as it may, they both looked refreshed and well despite having to pick up their dog from the vet, hence another – legitimate – drop out to our shrinking group. Undeterred, King Arthur of Bli-Bli Castle shepherded us off on what was to be a very interesting and challenging observation run. By combining the street names in the run directions, with observation and trivia questions it was evident Arthur put a great deal of thought into this run. To quote an example; “Turn into High Street; if you take the high road and I take the low, where will you end up?.....”. The clues led to some head scratching, so much so that your correspondent got lost after the 4th

clue, and Andy and Sally Byrne bravely following in the open MGB were also bamboozled, whilst poor Lew Vincent (also, somewhat foolishly following), just pulled over and waited for a resolution. This led to Andy taking the lead albeit briefly, as he got lost after clue number 9, which resulted in a detour to a turn-in for a more detailed discussion – Lew, ever patient just waited until Andy decided to take a short cut, missing 3 of the observation clues! Perhaps it was the cold, or more likely Andy’s wearing a “Jaguar” motif jacket in an MG. Cars have feelings too you know!

Nevertheless, we managed to arrive safe and sound at the destination, and being first there (thanks to Andy’s revised run sheet) we were warmly welcomed by the Naragba Tavern staff and shown to our table. A relaxing drink and a nice meal followed with Arthur awarding the prizes to your correspondent, Marie & David, and Sally & Andy in that order.

A most enjoyable morning and lunch, with the usual good humoured banter, and medical discussions to finish off the afternoon. Many thanks to Arthur Hall, for an interesting and different run enjoyed by those lucky enough to partake.

VICE PRESIDENT REPORT

Sunday the 2nd July 2017 was another significant day in the club's history celebrating the anniversary of 35 years of the club with the Presidents Run, this day was well supported by an excellent roll up of club Members, Life Members, new Members, this gave all the opportunity to meet some people they had not met before.

President Neils caught me a bit unprepared when he asked me to assist with the presentation of the Anniversary 35th Cake cutting & I must apologise for not officially thanking all who were involved with this day.

I would like to take this opportunity to thank President Neils & his wife Aileen for all the work they put in organising this "Special" event in the club's history, and not forgetting Jenny Vallance & Jenny D'Acunto, for the work they put in preparing & running of the support events, Lucky door prizes, Raffles ETC. a lot of work went into this event prior to & on the day.

Another great day for this great club, let's hope we can ALL keep supporting the club with its future events.

Special thanks to all who attended & supported this "Special" day

Kind regards, ANDY BYRNE.

Secretary's Report June/July 2017

After the President encouraged us to shorten the Monthly Meetings, our May meeting was over in 45 minutes followed up by another quick meeting at Moore on the way to Benarkin conducted by our Vice Pres who whizzed through at a rapid rate! There will be no meeting in July. Next one will be August.

Great run to Benarkin and a big thanks to Andy and Sally and others who made the run such a success. Great to see a load of visitors on the day.

Also great to see our Rally Director geeing up everyone to attend our runs with his entertaining musings in print which I am sure is appreciated by all.

I also hear on the grapevine that the 35th Anniversary lunch was a great success. Well done to those involved and sorry we could not be there. We might give the 45th one shot!

Gladys and I have had our 17 year old grandson staying with us for just under three weeks in June just prior to my hip operation and we now have our unit back to ourselves. For those that have or had a 17year old male to contend with will appreciate the work load that goes with one! At least he got some hours up on his learners permit while he was with us.

My hip operation took place on Monday 26th June and is now 3 weeks since the op and I am walking around with the aid of a walking stick but still getting under Gladys's feet. Still a bit painful but attending physio regularly to improve the strength in the leg/hip muscles.

Probably be able to drive around mid-August.

Hopefully we will be on the August Sunday run.

Until then, keep safe.

Peter

Congratulations to the Birthday Boys and Girls

This Month's Car Quiz

Q: Icy roads cause thousands of accidents each winter. Which was the first production car to have anti-lock brakes?

Feel free to phone 54940801 or email your answers to the editor at editor@chacc.com

Last Month's Quiz

Q: What is the only manmade object that is observed from the moon?

A: The Great Wall of China, even though it's barely visible from low Earth orbit, and then only under perfect conditions, but not from the Moon.

We have one winner for last month's quiz Barry Smith

Did You Know?

Wind doesn't make a sound until it blows against an object

There is no sound in space

Sound travels 4.3 times faster through water than in air

To crack a whip the tip must be travelling faster than the speed of sound

Q.H.M.C. INC. REPORT

Andy Byrne

Queensland Historic Motoring Council Inc.: - Meeting 23rd March 2017 Minutes received 25th May 2017

The following is an "EXTRACT" from the minutes, the full minutes is available if required THE WORD "RALLY". Q.H.M.C. has still not received a response from Suncorp to the letter sent re the word "RALLY". – The SIVS conditions & regulations on the TMR website state a SIVS registered vehicle can be used for **participating in rallies** organised by incorporated vehicle clubs – **a rally** is a social event whereby a parade of special interest vehicles travel together for competition or to meet at an agreed location. **Rallies** are usually listed in an incorporated club newsletter or on the incorporated club's website or social media page. Craig Williams [VV Chev AAQ] said the QHMC has to get this clarified. Christine advised this is why the committee is working for an answer and has written letters. It was clarified that Suncorp state in their Drivers Protection Cover that they do not cover rallies. DPC only applies to CTP Classes **1** and **6**. The majority of vehicles operated by members of QHMC affiliated clubs are class **5** and are therefore not be covered by DPC.

TMR; TRANSPORT & MAIN ROADS

Russell Manning reported communications with TMR in relation to QOCS'S request for buses to be eligible for SIVS at 25 years. This is ongoing.

LOG BOOKS

Doug Young advised VCCQ does not think waiting for the NSW log book trials to conclude is acceptable. Doug Young assisted by Russell Manning will look at a Business Plan for log books. Craig Williams [VV CHEV AAQ] supports log books and said this committee has done nothing for 4 years.

LUXURY VEHICLE TAX MOTION

MOVED: Doug Young to have the Luxury Vehicle Tax & GST be removed from vehicles more than 30 years old

SECONDED: Albert Budsworth All in favour: Carried

NEXT MEETING 27th JULY 2017 - End Quote.

NOTE; Annexure 1 was attached to minutes received, A HOBBY, A HERITAGE, AN INDUSTRY: HOW THE LUXY CAR TAX IMPACTS THEM ALL – A copy of this is available from the secretary C.H.A.C.C. .
