OUR AIMS

To bring together persons with a common interest to encourage the use, maintenance and preservation of motor vehicles of classic and historic classification without prejudice to make, model, method of manufacture or country of origin. As well as vehicles of special interest, this may, from time to time, be determined by the committee.

UPCOMING EVENTS:

SATURDAY 26th Jan

Australia Day Those wishing to go to Samford Gates open at 7am. The latest they will let us in is 8.30am. Suggest we all meet at John Scott Park, Station Street, Samford before 8:30 AM so we can go in as a Club, **NOT at Sundowner.** We have confirmed 15 vehicles and will bring the Club's Marquee. All CLASSICS free with morning tea and sausage sizzle lunch. Moderns will be charged \$6.

Sunday 3rd February 2019

This will be our traditional Fish and Chip run. Organised by Scotty & Aldona, and knowing Scotty, it will be an interesting way to get there. Don't be one of those who will say "Wish I had been there", when you find out how good it was.

Wednesday 13th February

Mid-week this is a mystery run, mainly because your Run Director has no idea yet where we will go. Rest assured you will find out beforehand in the next SCN!!

PRESIDENT's Prattle

For those not attending the AGM you would have missed CHACC's nominated Charity for 2018. At the General Meeting following the AGM it was unanimously agreed to accept Tootsje Davis' suggestion (put to her via Andy & Sally) to buy 58 cushioned neck supports for the Day Patients attending dialysis each day at the Northlakes Renal Unit. Toosje and Peter enthusiastically took up the challenge and went out and purchased them at a great discount negotiated price and also organised to have them delivered to the unit at Northlakes and distributed. David Alsbury went along and took some photos but I don't have them. Maybe next SCN! Thank you to all concerned and especially Peter & Toosje who did the delivery the day before they headed off on their Christmas road trip.

Thanks also to David for keeping us up to date on Sally & Andy's delicate operations they both underwent recently. They are currently recovering in Respite care at Albany Creek until they are well enough to come home.

Apologies haven't kept up to date on Lindsay Bell or Lew Vincent. I do know Lew had a couple of toes amputated prior to Christmas due to an ongoing infection. Promise to update you on both next SCN. At time of close-off for SCN Pam McPherson was to undergo multiple scans to determine if her treatment was successful. We'll all keep our fingers and toes crossed for a positive outcome there.

Thank you to the members who attended the recent funeral of Graham Knight - long term founding member of CHACA and CHACC. I am sure your support to Dawn, Julie, Vicki and Tony and families was much appreciated.

Secretary's Scribbles February 2019

Welcome to 2019 and Happy New Year from Scotty & Aldona to all CHACC members. No doubt you'll all be biting at the bit to get behind the wheel of your pride and joy and looking forward to sharing your holiday season activities with your fellow members on our future road trips. As you will be aware some small changes occurred with the committee structure at the 2018 AGM and yours truly has been elected to try to emulate the great job Carol did as your 2018 secretary. Many thanks Carol for your input throughout the year, now you've just got to programme my brain which will be a challenging task.

We're presently finalising the communication channels which will see us up to speed by next edition and able to keep you informed on CHACC happening.

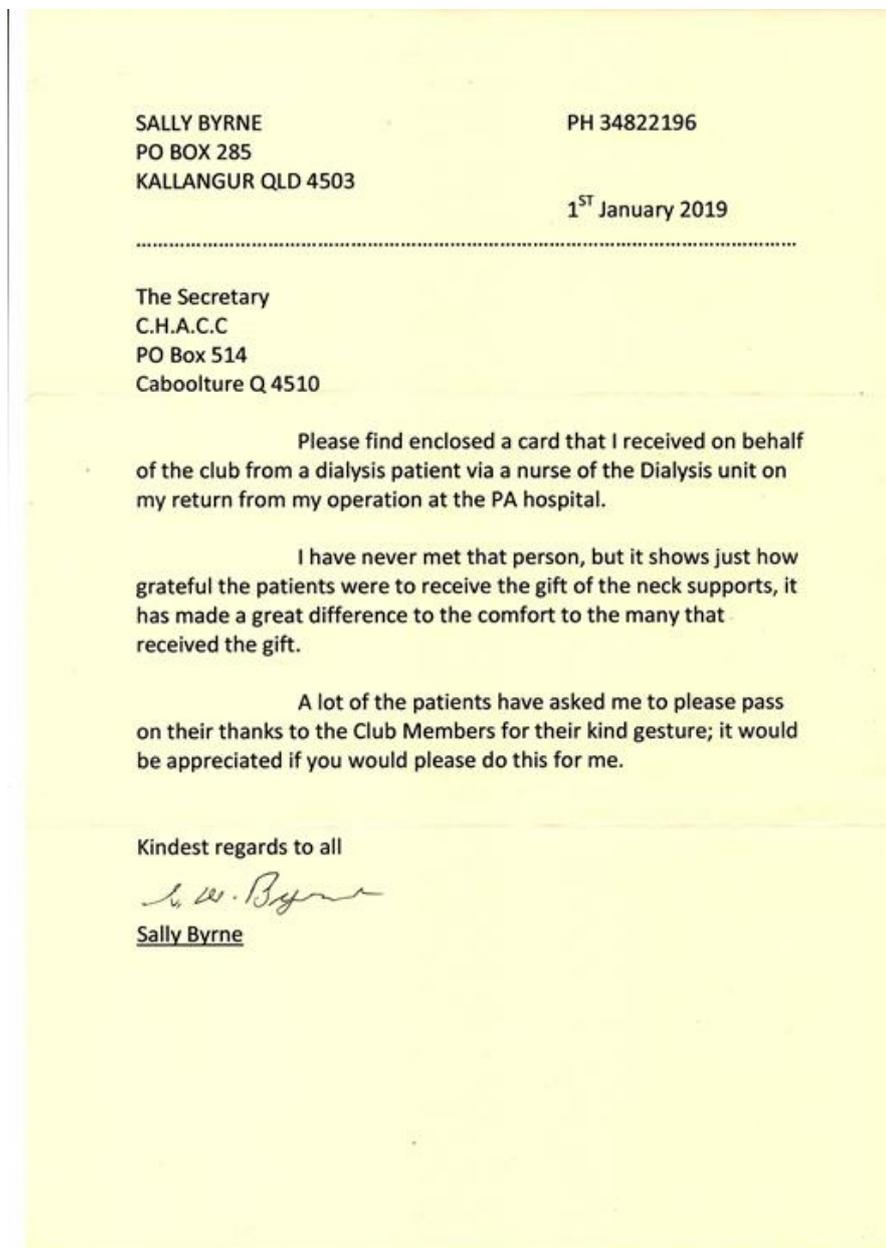

During the end of year time out Alex has been keeping you informed of some of the information you will have been interested in and I'm sure there will be more in other parts of this issue.

Aldona and I have mapped out a course for the first run of the year on Feb 3rd which will take us to our normal Scarborough venue via a smoko stop at Tinchy Tamba Wetlands. This is an exciting day for me as it is 50 years to the day since my car left the factory.

Looking forward to our first 2019 catch up

Only a handful of people know about the CHACC charity donation to the Northlakes Renal unit and what it was used for. CHACC have received a Thank you card from the staff and patient recipients and a letter from Sally Byrne.

This Month's Car Facts

What classifies a car as vintage?

Usually, the classic **car** applies to vehicles over 20 years old. **Antique cars** are over 45 years old, and **vintage cars** are built between 1919 and 1930. **Car** clubs classify each one differently. And some classifications overlap between classics and antiques

Sweet potato and crumbed chicken salad

800g gold sweet potato, cut into rounds
1/4 cup olive oil
1 teaspoon fennel seeds
1 tablespoon rosemary leaves
400g pkt Chicken Breast Fingers
1/4 cup dried cranberries
1/4 cup pine nuts, toasted
60g Baby Rocket
1 tablespoon olive oil, extra, to serve
2 tablespoons red wine vinegar

Preheat oven to 200C. Line a large baking tray with baking paper. Arrange the sweet potato in a single layer on the lined tray. Drizzle with oil. Sprinkle with fennel and rosemary. Cook for 30 mins. Add the chicken to the tray. Cook for 10 mins or until sweet potato is tender and chicken is cooked through. Meanwhile, place the cranberries in a bowl and pour over enough cold water to cover. Set aside for 10 mins to soak. Drain.

Arrange the sweet potato, chicken and rocket on a serving platter. Sprinkle with the cranberries and pine nuts. Combine oil and vinegar in a small bowl. Drizzle over the salad to serve.
