## Club Run Sunday 6<sup>th</sup> October, 2019 Run to Toorbul by the Passage

My Apologies if I get this run report a little incorrect as I have just volunteered a week later to do the run report. I arrived at the Sundowner Motel to find a few members had already arrived, Peter and Toosje and Scotty and Aldona being there ahead of time. Then arrived Andy and Sally in Sallies new/old Jaguar Sovereign which Sally had already made some improvements too, such as Brakes. Its funny that Sally wasn't allowed to drive her new Jaguar on this run but had to do the Navigating. We were then joined by John, Martin, Ken and Barbara who had visited Subway, Peter and Gladys and new members Quinton and Maud. Then a fellow in a homemade car turned up to see what we were doing. He was quickly given a membership before he headed off to Airport. Alex had prepared the run even though he was not doing the run, thanks Alex.

Away we went through Caboolture on King Street, across the D'Aguiar Highway on Williams Road to the farming area of Moodlu and using a Maze of minor roads passed many Pineapple Farms, Strawberry Farms and Turf Farms ending up at Elimbah where 3 of our Group ended up on the Eastern side of Rail Line. I wasn't worried as they had local resident Martin with them so I wasn't too concerned. We headed on some familiar roads which are now favorite ways to see around the Glasshouse, Beerwah, Peachester and Landsborough areas. We climbed up Bald Knob with magic views Right down range to Peace Memorial Park Landsborough for Morning Tea. Eventually all turned up and we all enjoyed a well-deserved rest. As we were all heading for Lunch at Toorbul it was decided to hold the members draw at lunch. It was a straight forward run to Toorbul via Beerwah along Steve Irwin Way onto Bruce Highway and then Pumicestone Road straight to Toorbul. Alex could not have planned it better, vacant Shaded Tables and Toilets, tide coming in but too many trees blocking View. We had a pleasant long lunch and returned home around 2pm. I spotted a 1960 Ford Falcon Station wagon for sale at Toorbul. The sign said complete but looks like you had to assemble. Members Draw Jackpotted.

Thanks, Alex, for a great run sorry you were busy.

## Mid-Week Run

### CLYDESDALES & SHETLANDS @ Strathgordon

Weather was great and attendance was quite reasonable for a mid-month get together. 9 vehicles, 15 members and one visitor. A very pleasant drive to our destination, about 10 klms out of Woodford. Our hosts Marlene & Harry Churches were awaiting our arrival with tables, tablecloths and chairs all awaiting. As were the Clydesdales and Shetlands which we were allowed to feed. Harry gave an informative talk on the history of their set up and the animals themselves. After lunch we had the opportunity of photo shoots with "Sharon" the Clydesdale and "Tiny Tim" the Shetland. It was quite hot for them tethered out in the sun so we tried to make that as short as possible. Marlene then took us into their 'Museum' and shop and further went through the various memorabilia and history of their venture. They clearly love their animals and what they are achieving there. The green frogs also were quite friendly as they greeted us inside the 'outdoor' dunnies!

## PRESIDENT's Farewell November 2019 Issue

Would like to take this opportunity to thank members and outgoing committee for your support over the last two years. I'm stepping down to make way for a more energetic team with fresh ideas whom I am sure will take you on a very successful 2020 journey and on. For our members currently undergoing treatment and 'out of action', we wish you only the best outcomes and hope to see you up and about in the near future.

Put your requests in to our New committee for what you would like to do on Australia Day. We have a couple of options on the table - Ormiston School, Cleveland which is a 7am free breakfast start (run by Bayside Vehicles Restorer's Club. We could go down on the Saturday, check out a vehicle museum not far away (Garage 25 have lunch there), stay overnight at the Alexander Hills Hotel for a quick drive to Cleveland for their early breakie! If you don't want to stay overnight go direct to Cleveland very early Sunday morning. Or you may just like to pick a nice quiet park somewhere and do our own "thing" to enjoy a catch-up to start our 2020 year off. It's up to you the members to let your committee know your preference. Google Bayside Vehicle Restorer's Australia Day. For those who are unable to make our AGM or Christmas Lunch - we wish you the very best for the Christmas New Year break, stay safe and healthy.

If you find you are **now** able to make the AGM breakfast (Sunday 27<sup>th</sup> October) or our annual Christmas lunch (November 30<sup>th</sup>) it is not too late to let either me or Scotty know as we definitely need numbers in advance.

## Secretary's Scribbles for October 2019

This will be my final Secretary's Scribbles before we hold our AGM to elect a new team to take CHACC forward throughout 2020. We have had good replies from members willing to take up club positions and by the time this month's copy of the SCN arrives in your inbox you will have also received written details of names of club members prepared to accept the challenge going forward.

We will still have a couple of events to take part in before the end of our calendar year these being the final run of the year on November 3rd followed by our annual Christmas Party on 30th November. Please advise me either Yes, you will be attending or No, I will be an Apology to enable us to finalise numbers for catering.

We also will finalise the location for our Australia Day run, this information will be sent to you with the November SCN.

Thanks for an enjoyable and social year, look forward to catching up with you at the AGM

## To All Club Members

Warner Brothers are shooting a major feature film on the Gold Coast early next year The film is about Elvis, He loved his cars owning over 100 +. The films time line is from 1937 till 1997. We are needing a range of cars /Trucks /bikes from the years late 1920s till 1997, the vehicles should be as accurate as possible, wheels etc and American models LHD would be fantastic, RHD considered as well.

This movie is very much about the cars they sell the period. Vehicles whilst in our care are fully insured by Warner Brothers. Mostly the vehicles would be driven by the owners in period costume.

A generous hire fee will be paid.

This will be a great experience telling the story of Elvis. If any of your members are interested they could call or email photos to:

A large advertisement for 'TYRES GALORE &amp; MECHANICAL'. The main text reads 'TYRES GALORE' in a stylized font with a tire graphic, and 'CHEAP TYRES' in large white letters on an orange background. Below this, it says '&amp; MECHANICAL "YOUR 4WD SPECIALIST"', 'All Sizes Budget to Premium', 'Tel: 5497 8899', and 'www.tyresgalore.com.au'. At the bottom, it lists 'OPPOSITE BUNNINGS 291 Morayfield Rd' and features logos for Maxxis, Mudcraft, and Hankook. On the right side, a yellow box lists services: 'Steel / Alloy Wheels', 'Wheel Alignments', 'New / Used Tyres', 'Lift kits and Air/Con regas', 'Mechanical Servicing', and an illustration of a 4WD vehicle with 'TYRES GALORE' written on its side.

## Car Accidents 1900's

Melbourne's first known motor car road death was on the 24th of August 1905. A car driven by confectionery millionaire, and creator of the Freddo Frog and Cherry Ripe, Macpherson Robertson knocked down pedestrian Thomas Hall in Fitzroy. Thomas Hall, a 47 year old iron dress worker at Messrs J and T Muir's iron foundry, was hit by Robertson's vehicle while crossing the intersection of Nicholson and Gertrude Streets. He was picked up and driven to the hospital in Robertson's vehicle, a common occurrence during the early years of motoring, but was declared dead upon arrival. Sadly, he was a widower with four children.

## CHACC EVENTS & RUN DATES FOR 2019

*Any further queries, please phone Run Director Alex 0417247292*

Now members...as you are reading this list, it may have occurred to you that it is not taking up as much of the page as it did earlier in the year. The answer is "simples" - we do not have any runs organised for next year!! So, put your thinking caps on and think of somewhere you would like to go to (excluding Gentlemen's Clubs on Friday nights).

I'm sure you all get a little tired of the same old D'agular Highway and Steve Irwin Way destinations, so let's try and go somewhere different. Only non-negotiable is there must be toilets close by. Quaint little pubs are OK, and the other side of the river is acceptable. I will be asking for your input at the AGM, and probably harass youse all at the Xmas party so as 1<sup>st</sup> Baron Baden Powell so eloquently said "Be Prepared".

- 23<sup>rd</sup> Oct Wednesday      **BYO - Mid-Week/month. Organised by Kim & Carol.** Looking at "Kikfare Klassics" in Aspley. They are *Collectors & Restorers of Classic Cars* including, Jaguar, Daimler, Rolls Royce, Alvis, Austin Triumph, Sunbeam, MG, Lancia, Morris, Jensen.

- 30<sup>th</sup> Nov Saturday      **NOTE NEW DATE** confirmed for CHACC Christmas Lunch  
Get your act together and confirm your attendance - it will  
Another great event, Just like last year.

And don't forget to confirm your attendance at the AGM and the Xmas party - both are subsidised by the club to keep YOUR costs down!
