PRESIDENT's ANNUAL REPORT: AGM October 27th 2019

Good morning members and visitors – thank you all for attending.

Financially we have had another successful year and an extremely amazing result with “Sally’s Hat”.

Thank you to all the members who have generously ‘tossed’ in consistently. It is again up to YOU the members, to put your suggestions forward to the committee on how this plus CHACC’s equivalent should be donated. Bearing in mind we have already donated \$110 to GIVEIT and \$40 to Kumbartcho Sanctuary and Nursery. Sadly a few long term members have passed away this year and yet a few more are unable to attend today through illness. Our financial members are down as are our active members. Let’s hope this new vibrant committee can get things back on a positive note for the Club.

Thank you to all members who contributed to our diversified runs this year. I think the most “eventful” was Scotty & Aldona’s run to the ‘Graveyard’ Maleny. Bad weather hampered our trek up and down the mountain to reach our lunch destination here. Amazingly only 2 member’s didn’t make it back for lunch. The staff here were amazing and waited past their knock off time for all the stragglers.

Best wishes to our incoming committee and revitalised executive. I hope you give them all your support as you have done in the past.

PS: I think, Scotty has set a record on number of committee meetings carried out in his first reign as Secretary!

Presidents Prattle for SCN Dec/Jan 2019

Thank you for putting faith in me as a new member of the Club to be appointed as the President. Some would call me a sucker and say I was crazy, however here I am.

Going forward into next year maybe the Club Members can come up with some new ideas for runs and bring in new members. We will be updating the Website this year and will be continuing our face book page and the impromptu run group.

Some Ideas to be considered:

- Members not able to come to runs can give us some feedback as to how their restorations are proceeding.
- Let us know what owning a vehicle of the classic variety means to you.
- Some of us can visit those unable to attend and on our runs stop so they can view other members vehicles.
- Different destinations, weekends away, meetings with other clubs, southside runs and social activities.
- Bring a friend day with a classic car or just an interest in the classic variety.

All ideas are welcome and will be seriously considered. Any photos and insights can be e-mailed to secretary@chacc.com

Hope to see you soon “Driving in the past lane”

Secretary's Scribbles November 2019

December/January SCN is our final issue for the 2019 CHACC year and it is of course the first issue and introduction to CHACC year 2020. November 30th is our final get together for 2019 and as I'm writing this plans are well advanced for another bumper event. It's not too late for you to still be a part of our end of year fun.

The new committee had a brief meeting after the AGM and new president Aldona is looking forward to carrying forward the great work that the previous committee successfully completed during CHACC year 2019. Our first official outing for the year will be the Australia Day run, your committee will be meeting in the near future to prepare details for this event and for other club happenings as the year unfolds.

We had a fantastic drive on Nov 3rd which saw us settling into a picnic area in the Mt Mee national park. Run Director Alex once again took up the challenge of pulling a run out of the hat with only a few days' notice and came up with a gem, even down to having entertainment put on by some local wild life.

Have a safe and enjoyable festive season.

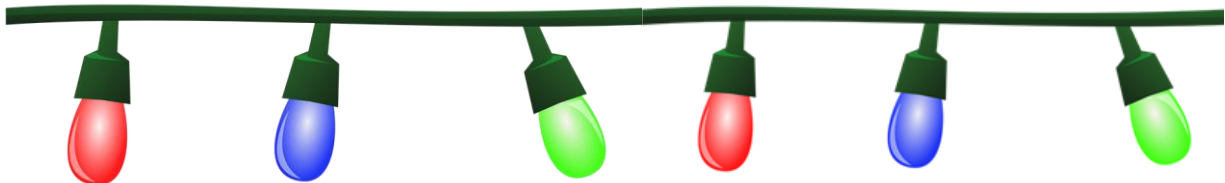

Secretary's scribbles signing off until 2020.

WEDNESDAY 23rd October 2019 Mid-Week Run KIRKFARE KLASSICS Aspley

Unfortunately only 11 members and 7 vehicles. No morning tea stop as we needed to be at our destination by 11am. After enlightened by a traffic jam on the M1 by Scotty who turned on his 'App' and revealed congestion we headed off hoping it would be cleared by the time we arrived. Thankfully it was. We all arrived at Kirkfare Klassics, difficulty parking on side of the road but moving a couple of roadside bins we all managed to get spots. We were welcomed by Jackson, the grandson of owner Colin and entered the first showroom, with climate control & filtered, positive air pressure systems engineered into the building. This keeps dust & contaminants to an absolute minimum and means that none of the cars needs to be hidden under a cover. Jackson supplied coffee and biccies to those who wished to participate. Then ventured on a speel on each and every vehicle in this showroom which I think the latest was 1960. My favourite was the 1947 Riley. I am guessing about 20 odd vehicles in this showroom. Second showroom was up the stairs to approximately another 20 odd immaculate vehicles from 1960 through to (I dunno). Jackson continued with his history on all vehicles. Stan Vallance would have loved the reconditioned Stag! Leo Nunnink would have been over the moon with the Vander Plus. Third showroom was more Sports and fast vehicles but also another 20 odd to ogle over. Jackson's dog was facinated by Hai and they bonded in all showrooms. Until he peed and disgraced himself. The collection began with the purchase of the 1964 Jaguar S-Type Sedan back in 1982. Over many years the collection has been added to significantly and continues to grow including the oldest, a 1940 SS Saloon (later renamed Jaguar) and one of only 6 in the world. The collection has a strong focus on British vehicles, from the post-World War 2 period, through to modern machinery, but also interesting vehicles from other parts of the world feature.

I think our \$110 (\$10 per head) donation to GIVIT was well spent. (Kirkfare do not take anything from the door entry fee – it all goes to GIVIT). The boys certainly enjoyed themselves and would you believe Scotty (why are we surprised) knows the owner and has had a couple of beers with him)!!

If you would like to view some of the magnificent vehicles on display - go to www.kirkfareklassics.com.au

Club Run Sunday 3rd November 2019 Mt Mee

The “Beatles” (namely Lennon & McCartney) once wrote a lovely ballad called “The Long & Winding Road” which was said to have a number of somewhat romantic interpretations. This report has nothing to do with that, although... it could well have been the title of our Run Director’s (??) latest folly into the realm of our Sunday run destinations! He should have called it “A Beatles song to Mt Mee” ‘cos that’s what it was, a long and winding road to our lunch stop at the D’agular National Park – but I digress. The morning dawned bright and sunny with the usual suspects congregated at the Sundowner awaiting the arrival of a few stragglers. David Alsbury says he would’ve been there earlier, but he stopped to sell his MG B to some poor unsuspecting passer-by...a likely story. Our new President was in attendance – this club is turning into a mini “Peyton Place” (Google it if you’re too young to remember it) with our Secretary openly (and unashamedly) sleeping with the President...what’s next you may well ask? Anyway, after Jenny & Stan arrived – despite Stan’s health issues (a real trouper) we decided to depart on the first leg of the journey to Sweeny Reserve in Petrie, which our idiot Run Director had said was in Narangba!! Goodness knows how many members are still driving around that suburb looking for “Sweeny’s Reserve” and the poor souls are probably still searching! Anyway, for a pleasant change, the instructions were clear and precise, and took us along some interesting roads with little or no traffic to our morning tea stop at the aforementioned Reserve. Parking was plentiful, and we found a nice spot to set up our chairs and have a good old chin-wag. Quintin had baked some cheese puffs/buns which were delicious, and as he offered them around we congratulated Maud who told us it was in fact Quintin who had prepared them – this man has hidden talents, but more about that later. Peter and Gladys Rohan joined the throng and Toosje took the opportunity to pass around “Sally’s Hat” before Jenny accosted us with the raffle while our hands were still in our pockets. So after consuming our varied victuals, we set off on the “Beatles” odyssey with an enjoyable run to Dayboro, then up Mt Mee where I slotted in behind some slower cars, admiring the spectacular views over the range. Definitely worth a drive up there for the scenery alone. Anyhow, after the slower cars turned off I found myself a little way behind Quintin in his Suzuki SUV who was motoring along rather sedately – or so I thought, until we came upon a nice smooth section just before the turnoff. He took off like a scalded cat, and it took all my skill and the reputation of solid British motor vehicles to catch up to him – as I alluded to earlier... he has hidden (speedy Gonzalez) talents. We found a nice spot with toilets under some trees in the park, only problem was a kookaburra with a voracious appetite for Subway rolls, almost taking one from Barbara. Thankfully this alerted all of us to be careful with our sandwiches, and we avoided any other airborne thievery. All in all a reasonable run, nice meal stops and as always...great company.

Car Accidents 1900's

Between 1913 and 2017, the number of motor-vehicle deaths in the United States, which includes passenger cars, trucks, buses, and motorcycles increased 858%, from 4,200 deaths in 1913 to 40,231 in 2017. In 1913, there were about 1.3 million vehicles and 2 million drivers. The latest 2017 data reports 273 million vehicles, 225 million licensed drivers. Motor-vehicle safety has vastly improved since the early 1900s. Driver attitudes and behaviour have changed substantially, as has vehicle safety technology.

Recipe White Christmas

375 g white chocolate melts
1/2 cup cream
1 cup mixed dried fruit
1 cup Rice Bubbles
1 cup coconut
1/2 cup milk powder
1/4 cup glace cherries halved optional

Place the chocolate in a heatproof bowl over a pot of simmering water. Do not let the base of the bowl touch the water.

In a small pot boil the cream.

Mix the dried mixed fruit, Rice Bubbles, coconut and milk powder into the melted white chocolate. Stir in the cream and cherries and mix together carefully until well combined.

Press into a prepared tin and allow to set at room temperature for about an hour.

Cut into small squares with a knife dipped in boiling water
