PRESIDENTS PRATTLE JULY 2020

I'm just sitting at the computer and wondering what I'm going to prattle on about this month. Glass of bubbles on the desk and my mate out with the boys for the night. We had a great run up the mountain this week to Rick's Garage in Palmwoods and filled our bellies with way too much food. The burgers were ginormous and good value for the money. A great spot to while away some time looking at the hot rods, bikes and classics parked on the street. I've never seen so much hand sanitiser in one place and when I put it on my hands, I'm sure the alcohol went straight to my head, it smelt like Gin. We do have so much fun on our runs especially when we deviate from the instructions and a regroup down the track is required. The mate ship and conversation interesting, someone always has a tale to tell. David told us about cooking in his new abode while having a tippie at the same time and burning the dinner not just once but twice on the same night. There is a moral to this tale somewhere.

Scotty and I will be doing a fair bit of travelling next year so President and Secretary Positions will be up for grabs at the next AGM. Scotty will be distributing the nomination forms for Committee Members shortly. Don't be shy, put your hand up and take on a role to help this club stay on its feet. Just a reminder that membership fees will be due for payment by the end of August so start saving those pennies.

Let's hope that the dreaded bug stays out of our state. Take care.

Aldona

Secretary's Scribbles July 2020

Club runs are happening again, we've completed two already with good numbers attending. Hasn't it been great to catch up and have a face to face conversation? So much has been happening during the months since our last club outings, you could feel the excitement in the air as we assembled at the Sundowner. On our Wednesday run Alex took us to the Sandgate Lagoon then for our Sunday trip Carol & Kim took us to Deepwater Bend via a morning tea stop at McGavin View Park. This run was our annual Memorial Run and Carol gave out little mini hessian bags filled with rosemary that could be scattered into the river in memory of past members who are no longer with us.

As I write this I'm hoping that we don't have restrictions reapplied due to further infections happening. Looking at our Events and Run Dates for the rest of the year you will see that our AGM is scheduled for Sunday 25th October. That might sound like a long way off but realise there's only 3 more weekend runs between now and then so it's time to put on the thinking caps and stir the grey matter as nominations for position can never be placed too early, in fact the earlier the better as prospective new candidates can then have some time to consider their new position helping to ensure a seamless changeover. In line with the CHACC Constitution and By-Laws nomination must be received by the Secretary at least 14 days prior to the AGM. That means written and signed forms to be completed and submitted by 11th October. Copy of our Nomination form will be sent out soon. At the Sunday 5th July club run Andy addressed the meeting with a suggestion for a future weekend away run where the overnight stay would be on a Sunday night with the return run commencing on the Monday morning. Andy's proposal for this is also with this issue of your SCN, please read and offer your thought at our next General Meeting scheduled for 2nd August.

Some Details for August 2nd Run – Organized by Don & Phyllis Streeton.

This run has been organized in memory of Pam McPherson who was a great friend of many in the club.

- As mentioned in the “Run Dates” our destination is Springwood Park Boardwalk. Run sheets will be distributed at the Sundowner as usual
 - Because of the popularity of this place it is suggested by the organizers that we also make this our “morning tea stop” because if we do not get there a little early parking will be difficult.
 - So, **bring your morning tea and chairs**. There is a Café very close by where you can purchase a coffee etc. **Lunch will be provided**.
 - Lunch will be a “Sausage Sizzle” provided by Phyllis & Don with help from Mal & Lena McLeod. There will be some salads and sandwiches with their compliments also, so **you need to bring your own plates and utensils**. (But only if you want to eat!!)
 - There will also be a cake as Pam used to love a piece of cake too!

SUNDAY 5th JULY 2020 MEMORIAL Run

Very nippy start to the day but 18 members joined us at the Sundowner for the start of the run. We headed off for a scenic one hours drive to McGavin View Park where parking was plentiful. We enjoyed the Sun for our Smoko!

Another 25 minutes and we arrived at Deepwater Bend Reserve where Jenny, Stan and Steve had monopolised a Rotunda for us and were waiting there. Another 5 members turned up eventually. Parking was a disaster which necessitated 70% of member’s parking illegally onto one side of the one-way road. Total of 26 members and 2 visitors – a great improvement on last year’s Memorial Run.

Again, the sun was kind to us and majority preferred to sit out in the sun. After our quiz which totalled 3 correct answers out of 18 and decided upon with a couple of tie-breaker questions – Sally took out the Memorial Trophy with Peter Davis as runner-up. I did hear a whisper afterwards that one other member also got 3 out of 18 but didn’t admit to it as he didn’t like the look of the trophy. Neils & Aileen handed over the 2019 Perpetual Trophy but missing our photographer we neglected to get a photo. Aldona then announced if any members would like to make their way over to throw their provided Rosemary twigs into the South Pine River (in memory of past members), now was the time. A few were too busy talking and did their Rosemary after the Raffle & Goose Club were drawn. Thank you to all members who attended and for generously donating to ‘Sally’s Hat’ and the Raffle.

Mid Week Run 15th July to Rick's Café/Garage

Organised by Peter & Toosje Davis.

Well, what a turn up for the books – your correspondent had spent a freezing day on Tuesday washing the old Ford Ute in anticipation of it being a cold and rather miserable day, unfit for man or beast in an MG sans ragtop. However the day began bright, sunny and warm, Hello topless MG! I suspect it has something to do with Sally Byrne turning up, but others may have a more logical meteorological explanation (but I doubt it). Anyway, it was good to see Barry Smith rolling up in his MX5 which is actually the grandchild of the MGB, and David Alsbury brought along friend (who would have think it?) John Westerhaus – reliable as usual, or is he just lulling us into a false sense of security?

Peter and Toosje had organized a great run to Rick's Garage, a very popular spot among the classic car and motorbike set, showcasing a great variety of burgers. With run sheets distributed, and confirmation that parking had been reserved for the club at the venue, 16 brave and hearty souls departed with David busying himself taking photographs of the convoy as it left.

The run itself was (almost) quite straight forward leading us up Steve Irwin Way, through Landsborough and Maleney then up the range through Mt Mellum and Bald Knob with some great scenery and breathtaking views, unfortunately denied to the drivers who were too busy watching the road!

Continuing on through Balmoral Ridge, we headed towards Montville, again through some enchanting countryside, and towards the only hiccup in the run, the missed turn up Razorback Rd to Palmwoods. After a bit of u-turning and 3-point-turning we found the right road and eventually descended onto Rick's Garage at Palmwoods.

We were suitably welcomed, and ushered into the coveted (reserved) spots right out front, which was a bit challenging for those of us whose reversing skills were a little rusty, and Peter and his Mustang with a dodgy handbrake which eventually rolled gently into the stone kerb!

All the COVID 19 panic had us all registering and sterilizing before making our sterile way to the tables Peter & Toosje had reserved for us. Social distancing was enforced as we ordered our meals, but after all the palaver was over, we then threw the rules away as we had to squeeze shoulder to shoulder to fit on the 2 tables allocated!

Not to worry, it was a beautiful day, a very pleasant run, and the seating arrangements meant we were all sitting close together with our friends – what more could you ask for? The meals were great – and plentiful, there was much merriment and a good time was had by all.

Thanks to Toosje & Peter for a very enjoyable day.

YOUR HELP IS REQUIRED

At the last club run on Sunday the 5th July a General meeting was held prior to starting the run I was asked to talk about a proposal that I had put forward to the committee about putting an ANNUAL overnight event into the run calendar to look to give some variety into the annual RUN calendar, with the thought that this run would try “hopefully” to suit the majority of all the members, to enjoy and get participation!.

I briefly discussed this and it was proposed that the thoughts that I had would be put forward in the SCN for members to think about and come back to the committee members to advise them of how you thought of this idea of a run like this & would you participate IF you were able to.

This run would be held in 2 parts .1 – start as a normal Sunday run as usual to finish as normal, BUT PART 2 would be to continue on to a destination for the night ... PLEASE read the suggestion that I put forward to see what the RUN could be!. **YOUR HELP IN GIVING THIS CONSIDERATION AND LETTING THE RUN DIRECTOR – COMMITTEE KNOW WOULD BE APPRECIATED, ANDY.**
