RALLY Roundup

Saturday August 1st - Cartmill Riding School for the Disabled (Burpengary). We had 12 vehicles and 14 members turn up and were joined by the Ulysses Motorbikers, who proved more popular than our cars on the day. However I think the award for the most trips amongst our members would have to go to Richard Jefferay in his Country Buggy. We were wondering if he and Shirley would get home on the remainder of the fuel if they did any more rides.

Lindsay Bell in his 1923 Model

T Ford also proved popular and Geoff's 1923 Hupmobile, also did some trips. I think the member who used the most fuel though would have been

Hudson - but that was just in getting to the venue. He wasn't sure where it was so he travelled to the end of Caboolture River Road (without success), before going to the Caboolture Police Station and asking directions. Needless to say he was about an hour late, but still smiling. The event could have been better organized, however considering all the helpers and management committee are volunteers, it didn't turn out too bad. Thanks to all members who gave up their Saturday morning. Maybe next year we could assist them in co-ordinating their "Horse's Birthday" celebrations.

Sunday August 2nd - Caboolture Airfield Open Day for Caboolture Warplanes Museum. Great turn-out. 27 members, 1 child and 24 vehicles. Great to see relatively new members, Eldon & Joyce Till on their first CHACC outing. After being told a few days prior to the event that we would need to pay \$5 entry for vehicle passengers, we some-how managed to get in free (except for Gloria & Stan, who were in their modern vehicle) - so that was a bonus for us. We managed to fit in a quick committee meeting prior to our rally

meeting which we held after lunch. The only mishap was Jan coming face to face with the ground, grazing her elbow by going over on her ankle. Initially the

event's first-aid tent was un-occupied but eventually she managed to receive some attention. We since have acquired some alcohol wipes and Betadine wipes in CHACC's First Aid kit.

Sunday 16th August Caprice - Qld Auto Museum @ Hampton. Only 11 vehicles, 21 adults and 1 child, fantastic weather and a great drive. We welcomed visitor Bob Brag & John in their stately 1947 Dodge sedan and good to see Pat & Lew Vincent back from their extended north Qld sojourn. The drive from Esk to Hampton over the mountain range was spoilt by the worst display of "safe" driving and irresponsible road manners any of us have witnessed by the Mitsubishi Lancer Car club members. If they arrived all in one piece at their Toowoomba destination it would have to be by 'good luck' and not responsible driving. Maybe a run in with the HOON Squad and their vehicle crushing machines would improve their road manners. Fortunately we all did arrive safely at "Caprice" and were welcomed by Kerry

& Roy, our hosts. Huge infrastructure in place and heaps of vehicles and memorabilia to be seen. To those who left early, you missed out on the "Workshop" - which wasn't a workshop at all, but full of old cars awaiting restoration.

FROM THE SECRETARY'S DESK

What a busy month August has been. With the three runs already gone and over \$1300 worth of memberships and renewals to be processed, is it any wonder I am responsible for your September SCN being late. My contributions to the Editor were at least 5 days past the deadline date - so my apologies Widge and members. *(Ed. Note: after my 60th birthday shenanigans, I was quite grateful for the extra time!)*

Follow-up to our latest donation of \$250 to Jacky Brown, registered nurse with Queensland Health, CHACC received a thank you note from her with receipt and a pledge to keep us informed of her experiences in Peru. If any members would like to individually contribute towards her \$3,500 program fee and \$2,000 in airfares you can go to <http://www.crossculturalsolutions.org/> then click on: Sponsor a Volunteer (top right corner) this brings you to the next page. Click on: Sponsor a Volunteer (left hand side of the page). Click on: For sponsoring Online Click on: Find your volunteer now Enter: Brown, hit the search button and go to page 2. Click on Jacqueline Ann and proceed with your donation. All donations are tax deductible and a receipt will be issued.

I am forwarding our updated Constitution to new members and those who are renewing for the 2010 year only.

It's that time of year again when we appeal to members for donations for our monthly raffle. Stocks are getting depleted and next SCN we will thank those of you who have already generously donated raffle prizes this year.

As an attachment to this SCN we will be forwarding members Nomination forms for our AGM to be held on the 1st November. Please consider getting yourself on the committee. You know what they say "a change is as good as a holiday". Nomination forms need to be back to CHACC's PO Box 514 Caboolture, 4510 by the 18th October 09.

I am sure all CHACC members will join me in wishing Roy Houston who is currently in Greenslopes hospital, a speedy recovery. Our thoughts and best wishes go to you Roy and Moya.

Sincere condolences are extended to Don & Phil Streeton on the sudden loss of their son, Rob & Jan Blake on the death of Rob's mum, and Mal & Lyndy Melville on the loss of their Uncle.

.....Carol

Happy Birthday to Neville Mole and Lyndy Melville

Subject: RE: Your Volunteer Sponsorship Request

Dear Carol

Thankyou so much for one considering my request for sponsorship and two for donating \$250 towards my volunteering program. I can assure you that the money you have offered will be of great assistance and used towards my travel and program fees within Peru.

I am very excited about my rapidly approaching volunteer program(only 18 days to go) and would be more than happy to share my experiences with you and the club on my return. I have planned to keep a journal of all my experiences and intend on writing an article or two about everything that I encounter whilst I am away. I would love to supply you with these so that you may share my trials and tribulations and thanks with everyone.

I wish to Thankyou wholeheartedly for your support and look forward to sharing all of my experiences with you and your club on my return.

With Gratitude and Many Thanks
Warm Regards
Jacky Brown

- **Sunday 20th Sept** - "All British Day" at Tennyson. Peter will contact the organiser and get more info for the Sept SCN.

General Business:

- Alex Gallacher presented the committee with a request for a donation from Jackie Brown, local nurse in the Caboolture district for over 22 years who is embarking as an International Volunteer with Cross Cultural Solutions Organisation to Peru in South America, as a volunteer nurse. As this trip needs to be self funded by her, she is seeking sponsorship from locals. Geoff pointed out we had just discussed donations at our committee meeting, and suggested it should be recommended at our forthcoming AGM that a procedure be put in place for allocation of CHACC funds to charity and other worthwhile causes. We have already allocated our Sergeant of Arms proceeds to Prostate Cancer this year and donated \$1,000 to the Leukemia Foundation. Peter Rohan moved a motion that CHACC donate \$250 dollars towards Jackie's trip, seconded Carol. All members in favour. Widge recommended we get feed-back from Jackie re her experiences over there, on her return.
- Shirley Jefferay said they had an enjoyable day at the Disabled Riding School yesterday and thought CHACC should put them on our "Wish" list for a donation next year, as they are a very worthwhile cause.
- Reminder 2009/2010 membership renewals will be due as at 31st August '09 - renewal form will again be included in the September SCN. If you know you are going to be away in September, please forward via mail.
- Robyn made the happy announcement that Gloria Groves and Stan Cantrell are ENGAGED! Congratulations to the obviously happy couple.
- This prompted Gloria to take up her Sergeant of Arms duty and she proceeded to fine Rob Blake and Peter Rohan for "sloppy" parking at the Sundowner this morning.
- **Raffle Results:** Thank you Alf & Jenny for collecting \$80 from members for today's raffle. 1st Prize of a hand-crocheted rug (donated by Gloria Harmsworth) went to Wendy Dooley. 2nd Prize of Shoulder/Neck rests (donated by Wendy Dooley) went to Gloria Harmsworth. How's that for a unique twist of fate! Congratulations to the winners and thanks to the members.

Meeting closed at 1.10pm

CHACC CHATTER The Greys

Cynthia, Douglas and six years old Lochlan Grey have been club members for nearly three years. They are Clayton's car club members, not having a vehicle of their own. They usually drive one of Dad's (Sandra & Jim Croft) fleet and fortunately have never had a drama in any of the cars.

Cynthia: Laughingly describes herself as 'slave labour' and admits she does do a lot of work around the home. Cynthia says she is a bit of a 'clean freak' whereas Doug classifies himself as a 'slob'. She also helps out at Lochlan's school, doing anything and everything such as helping children with their reading. She loves "mum's cooking" and the family go over there once a week for a feed.

Douglas: Is an electrician. He started as an apprentice straight from school. Doug has been with G James Glass & Aluminium for four years and as he says, "It pays the bills!" He loves curries and would love to retire. If they had a big Lotto win they'd go for a trip – at least six month's holiday – and 1st class all the way, possibly to Europe.

Lochlan: Lochlan is in 1H at school. His favourite food is calamari. Lochlan gets quite chatty once he gets to know you and I learned all about saving a snail.....
