APRIL 2010

CHACC's Mobile # 0427876271
Editor's Mobile # 0404086290

OUR AIMS

To bring together persons with a common interest to encourage the use, maintenance and preservation of motor vehicles of classic and historic classification without prejudice to make, model, method of manufacture or country of origin. As well as vehicles of special interest, this may, from time to time, be determined by the committee.

UPCOMING EVENTS:

Change of our April run from Easter weekend to the following Sunday – the 11th April. Don't miss it!

If the SCN seems a little different (and it certainly is late!), it's because the Editor has been flat out and kept losing the formatted version. To all those people who wonder what happened to the sequencing of the magazine, it got lost in 2010. Don't worry about the small stuff, just worry about your vehicles!

WISHING EVERYONE A SAFE AND HAPPY EASTER

MARCH RALLY ROUNDUP

Sunday March 7th - Fort Lytton. A disappointing turnout, 8 vehicles, 15 members and 3 children. Along with the numerous phone apologies, Peter Rohan came down to the Sundowner to see us off and render his apologies, as did Huddy and Gloria & Stan came down to farewell those members who had turned up as they were heading off on their trans state caravan trek.

On the run - Graeham & Jan Beatson (1968 Holden Premier); Richard & Shirley Jefferay (1968 VW Country Buggy); Melva & Arthur Henderson (1970 Valiant); Lindsay & Valmay Bell (Citreon); Garry & Andrea Hutchinson & sons Jack & Terry (Modern); Wesley Hopkins & son Darcy (1976 Valiant Sdn); Kim & Carol Bowers (1954 Mercedes).

We were lucky weather-wise and had a very enjoyable run and informative tour of the Fort by our guide. As numbers were minimal, CHACC paid the entrance fee for members and children. Congratulations to Andrea & Garry Hutchinson (& sons Jack & Terry) and Valmay & Lindsay Bell who were the only members to complete the questionnaire which Peter Rohan had prepared. They both took out prizes. Special welcome to brand new member, Wes Hopkins and son Darcy who turned up in their 1976 Valiant Ranger Sedan. And a Sergeant of Arms fine to our "Tail-End Charlie" for breaking down and arriving three quarter of an hour late. Thank you Peter Rohan for coming to Kim's aid at the north-bound BP, where we had pulled in on our way home to get our 'modern' as our brakes had totally gone!

Raffle: THANK YOU to Gloria Groves for your contributions to our Raffle Booty!

Richard Jefferay with new member Wes Hopkins, son Darcy and their Valiant

Wednesday, March 17th – Woody Point. Only 6 vehicles, 11 members, plus Champas! We had decided to do Peter's alternate back-up run as the Turf Farm was a late cancel until April, due to his old vehicles not being available.

Great day thank you Peter and great to see Gladys back on her feet again. Couple of fines by our Sergeant of Arms - Les, without a name tag, Andy & Sally for having to call out the RACQ and paying a record price for a new battery, and Greg for not reading his newsletter and arriving at the Sundowner at 8am instead of 9.30am!

On the run - Les Arnold & Champas
(1934 Morris Cowley);

Peter & Gladys Rohan (1965 Morris 1100); Andy & Sally Byrne (1977 Triumph Sedan); Arthur & Noelene Hinsby (1965 Ford Falcon XP); Greg & Robyn Atkinson (1977 BMW Coupe); Kim & Carol Bowers (1954 Mercedes).

Raffle: Many thanks to Neil & Trish Hamilton and Andy & Sally Byrne for your raffle contributions.

NOTE from the Secretary:

We have had another late membership renewal, and one new joint membership with a potential new member being sent an application form.

Please welcome John & Remy Hudson - 1962 Jaguar MK2 Sedan.

Do hope you have noted **the change of our April run** from Easter weekend to the following **Sunday - the 11th April**. This was at the request of Andy & Sally Byrne who, having organized this run and put quite a bit of effort into it, didn't want poor attendances due to family commitments over the Easter long weekend. Those on the committee who responded were all in agreeance to changing it to the following weekend. Therefore hope to see as many of our members as can make it on the 11th. Someone however will go to the Sundowner on the 4th April, just in case members haven't read their SCN correctly. Hey Greg!! In which case there will be a huge Sergeant of Arms fine!

Our good intentions for Anzac Day have been unrewarded by incompetent bureaucracy. More than several attempts at trying to organize this with the Caboolture RSL and Greg had the same response with the Kallangur RSL branch, have left us shaking our heads in despair. So to those members who had previously acknowledged their willingness to support the diggers on this day - thankyou, but we won't be furthering any more negotiations on behalf of CHACC.

Have received a request from the **North Lakes Retirement Resort** to join them as their guests on their forthcoming Market Day - **Saturday 1st May 2010**. Even though this is one day prior to our scheduled May run on the 2nd May, thought we may be able to get half a dozen cars or more to attend. The idea of our members and cars visiting the residents has caused a great deal of excitement and enthusiasm. They have ample parking near their Clubhouse. This is the first year they have invited visitors and they are looking forward to us displaying our vehicles and meeting the residents. The day starts at 8.30am and they have a sausage sizzle for early lunch. Would any interested CHACC members please contact Kim (0427876271 or 54954683) and advise your ability to attend so we can confirm with the Village of possible numbers. Maybe some of our old 'codgers' and 'sheilas' could give some of these elderly residents a ride around the block! Their invitation states they are a pretty lively bunch and are looking forward to meeting some of our members and their old vehicles.

RACQ Motorfest - Eagle Farm Racecourse, Lancaster Road, Ascot **Sunday July 11th**. CHACC would again like to sponsor members to this day IF we get 10 members confirming their attendance by April 11th and paying their \$10. If they turn up on the day, you will get your \$10 back. If we don't get 10 members' names and dollars by April 11th, we can then advise the others to book in themselves, giving them time still to get the early-bird discount price prior to May 7th. Please phone Peter Rohan on 54286025 to confirm & organise payment.

FORT LYTTON NATIONAL PARK.....7/3/10

Firstly a BIG thank you to Peter Rohan for organising this month's run. What a beaut day, we thoroughly enjoyed it. The volunteers at The Fort were both welcoming and informative - they certainly enjoy what they do. An excellent venue and well worth a return trip.

What a shame, with the size of our Club, that more members didn't come along. There were some phoned apologies, but six cars to start off and only eight in total was a bit of a let down. An awful lot of prep work goes into organising these Sunday outings and plenty of Clubs don't go to such lengths each month. Peter would have made numerous phone calls, run sheet and a trip to site etc so members could enjoy a day out and with Gladys crook, I would like to sincerely thank him for his efforts for a job well done. Those that did go seemed to have a great day. Peter couldn't even stay, so THANKS PETER from all there.

2.

**ADULTS' CHRISTMAS PARTY DINNER 4/12/10
HAVE YOUR SAY.....OR DON'T GRUMBLE!!!!!!**

Looking for suggestions for this year's venue. I am already checking out a few, so will advise the out come of next meeting. I will check out the Bowls/ Sports Club at Caboolture because although we have been there before, we know we can get a room to ourselves. Therefore the noise issue is resolved, the food is good and there is plenty of parking. So before it is set in concrete, give me a call if you can think of anywhere else. The only criteria really is not too noisy an area with other diners. Of course cost, as long as we are NOT being charged for the room as an extra!!

So thinking caps on people, call me on 3293 2164.

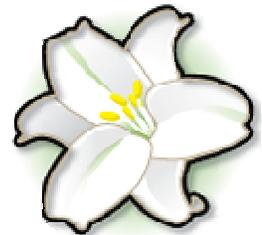

Thanks Shir!

The white lily, the symbol of the resurrection, is the special Easter flower.

Easter

The name Easter comes from Eostre, an ancient Anglo-Saxon goddess, originally of the dawn. In pagan times an annual spring festival was held in her honour.

SOME EGG FACTS.....

The Vervain hummingbird lays the smallest egg, about ten millimetres long. The ostrich lays the biggest egg, up to almost 2 kilograms.

A yolk makes up 31% of an egg's total weight and is made up of 51% water, 16% protein, 30.5% fat and some minerals. 75% of the egg is water.

An egg will age more in one day at room temperature than in one week kept in the fridge.

Australians eat more than 3.5 billion eggs a year or 170 per person but egg consumption is highest in Japan, Mexico, Spain and France.
