President's Report

It was gratifying to see the number of members and visitors that attended the run to the Taromeo Tractor Museum on 11 April. Again thanks to Andy and Sally Byrne for their efforts in organising a very enjoyable and successful day. Les Arnold's run of bad luck continues. The Morris Cowley got halfway to Kilcoy before that familiar knock in the engine reappeared. Eng of the trip for the old girl and home on the back of the RACQ tow truck, one and a half hours later. Les wishes to thank the members who stopped to offer assistance and has advised that No. 2 Bearing collapsed. The saga continues.

The new CHACC car stickers have arrived but will only be handed out on the car runs, one per member. Additional stickers can be purchased for \$2 each. Thanks to Carol and Kim for sourcing and purchasing the stickers.

There are two runs coming up on the May long weekend. On 1 May we have been invited to the North lakes Retirement Resort as Guests for their annual market day. On 2 May we are heading to the Crown Hotel at Dayboro for a counter lunch. The choice of lunch will be limited to two items to make it easier for the catering staff at the hotel. The cost to members will be \$6 per head. The club will subsidise an equal amount. Hope to see lots of members at both events.

Happy and safe motoring.

RALLY ROUNDUP APRIL 2010

Sunday April 11th - Taromeo Private Museum. Thankyou Andy & Sally Byrne for a great run and interesting destination. Our hosts Liz & Ralph Tennant were more than accommodating and CHACC have sent them off a letter of thanks and a Certificate of Appreciation.

We had 25 vehicles, 44 members, 3 children and 2 visitors.

Unfortunately Les & Widge & Champers had to be towed home about 6 klms out of Woodford, at Sandy Creek. The Morris Cowley engine once again giving Les an expensive headache.

A nice morning tea stop at the little town of Moore (only about 20kms from our destination).

Smoko at Moore with Alf, Jenny, Graham & Jan

We thought we had another tow-job on our hands when Garry Wills' HQ Ute refused to start. About 5 blokes heads under the bonnet and bums in the air didn't seem to be working (actually I think they were talking about the weather). Finally, some action was taken and he was able to join us at North Benarkin.

On arriving at the Taromeo Museum we were invited to view their vehicles and machinery before we organised our BBQ lunch. All immaculately polished, amongst the highlights, an M.G.T.C., an MGB: a Morris Cooper S, a MG.B, tractors, several John Deeres, Fergies, Seagull outboard, our own Victa outboard (lawn mower relative) and down the back shed a rare Honda E type 'look-a-like'. There was also a Triumph in there somewhere!

Some of the members' vehicles at Taromeo

Then it was time to get lunch organised as Geoff had to leave early to start work. Kim and Max set about cooking the sausages and steak, and trying their hardest to burn the shed down. The ladies all assisted in buttering the rolls & bread and organising the salads. Special thanks to Lyndy Melville for her assistance,

considering she and Mal didn't even eat our BBQ (they brought their own). Also,

Jenny & Sandra and anyone else I have forgotten. Just as majority were enjoying their lunch we had a heavy rain storm which sent everyone skeltering for shelter.

Geoff Kruger's son Jack, behind the wheel of a Triumph, watched by sister Jessica

During all this, Andy & Sally managed to announce the answers to their on-road quiz and the winners were..... "Booby" prize to Arthur & Noelene Hinsbey, 2nd prize to Graham & Jan Beatson and the winner, busily was Kim We that or so a storm home over for

cooking steaks believe those left half an hour before us copped terrific rain on their way and had to pull awhile until it subsided - thank

goodness we stayed to the end as we only had one windscreen wiper working (sort of), but had no need to use it on our return home. Once again, many thanks to Sally & Andy for a great run and your generous prizes.

Raffle My apologies, the Secretary was busy cooking BBQ and his assistant was busy writing out a receipt for a shirt, but have no idea who won the 3 prizes for CHACC's raffle. Do know however that thanks to Alf & Jenny we managed to raise \$151.85 for our first raffle for 2010!! Well done members, THANKYOU.

Sergeant of Arms fines were received from Garry Wills (for breaking down @ Moore), Elaine Gallacher (for turning up at the Sundowner "out of CHACC uniform" i.e., wearing Essendon scarf & beanie) and Carol (for swearing). Les was in no mood to contribute but will get him next time!

Wednesday April 14th - Elimbah.

What a great turn-out for a mid-month run. 17 members and 10 vehicles and we got to view Pam's "U Beaut Ute", what a credit it is to her and other Club members. Pam has been invited to display her Ute at the Urban Country Festival at Caboolture, later on this month.

Our host was Max Stephenson of Twin-view Turf has several adjacent farms all 200 odd acres each, of infrastructure in the way of sheds, etc to store his cars! He detailed his rebuild of the 1923 Vauxhall he to the Peking to Paris re-enactment rally this I hope he takes his long underwear with him as temperatures have been forecast at around 10 that time, and his Vauxhaull is an open tourer! Other showed us were his 1917 La France fire truck, 1933 of which there were only 512 built prior to WW2. AC circa 1924 - forerunner of AC Cobras, an MG TC and Vauxhall which he has pinched the radiator out of for one. Then in January he is taking his modern cruiser in the London to Africa rally. Sounds like a man on a mission.

Our host Max, leaning on Greg & Robbie's Jag, enlightening us about lawn grubs!

For those that don't know, A.C. are the initials of Auto Carriers limited. The first car on the market with the AC name as such was in 1911, although the 1st car produced by the company that was to become AC, was a 20 H.P. touring car called a Weller in 1903.

More Trivia - A.E.C. trucks and buses were built by the Associated Equipment Company from 1911 until 1979.

We all adjourned back behind his home for our BYO lunches under the shade of a couple of magnificent pecan trees. We then proceeded to embarrass Andy by singing him Happy Birthday and sharing his mud-cake around. After lunch Max went through some Turf Farm tips on lawn grubs, etc. and all members found it very interesting. CHACC have sent him a thank

you letter and a Certificate of Appreciation for his hospitality and time. For a very busy man he was very helpful, and I hope all members enjoyed the day as much as we did.

We will be sending him CHACC's email address and he has promised to include us in his regular rally update reports between Peking and Paris.

Even though this is one day prior to our scheduled May run on the 2nd May, we're hoping to get a few more vehicles. The day starts at 8.30am and they have a sausage sizzle for early lunch. Would any interested CHACC members please contact Kim (0427876271 or 54954683) or Peter (54286025 or 0407752632) and advise your ability to attend so we can confirm with the Village of possible numbers.
