## RALLY Roundup MAY 2010

### Saturday May 1st - Northlakes Retirement Resort.

We had only 6 vehicles, 10 members, and 1 visitor. Greg Atkinson, Robyn Comino, Arthur Hall and Anna Egans, Jim & Sandra Croft, Sally & Andy Byrne, Peter Rohan, Kim & Carol Bowers. We were more than welcomed by the residents and spokesperson Marion forwarded a sincere thankyou for our attendance and delighting the residents with a ride. Most popular proved to be Jim & Sandra's Oldsmobile - I'm sure he took at least 10 trips around the complex with residents. A most enjoyable morning - with a free sausage sizzle thrown in.

### Sunday May 2nd - Dayboro.

22 Vehicles, 42 members & 2 children. Great turn-out, good weather and scenic run. Thanks Geoff & Gillian. Morning tea and meeting at Mt Mee was enhanced by Gillian's home cooking.

Jan Blake kindly took on Sergeant of Arms for the day, only to find she had to fine herself & Rob for not wearing name badges. Huddy also copped a fine for going the wrong way. Geoff Kruger just had to be fined for driving that PINK of PINKs Impala, and I think Widge copped a fine for not realising that this year's S.O.A.'s fines were going to Variety in support of CHACC member Geoff & Michelle's daughter Sarah. Well done Jan, it is getting a bit heavier!

Well onwards from the lovely park Geoff picked for morning tea and we arrived at the Dayboro Pub on time. They had an area on the balcony reserved for us. It was a bit squashed, but we managed to all fit in, and enjoy the fish and home-made Dayboro Pub pies for lunch. Thankyou to Alf & Jenny for managing to accumulate \$114 for our CHACC raffle. 1<sup>st</sup> Prize of a Mother's Day basket of goodies went to Melva

Henderson. 2<sup>nd</sup> Prize of a Backpack went to Glenda Hall and 3<sup>rd</sup> Prize, a bottle of Yellow Glen went to Geoff Kruger. Congratulations to all winners, and thank you to members for buying tickets.

### **Wednesday May 12<sup>th</sup> - Redcliffe Museum.**

Well, we waited at the Sundowner, and we waited hoping for a few more and along came Don & Val Follett - haven't seen them for ages, so was great to have them join us, seeing as they had only just come back from NSW the night before. Still a disappointing turn-out, but we headed off, farewelled by Peter Rohan (who had grandchildren duties that day) and who told us where to go. As with the few vehicles we decided not to waste Greg Atkinson's hard work runsheet (Greg, by the way was in hospital so he and Robyn couldn't make it). With Pat Vincent on her own (Lew away up north working his butt off), run sheet and quiz questions went by the wayside and we all decided to follow Huddy. We arrived safely - thankyou Huddy - however (unbeknown to us) three other members watched us pass the Redcliffe Museum and waited, and waited in vain. When they couldn't find us, they pulled out of the Museum's correct carpark and did about 20kms trying to find us. They even went down to Sutton Beach, thinking we had gone directly there. Apparently we had parked in an adjacent car-park and walked over the bridge, arriving on

time at 11am. Apologies to Neville, Barbara Brown and Arthur Hinsbey for your additional kilometers. We had a wonderful tour of the Museum (including the 15 minute video). First time we had been there and thought it was amazing. Caught up with the others after our one hour in the museum and after a quick chat, we all headed off to Suttons Beach for our lunch. Six vehicles in total and 10 members enjoyed the beautiful sunshine and well maintained surrounds. Time to head off, only to find the Council must have recently painted the seats we were sitting on. Do hope you get that burgundy paint out of your light green slacks Ita!

Mid-Week Run Suttons Beach Lunch stop. Barbara, Pat, Ita and Val

## 1926 PONTIAC 2 DOOR COACH

**FOR  
SALE**

Here is your opportunity to purchase a vehicle that lead a hugely popular GM icon, **this vehicle is from the very first year of Pontiac – Chief of the Sixes.**

This car was fully restored by my father and I approximately 30 years ago and unfortunately due to dad's ill health & subsequent death and my lack of knowledge, this glorious Vintage vehicle is now up for sale.

According to all of the individual Australian State Dept of Transports, there are only 6 registered 1926 Pontiacs in Australia, 2 being Sedans, 2 or 4 door ?.

***This is truly a rare vehicle***

**Below are just some of the restoration points and features of this vehicle:**

- This vehicle has been fully stripped to bare chassis and carefully rebuilt back up to original specs.
- Dad, as a qualified Motor Mechanic, has fully rebuilt the Motor, Gearbox & Diff "in the old ways".
- All of the trim work has been replaced by an "old style trimmer" to the original colour, fabric style and comfort as found in the vehicle when stripped down.
- All of the timber has been inspected, the front LHS chassis rail was replaced.
- As Dad was also a qualified vehicle spray painter, it was repainted using only the highest quality paint & still today raises a shine with a small amount of hand polish. The photos show this car only "washed" and still has a good shine.
