OUR AIMS

To bring together persons with a common interest to encourage the use, maintenance and preservation of motor vehicles of classic and historic classification without prejudice to make, model, method of manufacture or country of origin. As well as vehicles of special interest, this may, from time to time, be determined by the committee.

UPCOMING EVENTS:

Membership renewals are due as at the 31st of August

17th October, 2010 - AGM Nomination forms due. IT IS IMPORTANT THAT WE HAVE 'FRESH BLOOD' ON OUR COMMITTEE. PLEASE DON'T LET CHACC BECOME LIKE MANY OTHER SMALL CLUBS WHERE THE SAME PEOPLE ARE 'RE-CYCLED' OVER AND OVER AGAIN. BE BRAVE, STEP UP AND TAKE ON A ROLE. Rally Roundup JULY 2010

Sunday 4th July - Lake MacDonald Thanks to Max & Julie Hogg

42 members, 2 visitors & 7 children, 23 vehicles. Great weather, good turnout and a very good run. Our acting Sergeant of Arms duo (the Bowers grandchildren) were quick to pick up a couple of double carparkers at the Sundowner, and from then it went on throughout the day, including Neil Cunningham for locking his keys in the car and holding the meeting up for quite some time until they broke in! All fines were received in good spirit - thank you members. As you know all Sergeant of Arms monies collected throughout this year to the AGM will be CHACC and proceeds given to Variety, the charity. Morning tea stop at Browns Area proved to be a bit of a challenge for a mountain goat making our way to the one and the park was full). Some members by their vehicles instead of joining the cuppa as the ground surface was fairly incapacitated Pauline, Cynthia & Don.

excellent but our 45th

The following was forwarded by Shirley and Richard as their account of the day - many thanks. If any other members feel like they would like to contribute an article on any of our runs, PLEASE feel free to do so.

What a magic day it turned out to be, not a cloud in the sky, the way the weather has been of late, it is touch & go as to whether it is OK or cloudy, but Sunday was perfect, just that added touch when you organise a nice day as well!!

We could only tally the total cars once we had filled out the attendance sheet, we got 23, so that gave us well over 50 people in total, way to go guys.

Firstly, thanks Max & Julie for a great LONG run, we hadn't had the old

Beetle out for ages and the run certainly gave "her" a chance to strut her stuff.

Well...(after CAROL had finished fining cars for "ALLEGEDLY" taking up 2 spaces, like to see the photographic proof there Carol?????? - hope Les was busy... she needed the help of her grand-daughters though!!!)... in convoy for our morning tea stop near the Bruce Highway.

This stop had members ducking for cover "bucket-Carol" AGAIN, she was still on she was suitably busy when her other disappeared into the bushes, guess the at the "loo" Kim???? The dobs started to that, we even had Richard giving himself up, only because we had what we thought were witnesses!!!! Turned out Peter DIDN'T dob, can't rely on some people!!!!

No fines either for the lot that went right - straight into the Gardens...instead of READING their sheets... Ok...Ok... So we were part of that lot that followed each other like sheep, but my point here is - was CAROL amongst them, bet your life!!!!

"Upset" of the day...was when Carol broke KIM's good coffee mug that had the Merc's picture on it, least it WAS Kim's mug as soon as it hit the ground!!!! Otherwise, THANKS guys for a great run, the Lake was a lovely spot to stop for lunch, we thoroughly enjoyed the day out and the company of the members, Cheers Shir!

from "fine the prowl...mind half "Q" was too long pour in after

11th July - RACQ Motorfest at Eagle Farm Racecourse.

CHACC had 8 vehicles in total, with another five members attending in their other Club banners. CHACC had a good site allocated to us and were able to put up the tarpaulin for a bit of shade. It was very well organised and I believe I heard over the loudspeaker they had 750 vehicles and 10,000 attendees on the day. It was a lot more spread out than 2 years ago - hence a lot further to walk around to cover all of the exhibits. Having said all that, for me it was too long a day,

would have been good if we were allowed out a couple of hours before 3pm!

Wednesday – July 14th Mid-Week Run Parrots in Paradise

The intended Brisbane Museum excursion had to be cancelled as they were installing a new exhibit and the place would have been in disarray. They apologised for any inconvenience, but were happy to open up on any future Wednesday for us, so we may give them a try next month. We therefore decided to try Parrots in Paradise at Glass House Mountains. We had five vehicles turn up, including our new member Merv Kroll who unfortunately couldn't go on the alternate run and Kim forgot to take his photo with his

great 1959 Edsel Sedan. We ended up with 8 members enjoying the show and we relaxed outside by the lake with our BYO lunches.

NOTE from the Secretary:

Yes, it is that time of year again, where **membership renewals** are due as at the 31st of August. Renewal forms will be available on-line and posted to those of you without email. If you don't intend coming to the next couple of rallies, you can post your renewal remittance into CHACC, PO Box 514, Caboolture, 4510 or contact the Secretary for EFT details.

Qld Historic Motoring Council have put out a **survey** to all members to be completed. Our Webmaster, Jan Blake has put it on CHACC's web-site and non internet users who go to runs will receive a copy. With the cost of postage now - increased to .60cents - we figure members who attend rallies are probably the only ones likely to bother to complete and submit QHMC's survey.

We have been asking since Nov 2009 AGM, each month, if any member could shed light onto the missing perpetual **Memorial Trophy** - to no avail. With the assistance of many suggestions from members, Geoff Smith, Graham Beatson, and especially Jan Blake (for unveiling back-copies of the SCN for us), I phoned the 2005, 2006 and 2007 winners of the trophy to no avail. The trail has ended there, as in 2008, the Memorial trophy was not presented or even mentioned, as was the case in 2009.

To give new members some background on this, Hilda Ash's son, Adrian donated money to CHACC to fund a Perpetual trophy to honour Hilda. Since then, we have lost several other members. So CHACC's policy was to have one memorial rally each year. This run takes the form of a competition rally. The trophy to be awarded is the Ron and Hilda Ash Memorial Trophy. CHACC would like to apologise for not dedicating our August Memorial run to lost members and their families over the past few years and would like to now pay our respects in print for our upcoming August 1st Memorial Run. We will also be replacing the lost perpetual trophy. Passed Members to be remembered on our Memorial Rally are:

Peter Friar	Aug 1991	Erin Faithful	May 1998
Hilda Ash	Sept 1991	Ivar Solderberg	2000
Ron Ash	Nov 1992	Jeff Stephens	June 2002
Bill McNamara	Nov 1993	Norm Beetson	May 2002
Alan Dean Freeman	Oct 1994	Noel Faithful	2004
Doug Gault	Oct 1996		

Our upcoming AGM is only three months away, It will be time for our current committee to step down and make way for a fresh new bunch of CHACC members to take over the reins. Please think about taking on a position to help our Club continue on successfully. **Nomination forms** are available at each run and in this month's and next month's newsletter. They must be completed and forwarded to the secretary by the 17th October, 2010. I know there are many members out there more than capable of taking on a role, and I can guarantee you will find it very rewarding.

CHACC have been invited to Burpengary Gardens Aged Care Facility on **Monday 6th September at 10.30am** (day after Father's Day). The coordinator said the residents would benefit from a visit from our Club; it would create reminiscing, enjoyment and social interaction. So if you aren't working and could spare a couple of hours on Monday 7th Sept around 10.30am, please come along. Phone Kim or Peter if you think you may be able to make it. Just a handful of vehicles would be great.

Finally, to all our members on the sick list, we wish you a speedy recovery and hope to see you back with us soon.

CHACC CHATTER The Beers

This piece has been contributed by fellow jealous buddies ShirI & Richard Jefferay

These members have a great excuse as to why they haven't been getting to many runs. They are in Canada for at least a couple of years.....now that would be hard to take, eh? (Hope they have plenty of spare beds!)

Mutual friends of ours have just returned from their Canadian holiday, where they caught up with Darren, Jo, Darcy and Caitlin Beer in Vancouver. The Beers were treated with reading material from 'home', including various issues of 'Steering Column News' (just in case they had nothing else more pressing to do in Vancouver!!)

Their cruise machine: Ford Consol (left here unloved, on its own; lucky for Bill who has taken her under his wing and is giving her some TLC. Onya Bill.)

Some interesting bits and pieces:

Darren: Likes long lunches on working days at the Woodpecker Tavern, Burpengary with mates (must miss them now, eh Darren).
Sailing, well, at least he is about to learn.
Tuckshop duties, newly discovered "hobby".

Jo: Likes photography (click away Jo, we can't wait to see them).
Hates Darren's long lunches at the Woodpecker!

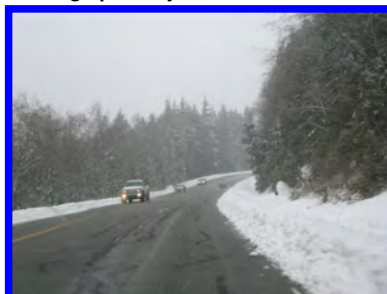

Darcy & Caitlin: Guess they are having a ball, teaching the Canadian kids some Aussie slang and interesting games to play on buses. Suppose the locals will be teaching them some new tricks too!

So as you can see, they are far too busy to be at monthly runs but are keeping their eye on our activities just the same. Hopefully our "Sechitary" extraordinaire can add their apologies to the next 24 or 20 minutes.....live it up guys, it will be over all too soon.

Shirley then outlined a rally being organised from Brisbane to Darwin next May – 2011. All proceeds going to the Cancer Council. It is called the “Shit Box Rally”. Shirley & Richard have put together a team of 5, together with 2 vehicles. The aim is to get the 2 vehicles “costing under \$1,000” each, ready to travel, however their entry fee of \$4,000 needs to be raised by way of donations. They are asking CHACC to consider their cause, thus assisting the Cancer Council.

Any members wishing to find out more go to www.everydayhero.com.au/idlerite

(Secretary's note - Geoff, Alex, Ronnie & Kim discussed after the meeting and the suggestion was, we put the next 9 months' raffle proceeds towards this worthwhile cause and any shortfall

from \$1,000, CHACC would add. This will be put to the members on our August run for approval.)

General Business:

Carol has been in touch with Vera Friar re the annual GY Rally to be held on 3rd October. Unfortunately, Vera has recently sold her home in Burpengary and moved to Bundaberg. Her overseas trip dates were changed so she will now be overseas for our Oct 3rd Rally. As she has sponsored this rally with trophies and prizes since 1991, I guaranteed her that her run will still go on this year, and either Kim and Carol (last year's winners) will sponsor it or CHACC.

Kim said we had a vacancy on the RACQ Motorfest for 11th July, if any member was interested. Arthur & Melva Henderson said they would join us.

RAFFLE Results:

1st Prize Max Hogg, 2nd Prize Don & Cynthia McLeod
3rd Prize Alex Gallacher. Congratulations winners, and thanks to Alf & Jenny and members & visitors attending, CHACC raised \$132.

1926 PONTIAC 2 DOOR COACH

**FOR
SALE**

Here is your opportunity to purchase a vehicle that lead a hugely popular GM icon, **this vehicle is from the very first year of Pontiac – Chief of the Sixes.**

This car was fully restored by my father and I approximately 30 years ago and unfortunately due to dad's ill health & subsequent death and my lack of knowledge, this glorious Vintage vehicle is now up for sale.

According to all of the individual Australian State Dept of Transports, there are only 6 registered 1926 Pontiacs in Australia, 2 being Sedans, 2 or 4 door ?.

This is truly a rare vehicle

Below are just some of the restoration points and features of this vehicle:

- This vehicle has been fully stripped to bare chassis and carefully rebuilt back up to original specs.
- Dad, as a qualified Motor Mechanic, has fully rebuilt the Motor, Gearbox & Diff "in the old ways".
- All of the trim work has been replaced by an "old style trimmer" to the original colour, fabric style and comfort as found in the vehicle when stripped down.
- All of the timber has been inspected, the front LHS chassis rail was replaced.
- As Dad was also a qualified vehicle spray painter, it was repainted using only the highest quality paint & still today raises a shine with a small amount of hand polish. The photos show this car only "washed" and still has a good shine.
