# Rally Roundup

SEPTEMBER 2010

## Monday 6<sup>th</sup> September - Aged Care Facility - Burpengary Gardens

Many thanks to the 7 members (plus 1 visitor - Jan's sister) and 5 vehicles for giving a couple of hours of their Monday morning to visit this facility. Was great to see Bob Pritchard and his '48 Holden, after such a long absence. Les took along his 'troublesome' '34 Morris Cowley, Graham & Jan in their '63 Morris, Rob in his sparkling '62 Dodge and Kim in his not so clean '54 Merc. I think they all got to take some residents for rides, except Rob. Although, he nearly got a taker, but as the carer was trying to entice the resident in for a drive, she said "no way, it would cost all of my pension cheque to cover a ride in that for the cost of the fuel"! I took along a cake to contribute to morning tea, however we didn't get offered any, not even a cuppa! Bit disappointing. Highlight comment of the morning was when one of the carers was endeavouring to persuade one of her charges to have a ride and she came out with "I'm not getting into one of those 'old bombs' "! Ah well, you just can't please everyone eh! Then, it being 10 to 12, it was 'shuffle-off' time for their lunch. Our mere presence wasn't going to stop them missing out on their spot in the dining room.

## 12<sup>th</sup> September - Aussie Automotives Trophy run. Sunshine, and a reasonable attendance,

considering we also had a short run for an alternative. Gatton was our destination, the Qld Transport Museum specifically, however we stopped off at Toogoolawah for a morning tea stop. We particularly liked the 15<sup>th</sup> Edition big Mack, although for the life of me I can't imagine why it had gold carpet and green velvet upholstery! No need to waffle on here as Shirley as once again scribed her thoughts on the day.....

12<sup>th</sup> September - Caboolture Historical Village's Mega Motor Show - Only 3 vehicles, 6 members opted for the shorter run. Neville & Barbara Brown (Zephyr), Don & Val Follett (Merc) and Glenda and Arthur Hall (Merc). From all reports they had a great day, unfortunately no photos. I do believe Lindsay & Valmay Bell were there but with the Model T Club.

19<sup>th</sup> September - Redcliffe First Settlement Festival - Not only did Les Arnold & Widge attend, they also took out FIRST PRIZE for best dressed on the day! How's that!! (although, why should we be surprised). Congratulations to you both.

## NOTE from the Secretary:

When I did a quick summary for our financial year (1<sup>st</sup> Sept 09 through to 30<sup>th</sup> August 10), I was disappointed to see we were way down on memberships. I am happy to say that so far in September, we have picked up considerably and are now on an even par with what we expected, and the renewals are still coming in. I am hoping that the slower than normal response also applies to members' interest in our upcoming AGM and breakfast. Only 2 nominations received to date and nominations close on October 17<sup>th</sup>. Come on members, we need you to put your hand up and help keep this Club going strongly. We already have indication that about 80% of our current committee are not going to re-nominate for their current positions. I know we all have a life – apart from CHACC, however it would be great if a few more members could consider taking on a position and rest assured you will get plenty of assistance from the retiring committee members. None of the positions are overly time consuming.

On average, CHACC have been getting approximately 60 members to their annual AGM & breakfast. To date we only have 43 names. It would be sad to think that the reason is because this year members are asked to contribute \$5 towards their \$15.95 brekkie. One member did tell me that she thought the Club should pay the full amount, however it was explained that over half of the funds in our investment account is put there through hard work and swap meets organised by our founding members, quite some time ago. Their aim was to one day have their own clubhouse for CHACC, and the current committee have been very frugal in building that investment account up, whilst at the same time increasing member subsidies on Club runs, etc.

Which brings me to the Adults' Christmas Dinner. Again, on average we get between 50 and 60 members, this year to date we only have 25 names! Well, will save the Club some money, won't it. So come on members, get your names down at least, OR we may need to cancel and lose our \$200 deposit!

For any new members who are not aware of our annual GY Rally, this year Sunday October 3<sup>rd</sup> will be the 26<sup>th</sup> anniversary of its inauguration by our member Vera Friar and her late husband Peter in 1985. GY is the model of the two identical 25hp Vauxhalls Peter & Vera lovingly restored. Vera continued to sponsor this annual run so we have taken over that task this year as Vera is away in America visiting her beautiful grandson and celebrating her 80<sup>th</sup> birthday with family. Hope to see as many members as can make it.

Of interest to those 18 members and 10 vehicles who joined us in April 2010 at the mid-week run to Twin View Turf Farm at Elimbah, our wonderful host, Max Stephenson is currently undertaking the Peking to Paris rally, driving his 23/60 Vauxhall. To follow his adventure, go to [www.pekingparis.com](http://www.pekingparis.com) for general info and video clips, etc. Click on competitor website and see photos and stories from all the competitors. He is currently leading his division and CHACC wish him all the best.

Finally, to all our members on the sick list, we wish you a speedy recovery and hope to see you back with us soon. Special get-well wishes to Greg Atkinson, who is doing it tough at the moment. As he won't be able to drive again, both his classics are for urgent sale. (see Tailgate, this SCN).

## OTHER CLUB INVITATIONAL EVENTS & SWAP MEETS

25<sup>th</sup>-26<sup>th</sup> September Main Roads Heritage Centre's Rally in Toowoomba (the weekend after Carnival of Flowers. Further details to be advised via Geoff Smith.

16<sup>th</sup>-17<sup>th</sup> October 2010 Gold Coast Hinterland Autorama. Enquiries contact Peter on 0413379410 or email to [Autorama@gcaac.com.au](mailto:Autorama@gcaac.com.au)

### LATE BREAKING NEWS!

Widge now has a 1950 Plymouth something or other. Les & Rob collected it during the week - Les is determined to get her involved with cars. First comment from Widge: "Can we paint it a different colour?" Horrified looks from Les and the seller.... "Widge, this is the original colour, you're meant to keep this colour." Oh well. At least it has a cute gearstick with a little red knob (I think it's called a gearstick.....)

## A BIG THANKYOU TO CHACC MEMBERS

For those new members who may not be aware, all of CHACC's fundraising via our monthly rally raffle is only possible because members donate gifts to be raffled each month and also members contributing to buying tickets in those raffles. In our last financial year, September 2009 through to August 2010, we received \$1211.10 income from those raffles.

First we would like to acknowledge **YOU** the members for buying raffle tickets each month, because without you that income would not be possible. And thankyou also to Alf & Jenny D'Acunto for encouraging members to buy our monthly raffle tickets, and organising the draws.

We have kept a record of members who have donated prizes last financial year and would like to thank you for your generosity. If we have missed anyone, please let us know and it will be rectified next month. Sincere thanks to.....

Neville & Barbara Brown; Rob & Jan Blake; Vera Friar; Sally & Andy Byrne; Kim & Carol Bowers; Jan & Graham Beatson; Neil & Trish Hamilton; Gloria Groves; Trevor & Pauline Reibelt; Widge Dooley & Les Arnold; Jim & Sandra Croft; Jenny & Alf D'Acunto.

In addition, thanks to the following members who have generously bought prizes, trophies and donated dollars in organising of specific runs.

Vera Friar; Sally & Andy Byrne; Geoff & Gillian Smith; Aussie Automotive Services; Rob & Jan Blake; Gary & Marlene Wills; Peter & Gladys Rohan

CHACC this year (September 09 through to August 10) donated \$304-05 to Prostate Cancer Support Group (Sunshine Coast) Foundation, and pledged \$1,000 to the Cancer Council next April (in support of Richard & Shirley Jefferay's Shit Box Rally entry). In addition this year's Sergeant of Arms proceeds will be matched by CHACC and be forwarded to Variety in support of member's child Sarah Kruger/Hogg. We would like to see these figures increased next year – with your support –thank you all.

Widge explained the SCN survey she had put out electronically and that to date she had received 21 responses – most of which had some excellent input and feedback. She encouraged those who had not as yet returned their electronic copy to do so as would only take a couple of minutes of their time. She would be organising hard copies to go out in the mail to members who did not have PC access. Object of this exercise was to gauge member's thoughts on how our SCN performs and looks. What do the members want to see?

**Social Director's Info:**

**AGM Breakfast** 31<sup>st</sup> October 8am @ Woodford Hotel. This is a Sunday, to date only have 34 members. Can you please get your names & dollars in today so we can advise Woodford of accurate numbers. Cost is \$15.95, members are asked to pay \$5, CHACC will cover the balance.

**Children's Christmas Party** – 12<sup>th</sup> December. As agreed at last meeting this would be put to the vote today as to whether we would indeed have a Children's Christmas party as such, if no volunteer was forthcoming. After much discussion, Richard moved that it be cancelled, seconded by Sally Byrne, all in agreement. Richard suggested CHACC have a Xmas run instead, on this day and turn it into a fun/gymkhana type run. He was prepared to organise, and Kim and Richard agreed to source a suitable venue for the event. There was mention we may be liable to give 'Santa' a redundancy payment!

**Gatton Run 12/9/10** Cars- 15 Members -29

Another glorious day for a run, for those members “brave” enough to bring out their “old” cars for the outing.....seems some “piked” & brought along their moderns, ‘Cause it was too far, anyways, the roll-up was very good, considering there were 2 runs on the same day. Peter had us all thinking.....yeah, I know, on a Sunday too, with his quiz sheets, as we headed off towards Kilcoy. Some questions had us trying to cheat even before we left the carpark, Carol snuck over to Macca’s but couldn’t find a \$100.00 note, she did try & got sprung in the process.

We stopped for our usual morning tea & meeting half way to Gatton, where Carol was one of the lucky winners of the raffle draw, she picked stools donated by Widge.....as Carol was demonstrating their use, Widge proudly advised her that they were made to take most “any weight.....”!!!!

We then left “in convoy” for Gatton, there wasn’t much choice this time, most cars ended up BEHIND us .....& the little Beetle isn’t as fast as some.....nor is the driver!!!!!!!!!!!! Huddy even saw us at Gatton & asked if our speedo was running slow!!!!!!!!!!!! On ya Hud! **(Ita come back we miss you!!!!)**

On arrival at Gatton we had lunch while Gladys & Peter marked the quiz sheets, they even got some poor souls to do more questions.....(these were the clever ones, to choose second place)..... first prize won

by Ron & Brenda Byrnes & second by Les & Widge, congrats to all.

Lastly a tour of the new Transport Museum, then a leisurely drive home. We would like to thank Peter & Gladys for all the efforts put into organising another run, we had a great day out. Cheers, Shir!

LAST CHANCE for the AGM Breakfast  
at Woodford Pub 31/10/10

The response so far is pretty poor. The next Club run on October 3<sup>rd</sup> is your **last chance** to book in for the Breakfast at the Woodford Pub. Following this run numbers will be given to the pub. Members will be welcome to attend the meeting after the breakfast, but will only be included in the breakfast if your \$5.00/ head has been paid & you were on the list.

\*\*\*\*\*

Members please take the time to consider running for a position with YOUR Club, all positions are declared vacant at the meeting, with some Committee Members NOT running for re-election, this means it is up to other members to consider taking on a position for next year. These positions are not hard & the outgoing people would be only too happy to assist you to take up the various roles. Shirl

ADULTS XMAS PARTY.....11<sup>th</sup> December 2010 Caboolture Sports Club, Centenary  
Lakes Caboolture

Considering the size of our Club, numbers are still not good for this event either....a lot of effort throughout the year goes into organising runs for members enjoyment each month, so come on guys support the final events for the year!!!!!!!

Please get your names & \$'s to either Carol or myself ASAP. I will not be on the next run, 3<sup>rd</sup> October, but Carol will have the list there.

It's usually a fun night, a chance to get together before the end of the year, before everyone heads off for the "silly season".

Cost is only \$25.00/ head for Club members, with the Club sponsoring the rest of the evenings cost.

While I have your attention.....if you are coming & you have a DOB-IN, please give me a call, 3293 2164.....I will do my level best to embarrass the person you are dobbing on!!!!!!! Just makes for a fun evening, especially if they don't suspect!!!!

Mum's the word....Shirl

**CHACC Xmas fun/gymkhana run - Smorgasbord or BYO** - The vote at the last rally meeting was unanimous in cancelling the Children's Xmas party/run and replacing with a fun/gymkhana run. Richard Jefferay to assist in organising. Think it may be a bit of a FUN run, as is day after the Adults' Xmas dinner - think we may have a few "fuzzy" heads!

## TECHNICAL TIPS

**DOES INVESTING IN VINTAGE CARS PAY? BY ALLISON TAIT, NINEMSN MONEY**

If you know one thing about cars and investing, it's probably this: a car is a depreciating asset. In common speak, this means that it loses value the minute you drive it out of the showroom. Unless it's a vintage car, over the past year or so.

"I suspect that in the last 12 months returns on vintage cars have been quite spectacular," says Andrew Heaven of WealthPartners Financial Solutions. "In the last few years, obscure investment classes — wine, artworks, vintage cars — have performed well."

Does this mean you should be racing out to buy that 1913 Hupmobile Model 32 Tourer (to be auctioned by Shannons at the Sydney Summer Classic car sale on February 15, with price expectations of \$36,000 to \$42,000)? Or perhaps a 1973 Holden Monaro GTS HQ at \$40,000 is more your speed? Heaven's answer is that if you're looking, you'd better know what you're looking for. "You must have an interest in it," he says. "You need a better understanding of the market, or a more aggressive view as to what the future value will be, than the next person."

Clive Matthew-Wilson, editor of the *Dog & Lemon Guide*, is even more blunt. "With the current economic turmoil, people are looking for safer investments," he says. "Some are buying up classic cars in the hope that these vehicles will gain in value. My advice is: don't." He believes that the widely held belief that classic cars never lose value and often increase in price is a myth that needs debunking. "American classic car collectors are taking a bath," he says. "In March 2009 *The Wall Street Journal* reported that prices of many desirable classics had dropped by a third. By now I'm willing to say that some of those cars will have lost half or two-thirds of their value."

### Tips and traps

If you are going to go down this road, the key message from Heaven is that it must be part of a diversified portfolio. "If you're passionate about it, it's worth a look — but it must be diversified. Don't have all your eggs in one basket," he says.

### His other tips and traps include:

- Make sure you get a second opinion on the vehicle, particularly if you're buying overseas.
- Be aware of the risks. Is the market going to get flooded by foreign imports?
- Be aware of the market for the car. Just because you love it doesn't mean the market will. Make sure there's someone to buy when you're ready to sell.
- If you buy it as part of your superannuation, be aware of the rules. As with artwork you can't hang on the wall, wine you can't drink and clothes you can't wear, a car that's part of a self-managed super fund cannot be driven.
- Don't forget about maintenance and insurance.

Insurance in particular can be a minefield for classic car owners.

Are you insuring for actual value, stated value or agreed value? Will the insurance policy limit the amount of driving you can do in your car? Are there driver age restrictions in place? Will you be able to choose your own repairer? Will you get the wreck back (to restore all over again) if your vehicle is written off? Classic car policies may be cheaper than standard car insurance policies, but you need to read the fine print with care. Remember too that a vital part of investing is the exit strategy. You will need to sell the car to realise the investment. At what point are you prepared to sell it?

### Nostalgia driven

Heaven believes that one reason there's been greater interest in this investment market if that cashed-up baby

boomers are looking to relive their younger years. For Matthew-Wilson, who has been restoring classic cars for more than 20 years, this is a better reason to buy than the bottom line. "You should buy classic cars because you love them, not because you want to make money from them," he says. "Most owners will privately admit that they've spent far more on their classic than they could ever hope to get back by selling it. Particularly if you take a classic wreck and restore it — then you can expect to recover between one quarter and one third of the money you spent on it. And that's not including a few thousand hours of your own labour."
