G'day from the Pres.

Firstly, I would like to wish all our members and their families a happy and prosperous new year. As we look forward to 2011, it gives us all a chance to reflect on the recent events in Queensland. It would be inappropriate of me not to mention the devastating floods which have covered so much of our great state, and the heartbreak amongst so many of our inhabitants as they survey the loss of a lifetime of memories. It is inconceivable to many of us who have never experienced the sort of damage a flood can cause, just how great their losses are. To those of our members who have family or friends affected by the disaster, our thoughts and prayers are with you. I intend to convene a committee meeting to examine the ways in which CHACC may be able to help, and I welcome any suggestions.

On a brighter note, I believe our Christmas party was a great night out – unfortunately I was in Melbourne awaiting the birth of my next grandchild, but I am assured that all present were well entertained, well fed and suitably watered!

Our next run(s) are on Australia Day, and there is a wide selection of destinations for those wishing to have an outing on this special day for us all. None of the runs are club sponsored as such so it will be up to each of you to decide where you want to go – please follow the instructions for each run printed at the start of SCN.

I would like to take this opportunity to sincerely thank all of the outgoing office bearers who have toiled so magnificently over the past years to make CHACC the successful club it is today. It doesn't happen by accident, and requires a lot of hard work and dedication to enable us all to enjoy our monthly runs and get-togethers. Rather than single out some of the contributors, I would just like to say a big thank you to all who participated, and to those who continue to put in; and not just the office bearers, but their long suffering spouses and families who have to put up with the inconvenience at times, all in the name of the club!

Finally I am sure you will join with me in wishing Gillian Smith a speedy recovery from the heart attack she suffered recently – she was in the CCU at Greenslopes, and we have send her a “get well” card on behalf of all club members.

See you at our next run!!

Alex

PLEASE CONTACT THE EDITOR IF YOU HIRE OUT YOUR VEHICLE FOR WEDDINGS ETC. C.H.A.C.C. IS OFTEN ASKED ABOUT THIS AND I WOULD LIKE TO HAVE A DATA BASE AVAILABLE.

Hi, Hope everyone had a happy and safe Christmas and New Year. We enjoyed the adult Christmas dinner. The evening was very wet but didn't dampen the enjoyment. Thanks to Gillian Smith and her friend for their musical entertainment. The venue, food and service were excellent.

Best wishes to any members who have loved ones in ill health (speedy recovery). Also our thoughts are with anyone who has suffered in floods. Congratulations to Alex and Elaine on the safe arrival of their new grandchild. Hope to see all of you soon.

DATE CLAIMER - GCAAC

We would appreciate you advising your members.

Lyn Neuendorf
Publicity Officer
GCAAC

This is an update email for all clubs interested in **Maclean's Bridge at Lakeside** (15 May 2011).

It is somewhat difficult to put this message together and send it in a context of the flood disaster affecting our region. We sincerely hope that your members have been spared the worst of it, but know full well that some will have had traumatic experiences and that probably all are close to somebody who has been severely hit. Here we can only express our sympathy and understanding.

Still, within this context we must continue to plan towards May when hopefully the region will be well on the pathway to recovery.

Within this update there are two *NEWS* items and two appeals.

The two *NEWS* items are:

- (i) the featured marques for 2011 are the Jaguar E Type, the Mini Cooper, and the Triumph TR4. Each of these is 50 years old (i.e. launched in 1961). Lakeside International Raceway also first started in 1961 - a fortuitous collision of birthdays! (If there are any significant birthdays I have overlooked, please let me know).
- (ii) The Australian Historic Motoring Federation (AHMF) has named the 15th May, 2011 as **National Motoring Heritage Day**, and the Queensland Historic Motoring Council (QHMC) QHMC has listed **Maclean's Bridge at Lakeside** as an associated event.

The appeals concern two aspects of this year's **Maclean's Bridge at Lakeside** (15 May 2011) where we need, and are hopeful of, the cooperation of your Club and Club members.

The first concerns a **Club presentation**. We hope that each club can (a) bring along its own marque regalia or Club livery, or an informative display, to dress up their allocated area, and (b) provide an information point within that area where members of the public can learn more about the marque and the Club. These actions could be appropriate contributions to **National Motoring Heritage Day** and may even have potential membership benefits for the Club.

The second concerns *minimising entry delays*. The entry gateways at Lakeside will be much smoother than at our old venue, and although we are expecting increased numbers we have ample

space at Lakeside and the gate-flow has been proven at other events. Nevertheless, the following will make the process of entry less frustrating:

(a) Display car drivers should plan their arrival to be on-site prior to 8:30 a.m. The gates will be open from 7:00 a.m. for display cars. Breakfast will be available at the Lakeside Centre from 7:30 a.m.

(b) Clubs are asked to pre-register a group to arrive together (i.e. a **'Rally to Lakeside'**). Pre-registered vehicles will be supplied with an entry window sticker (and a ticket), and will be waved through the gates as a group. We are not making pre-registration mandatory, but hopefully clubs see this as a practical step. (Pre-registration forms are at www.macleansbridge.com).

Once we have an estimate of the clubs' total numbers and space requirements we will be issuing a site-map, so a rally group can drive directly to their Club space.

To provide a small incentive for these two actions, we are again providing an award to the Best Club/Marque Presentation, including a cash prize (prize details later). This was well received in 2010, so we'll let it run again. The catch is --- only Clubs that pre-register a group are eligible for the Best Club/Marque Presentation. (We are aware that clubs may have members who wish to move independently to Lakeside and who may pre-register as individuals, and those who are unable to commit in advance to pre-registration with a Club rally group. The Club Pre-registration Form acknowledges this and asks for an estimate. We will also allow for space for your display).

Looking forward to seeing you on **National Motoring Heritage Day at Maclean's Bridge at Lakeside Sports and Classic Car Festival** (15 May 2011),
