### COUNCIL NEWS (from QHMC Management Committee Meeting 26<sup>th</sup> May 2011)

**2012 RACQ HMC Rally:** Maryborough District Antique Motor Club will conduct this annual rally on the Queen's Birthday long weekend in 2012. Major sponsor, RACQ, has once again been granted rally naming rights. Book your accommodation for next year's 2012 RACQ HMC Rally in Maryborough as there are other unrelated events on that weekend.

**2013 QHMC Rally:** Sunshine Coast Antique Car Club will hold its 50<sup>th</sup> anniversary week-long celebration in conjunction with the 2013 QHMC Rally in June 2013. Please lodge your expression of interest to attend with name, number attending, phone, address and email address to SCACC PO Box 363 Nambour 4562. Naming rights sponsor yet to be determined.

**SIV Concessional Registration:** QHMC has appointed a sub-committee to research the historic registration schemes around Australia and to prepare a properly informed discussion paper to enable full and detailed consideration to be given to the matter of whether Queensland should advocate for change to its existing SIV scheme. Have your say by writing to [secretary@qhmc.org.au](mailto:secretary@qhmc.org.au).

**Seat Belts and Child Restraints** It is now well known that Queensland refused to follow the lead set by the National Transport Commission and the Australian Transport Council by not adopting the model Australian Road Rules in full <http://www.legislation.qld.gov.au/LEGISLTN/CURRENT/T/TrantOpRURR09.pdf>. The exemption provided in Australian Road Rules allowing the carriage of 7 to under 16 year olds in pre-seat belt era vehicles not already retrofitted is not available for any vehicle travelling in Queensland. Club consultation has resulted in overwhelming opinion that a reasonable point in time for an exemption to the 7 to under 16 age group would be for all pre-1960 vehicles. QHMC will advocate accordingly.

**No-cost registration for Veterans:** QHMC is preparing a case for no-cost registration for Veteran vehicles, perhaps even a 100 year rolling date from a determined point in time. Interested clubs and their members should send their views and submissions to [secretary@qhmc.org.au](mailto:secretary@qhmc.org.au) or by writing to QHMC at 1376 Old Cleveland Rd Carindale 4152.

**Web Links:** In order to get clubs working (playing) more closely together, clubs have been asked to provide two or three open (invitational) events over a six month period for inclusion on the QHMC Events Calendar. Clubs should notify QHMC via the link on its website [www.qhmc.org.au](http://www.qhmc.org.au)

**QHMC AGM 28<sup>th</sup> July 2011:** Members from QHMC affiliated clubs need to take on the management of the council. All club presidents are requested to ask their members to consider taking on a role. Expressions of interest should be sent to [secretary@qhmc.org.au](mailto:secretary@qhmc.org.au)

**Invitational Rallies this Year:** The cooler months are with us and it is perfect rallying weather. Here's a selection: RACQ MotorFest Brisbane (17<sup>th</sup> July); Jimboomba Auto Extravaganza (28<sup>th</sup> Aug); Annual Invitational LAMA Rally Gatton (1<sup>st</sup>-2<sup>nd</sup> Oct); Tenterfield Spring Rally (14<sup>th</sup>-16<sup>th</sup> Oct); Military Jeep Field Days at Canungra (14<sup>th</sup>-16<sup>th</sup>

Oct); Brisbane SS Morris Minor display at Ormiston (16<sup>th</sup> Oct); Autorama Rally Gold Coast (5<sup>th</sup>-6<sup>th</sup> Nov). Details and links to entry forms appear on QHMC website [www.qhmc.org.au](http://www.qhmc.org.au) on the 'calendar' page. Everyone welcome at these events.

**All British Day 2011 Cancelled:** All British Day has reluctantly been cancelled this year only as a result of the damage caused to the display grounds by the Brisbane flood earlier this year. No alternative venue, so it is cancelled outright for 2011 only. RACQ Batteries All British Day will return to Tennyson again in 2012.

## REPORT ON THE CANCER COUNCIL RALLY - Submitted by fellow member Richard Jefferay

[www/everydayhero.com.au/idle\\_rite](http://www.everydayhero.com.au/idle_rite)

**Well folks, we did it!**

**Firstly a BIG thank you to ALL C.H.A.C.C. members for their support with our fundraising efforts for the "Shitbox Rally 2011" for the Cancer Council.**

**We left Brisbane's Breakfast Creek Hotel on Saturday 21<sup>st</sup> May, heading west via Toowoomba. There was quite a line up of very interesting "bombs". The participants were just as interesting - some dressed in tuxedos, some as brides, even a panda or two. We were just as keen to see them as we were to see the cars lined up ready to hit the road. As our theme for our Mitsubishi wagons was "surf woodies" we thought trashy boardies & thongs were the dress-up order of the day!**

**Participants came from all parts of Oz, even from Darwin (our final destination) - they drove to Brisby to start along with the rest of us.**

**Our first top was Mitchell, where some 'city slickers' camped for the first time. As there were over 100 cars, all with 2-3 occupants, there were quite a few to feed along the way. This provided some support to the local communities as well.**

**Mitchell saw our first dress-up night: there was Fred Flinstone, Ernie, the bride of course and lots more; but not to be outdone, we dressed as Elvises (or is that Elvi??).....raising money as we went with photo shoots and for one of our team, the suits were a great 'chick magnet'!**

**After Mitchell we were astounded by the size of the road trains - made us look very small, but our line up of rally cars was equally impressive.**

**Longreach on our second night saw us enthusiastically dressing as pilots. What else, at**

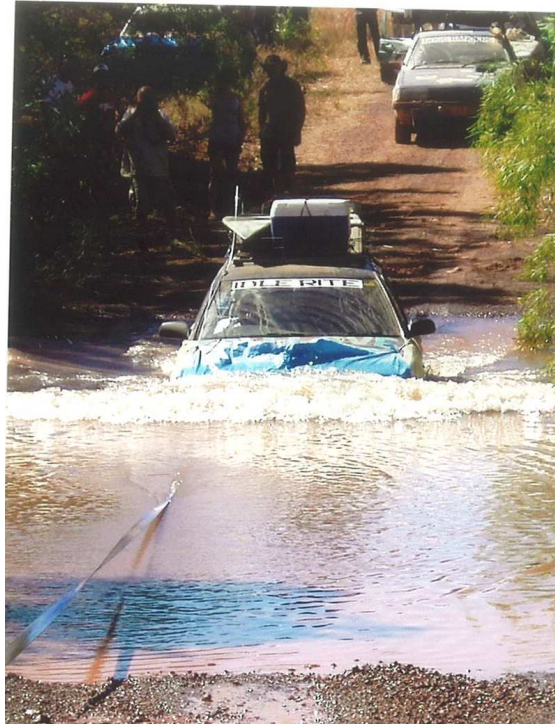

the Qantas Aircraft Museum?!

Our camps included Hell's Gate, Daly Waters, Gregory Downs & Katherine and we even managed a boat trip up the river at Katherine Gorge (a change from driving).

We triumphantly reached Darwin on Friday 27<sup>th</sup> May, the end of a fantastic drive – adventure really – and we had met some amazing people along the way, with everyone lending a helping hand to fellow "shitbox-ers" whenever needed, to ensure numbers at the finish line.

With so many cars entered in the Rally, we did well to only lose five in total; the rest drove into Darwin unaided, felling a sense of pride and achievement. Not only had we all made it but we had raised significant funds for cancer research as well.

This was only the second year of this Rally, growing in strength from 28 cars to over 100. The Rally total was \$740,280.90 – a very impressive achievement. We managed to raise \$14,030.00, way above our necessary \$8,000 for our two car entries. And part of this money came from our friends in the Classic & Historic Auto Club of Caboolture, so thanks guys for that support. It was truly appreciated.
