President Report October 2013

It was another glorious day for our Aussie Brakes Trophy and the belated President's Rally run which we combined this year due to the President's run terminating at Maleny Showgrounds and members were scattered around the ground making it difficult to get everyone together. This combined run was held over the long weekend and the rollup was very disappointing with some members going to other rallies that were also held on the weekend. The rally report will be presented by others in this issue of the SCN.

It's not too late to nominate and some new faces would be welcomed to take on positions on the committee. The AGM is to be held at McGavin View, North Pine Dam on 27th October and further details are also included in this SCN.

It is not too late to get your name down if you wish to attend our Christmas lunch on Saturday 7th December. Contact Elaine Gallacher for further information.

Hope to see you on the next run.

Till then, travel safe!

Peter

Secretary Report November 2013

It is that time of year again when we thank members who have donated raffle prizes throughout the months. Along with the boost to our monthly raffle booty, this year it has created two great prizes which we will raffle off at our AGM. Special thanks to Aileen Andersen for the many hours she must have put into needle working the 1935 Aston Martin and then going to the expense of having it beautifully framed. In addition, thanks to Graham Beatson who has also donated a very unique clock, once again showing members his special talent of lead-lighting.

We currently have 40 confirmed for our Saturday, December 7th **Christmas lunch**, with 5 'maybes'. We are asking members to pay \$10 per head and CHACC will cover the balance. Not too late to phone Elaine (54331586) if you have decided you can make it after all. It will be @ Sean's Tavern, Burpengary – 12noon. Menu was published in our October SCN. We do need to let the tavern know definite numbers by mid-November so please confirm before then.

AGM on the other hand is looking quite "light" on. To date we only have 19 names down. I will cater for approximately 30 members and hopefully we will have a better turn out. Please remember there is no power facility at McGavin View (North Pine River Dam), you will therefore need to bring your thermos for your cuppa and also bring your own plates, cutlery. Thank you to the members who have volunteered to get there early to stake out our territory. We are aiming to have breakfast happening from 8am and the AGM will follow after we have fed you all. Sunday, October 27th – make your own way there, we will not be meeting at the Sundowner. Phone Graham Beatson (33859898) if you wish directions or aren't sure how to get there.

Sunday 6TH OCTOBER 2013 Rally Report

Well, the day dawned bright & sunny again as 12 vehicles, containing 20 members & one visitor turned up at the Sundowner for our October run organised by Peter & Gladys Rohan.

After much discussion & coffee drinking a number of members left on their Seek and Find Observation run, whilst the rest of the group opted to head direct to our destination at Toorbul Esplanade for our meeting and lunch.

As this was the Presidents Run, and also included the Aussie Brakes Voucher, there're some goodies up for grabs. After reading through the run sheet the rally contestants certainly needed an eagle eye to spot and record all the questions on the sheet.

As the Pikers were quietly enjoying morning tea some time later, the rally contestants began arriving. It was noted that Lindsay left the Sundowner in the Tonka Transport Truck, and arrived in the Mercedes, not sure what happened there. Elaine opted to go with Carol as navigator as Kim was sick(get well soon Kim), which left Alex to fend for himself about which he complained (tongue in cheek) how difficult it was to read the questions, look for the clues, and write the answers while driving.

There was a tie breaker for runner up between Alex and Lew Vincent. And the overall winner was Lindsay & Valmay Bell. Following our meeting Peter handed out tickets for the Aussie Brakes Voucher which was duly won by Alf and Jenny D,Acunto.

Following lunch a brief committee meeting was held to regarding the AGM and Xmas breakup. It was during this time that Don & Val Follet arrived in their Mercedes after waiting at the other end of the Esplanade for us to turn up, but I think all in all everybody was quite happy with the day so a big thank you to Peter & Gladys for organizing the day.

Until next run. Take care Graham Beatson Rally Director

Wednesday 16th October 2013 Mid Month Rally Report

We had six vehicles turn up for our run today, plus Jan & Graham meeting the others at Grand Ideas. It was really good to see Jim & Sandra Croft arrive to say hello at the Sundowner, but alas due to Jim's health they could not join us on the run. (All the best Jim).

Following an uneventful run to Northgate, we all met at Grand Ideas Recycling. Parking was a bit of a challenge, but our hosts managed to fit us all in.

A tour was then undertaken through the myriad of aisles to look at a huge collection of old building materials, general wares, and memorabilia that I have seen under one roof. The writer even bought something.

After everyone had finished browsing, we all enjoyed lunch provided by the very friendly staff of the "Grande Caffè", on the premises. The food was excellent and I think all went away well sated.

Barbara & Neville arranged this run and a big Thank You from all in attendance is well deserved.

1989 XP Ford Falcon Coupe

Arthur Hinsbey is the proud owner of the car you see here XP Ford Falcon Coupe. I confess to having a soft spot for the XP Coupe so in 1989, this car turned up for sale for \$1800. I took the plunge. It was the usual story with the previous owner of a stalled restoration project and was in a partly dismantled state.

Along with a few boxes of spare parts, I promptly towed it to its new home and after seeing the new found treasure in the garage, I was happy!

I previously had done a couple of restorations, a Morris 1000 and a Valiant ute. My experience as an Auto shop painter and panel beater gifted me with the appropriate skills to get the old Falcon on the road.

I completely stripped the car. Everything that would unbolt was systematically removed and put aside for reconditioning. The bare shell was stripped of paint.

The body was resprayed in Dulon acrylic Horizon Blue paint. The interior was professionally restored to original colours. The underside of the car was also stripped and proofcoated in black as per the original finish.

Details are obviously important to me and in restoring this car to the original condition, nowhere was overlooked in the most thorough of restorations. All mechanical parts were overhauled and after expenditure of \$12000 plus on road costs and 21 months of working most evenings and weekends, I have ended up with one of the country's best XP Ford Falcon Coupe.

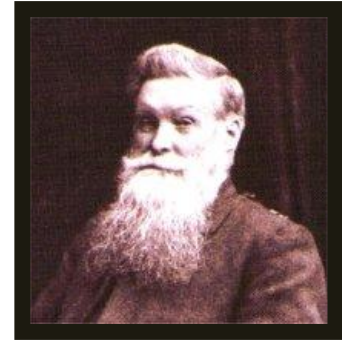

This car has been entered and won many car shows. One that stands out in particular was the Peter Warren show in Sydney in the year 2000. Two Ford representatives from Melbourne judged 900 cars and only awarded two prizes. One was for a Ford Thunderbird. The other was "ME", my Ford XP Coupe!

This car is my pride and passion.

Did You Know?

In 1887, John Dunlop developed the first practical pneumatic tire for his son's tricycle, tested it, and patented it on December 7, 1888. Dunlop's development of the pneumatic tire arrived at a crucial time in the development of road transportation. Commercial production began in late 1890 in Belfast, Ireland. Dunlop partnered with William Du Cros to form a company that would later become the Dunlop Rubber Company

This Month's Car Quiz

Who holds the record for the most wins at Bathurst on Mount Panorama, how many times and for which team?

Please email your answers to the editor at editor@chacc.com

Last month's Quiz Answer

We have **3 winners** this month
Graham Beatson, Charlie Provis & Alex Gallacher

Answer: Irv Gordon the car's owner entered the Guinness Book of World Records 1998 by putting 1.69 million miles on his 1966 Volvo P1800, he then made the Guinness Book of World Records for a second time in 2002 for the most miles driven by a single owner in a non-commercial vehicle.

If you want someone who will eat whatever you put in front of him and never say it's not quite as good as his mother's then get a dog. If you want someone always willing to go out, at any hour for as long and wherever you want, then get a dog. If you want someone who will never touch the remote, doesn't care about football, and can sit next to you as you watch romantic movies then get a dog. If you want someone who is content to get on your bed just to warm your feet and whom you can push off if he snores, then get a dog! If you want someone who never criticises what you do, doesn't care if you are pretty or ugly, fat or thin, young or old, who acts as if every word you say is especially worthy of listening to, and loves you unconditionally, perpetually, then get a dog.BUT, on the other hand, if you want someone who will never come when you call, ignores you totally when you come home, leaves hair all over the place, walks all over you, runs around all night and only comes home to eat and sleep, and acts as if your entire existence is solely to ensure his happiness, then get a cat! You thought I was gonna say..... marry a man, didn't you?

Always be yourself because the people that matter don't mind, and the ones who mind, don't matter.

We don't stop laughing because we grow old; we grow old because we stop laughing.

CHACC EVENT & RALLY DATES FOR 2013

Any further queries, please phone Rally Director Graham Beatson 33859898

27th Oct 2013 Sunday

CHACC AGM

Will be at McGavin View. (North Pine River Dam area)

CHACC will supply breakfast - gold coin donation only required from members. Hopefully we will have more than the normal 4 or 5 to put their hands up to assist in setting up, etc.

Please get your names into Elaine for this so we have an idea how many to cater for. Essential we get numbers ASAP and also members who are willing to get there early to secure our territory.

4th to 6th Nov 2013

Imbil Folk Festival

7th December 2013

LUNCH: Elaine has sourced Sean's Tavern at Burpengary. All agreed on our August 4th run that this seemed like a more than reasonable deal as it includes a room of our own at no additional charge. For those members who haven't as yet advised Elaine if they are attending or not could you please do so ASAP. This will give the committee an idea of how much CHACC will subsidise the lunch - **we need numbers!**
Very poor response to date.
