President's Report

Well here we are, May already! I apologise for my slackness in not presenting a report in our previous Steering Column News. Now we are back to a monthly newsletter, I will attempt to submit a report every month.

As you are aware, we have had a very wet start to the year with a couple of rallies washed out and on one occasion, we had five couples sitting in McDonalds (including a couple of new members!) having a chat and waiting for the rain to stop before returning to our cars and going home.

The rallies that we have had have all been interesting and enjoyed by those that attended.

We have also been able to sign up some new members and I wish to welcome them and hope they enjoy our company and join us in future rallies.

Our new editing team is doing a great job and please continue to supply information and technical tips to them for inclusion in the newsletter thus making future newsletters interesting reading. I especially like the personal details of member's vehicles and how they come by them.

In response to Andy and Sally's letter about a possible club house, an elected committee is currently doing research with authorities and collecting details and information and members will be fully informed from time to time as more information is obtained. No final decisions will be made without member's approval.

After due consideration, it has also been agreed to hold our mid month runs on the Wednesday as some members have difficulty attending on the Tuesday and many sites such as local Museums are not open on the Tuesday and restricts us in where we may end up as a rally venue. The Wednesday runs will begin in July. All other runs and starting times remain unchanged and are included in the monthly newsletter.

Hope to see you at our next rally!

Peter

Notes from the Secretary:

Welcome to Aaron & Erin in your 1962 Holden EK Ute. Thank you for enduring our very "unusual" annual pub counter meal with us. All I can say about that is ***IT WONT HAPPEN AGAIN!!*** Not taking anything away from Andy & Sally - great run, etc. and thanks to them we managed to get a slight discount on our 'meal'. What a very big surprise to find waiting for us @ Blackbutt (we were a little delayed at Kilcoy - you do know how Alex does waffle), parked very sedately outside the Blackbutt Hotel was Phil & Sylvie in their 1930 Cadillac. What a beauty she is, attracting many passersby to have a closer look

We were organised to go upstairs on the balcony for lunch but Pauline took one look at the stairs and thought better of it. We therefore opted to take-over their 'pool room' (or at least that's what I think it was).

On the SICK list, we do hope Gloria Harmsworth is back in the 'pink' soon, and Pauline gets that 'Moon' boot off in a hurry. Elaine managed to break her wrist last month, however as with her miraculous broken hip recovery, she was over the wrist break in record time. Don McLeod has been transferred from Prince Charles to Eventide in Brighton for rehabilitation and we wish him our very best wishes and hope to see him up and about again when he is ready.

Cynthia McLeod has sent in a Thankyou to all the CHACC members for their best wishes to Don. She appreciates the phone calls and visits.

**GET
WELL!**

Social Director:

Alex (on behalf of Elaine), detailed the long week-end in June. We have opted not to attend the QHMC/RACQ annual rally, due to cost and value for money. We therefore have organised our own long-weekend at Boonah. Leaving Saturday the 8th and returning Monday the 10th. Several names were taken and as we are in conjunction with members from another car club, we think we will have a "jolly" good weekend. It is \$100 per night for motel. If you are interested, please phone Elaine or Alex ASAP

General Business:

Alex (in Peter's absence) briefly detailed what progress had been made to date on our initial enquiries in relation to obtaining land or available premises to rent to CHACC in acquiring their own club rooms. Much discussion amongst members. Some in favour, some not. Trevor Reibelt mentioned founding members were offered space at the Caboolture Historical Village many years ago on the proviso they were there with their vehicles each Sunday. Needless to say, they declined the offer. Query from Lew Vincent on the rent required if we undertook the offered Premises. Fundraising required to cover the rent. All legitimate queries. No answers until we get some firm figures, costings and other avenues. Rest assured it is still in the research stage. Sally & Andy Byrne brought to the attention of the members that the Deagon Race Track will be holding a Picnic Day on Sunday 15th September, 2013. This will be the 1st race held there since 1941, currently it is being used as a training track.

Sergeant of Arms:

Sally managed to raise a further \$21-50 in fines (which included Self imposed fines from members who she couldn't identify)

Poker Run Winner:

After much deliberation was Kim & Carol 2nd Jenny & Stan Vallance

RAFFLE Results:

1st Prize Joyce & Eldon Tildon 2nd Prize Kim & Carol Bowers

Editors Report

Thank you for the people who sent us some of the articles and pictures on the clubs recent events. When sending pictures please include names of people as well, as this is a big help when putting the newsletter together. Unfortunately we have not been able to attend any of these but hope to have the Chev there on some runs in the near future.

This month we also have an article on Shirl & Richard Jafferay's 1959 VW Oval Window. We don't have any more articles on club cars to put in the next newsletter so if your car has not be featured yet it's now your turn to send us an article on your car. The car featured in the newsletter is also "Car of the Month" for that month on our website.

This month we also have a Presidents Report which we hope the president will do each month.

In the last two issues we have added a quiz. We would like some feedback as to whether people would like us to continue as no one has tried to answer these quiz's. Too respond to a quiz just email your answer to editor@chacc.com

Hope you enjoy this edition of the newsletter and don't forget to email your articles or stories to editor@chacc.com

Queens Birthday Long Weekend Away

The long weekend away. This is in lieu of our normal June long (Queens Birthday) weekend run where we attend the annual QHMRC run. This year it is run by the Sunshine Coast car club, and is a week long extravaganza. There was not much enthusiasm for it from the members as it was a trifle expensive for what was being offered. (\$370 entry fee plus \$116 for presentation banquet for a couple – all other lunches/breakfasts/morning and afternoon teas...BYO or find a milk bar!!)

Anyway your club decided to "do our own thing with a run to Boonah on **Saturday 8th June**, overnight stay Saturday and Sunday and return home Monday 10th June.

We will be organizing evening meals at local restaurants and work out something with the motel owner for lunches, morning teas etc. Motel cost will be \$100 per night. We will also be setting out some morning and afternoon runs to keep us occupied till "happy hour" each night.

Please indicate your interest ASAP to me – you can come for 2 nights or just 1 if you desire, Regards...Alex

1959 VW Oval Window Beetle

Jafferay's Second Car

This baby I like. Richard & another of his buddies went looking for Renault's one fine Saturday, south of Forbes & came home with "her" a 1955 VW Oval Window Beetle. She had been parked on a property with the father of the owner. Keen to clear away his sons "junk", so after a hand shake & parting with the \$'s they bought her home. The smile didn't fade from Richard's face for months for the telling of the story of how they had found it.

Not sure how long before this restoration project got underway, but once it did it seemed to get bigger than Ben Hurr. Offers of help came from everywhere with friends & trades keen to see how it would look when done.

Mostly completed by father & son. The 2 Richards spent many long hours in **"the shed"**.

And done she was, I actually got to pick the colour & the interior. So guess what? She is not Red. Considering we have 3 other cars & they're all red, that was some achievement. It was restored back to original with no extras added from production the line. Yes you got it, not even a radio. So poor Richard gets to hear me sing, suffer I say.

We have done quite a bit of travelling in her as well, though not as far afield as the Red Machine & won some major trophies in her class. So the smiles are still on the old boys face.

Will he tire of VW's? I doubt it.

But we have kept it at 2. Mainly because we don't have the space for more & like to drive those we have a little more often. Well that's our lot. See you round the traps

Cheers Shiril Jafferay

Mid Week 16th April Report

Destination V.M.R SANDGATE

Organised By Andy & Sally Byrne

Today's run 16/4/13 was arranged for a scenic drive from the Sundowner via Anzac Ave, Rothwell, to the bay at Clontarf & over the Bridge [Highway]to Brighton, then follow the Bay shoreline along the waterfront to Sandgate, then continuing through Shorncliffe still following the waterfront to our destination @ V.M R. Allpass parade Cabbage Tree Crk. Sandgate.

A total of 9 vehicles with 12 members & 2 visitors attended today's run, 6 left the Sundowner the other 3 joined [met] up with us at Sandgate.

The day started off a bit overcast with a storm predicted for the evening, but the weather improved through the morning no sign of rain, a bit muggy but a nice day.

It was arranged for a member of V.M.R. Mr Bob Chapman to give our group a run-down how the volunteer organisation V.M.R. operated, a tour of the radio room & the 3 rescue vessels, the premises was open for the group to wander through & inspect as they wished.

V.M.R. has various groups within its organisation, included is the Sandgate Yacht Club, this is where the VMR originated from, Sandgate Yacht Club was formed as a sailing & powerboat club on the 14th Feb. 1912 & at that meeting was officially called the Sandgate Yacht Club.

As a change from the usual quiz for the run we decided to have a Lucky Draw for the group this was achieved by using 3 raffle ticket books, giving 1st 2nd & a booby prize

Results

1st Peter Rohan

2nd Arthur Hinsbury

Booby prize Barbara & Neville Brown.

Overall it was a nice day with good company; we hope all who attended enjoyed the day.

Sunday 5th May Run Report

ANNUAL COUNTRY PUB RUN

Organised By Andy & Sally Byrne

Today's run 5th May annual country pub run was arranged to visit the Radnor Hotel Blackbutt, at the gathering at the Sundowner Sally handed out the run information sheet covering today's trip, a nice day for the run.

Today's run in lieu of a quiz was to be a poker run & for this to be done & number involved 2 packs of cards were used, the assistance of Alex Gallacher was enlisted to assist with the recording of the cards dealt to each vehicle on the run, 2 cards were dealt at the Sundowner prior to departure, at the gathering it was requested that the CLASSIC'S should go 1st then with the modern's following and the lead vehicle could be the 1938 Studebaker Coupe of Trevor & Pauline Reibelt, which they agreed to do, the procession of the Classic's was impressive and drew many admiring looks on the way.

A total of 16 Vehicles, 30 Members attended today's annual country pub run.

Our 1st stop was in Kilcoy at the park on the right as we entered the town the vehicles were parked in a row facing the D'Aguilar highway, this caused some interest from the passing public & many photos were taken of the cars, 2 cars with members joined us at the Kilcoy stop.

The club held its monthly meeting at this stop with our tea/coffee break etc. as our Pres. Peter & vice Pres. Lindsay could not be with us today due to other commitments our past Pres. Alex assisted in taking the chair for the meeting, the meeting was a good hearted meeting, at times with hilarious banter etc. from the members making the day.

Another two cards were dealt & recorded, after the rest vehicles were mustered up for departure in the park & as before Classic's then modern with the 1938 Studebaker leading the way, it was a pleasant drive up the range & spectacular to see the amount of work that has gone into the new Blackbutt range crossing, We arrived on time at 12 noon in Blackbutt.

The Hotel had set up table's etc. for us on the pub veranda, we made a decision that it may be more comfortable for all downstairs & went about rearranging the pool room area.

One more card was dealt and with the assistance of Carol Bowers this card was recorded on the list, as we waited for the lunch to arrive, Alex Gallacher had a few more items to advise the members of.

Sally then did her duty as Sergeant of Arms, adding a bit more interest & fun to the day even inviting the members to do themselves in for something they may have done or not done since the last meeting.

With all the cards dealt & recorded now was the time to find the winning hand & the second best hand & the poorest hand, Alex was called in to assist to adjudicate in finding these winning hands; we had arranged to provide gifts for these successful hands.

RESULTS –

- 1st winning hand Carol & Kim Bowers. Full house queens & tens
- 2nd best hand Jenny & Stan Vallance. 2 pair kings & eights
- 3rd "booby" the poorest hand [never mind] Pauline & Trevor Reibelt

Congratulations to the gift winners, we hope you enjoyed this version of "poker run", overall there seemed to be plenty of smiling faces & laughter, so it would seem all had an enjoyable day.

Carol & Kim Bowers

Pauline & Trevor Reibelt

Jenny & Stan Vallance

The hotel owner has only had the hotel for a couple of weeks, but did try to Help.

Many thanks for your support on the day, a good roll up of vehicles & members, Special thanks to Carol & Alex for their assistance.

We hope all enjoyed themselves & had a safe trip back home.

Kind regards Sally & Andy

Mid Week 14th May Report

Cumulus clouds and forecast of showers - that was the doom and gloom predicted for our mid-monthly run. Never to be deterred, 10 members turned up at the Sundowner, needless to say Alex was **LATE**, but his main critic for being late, **Huddy** – rolled up just as we were leaving. In all fairness, an email went out the previous day re-confirming our early mid-month departure from the Sundowner as a **one-off** to be ETD @ 10am. However Huddy is not on email so we do hope we didn't inconvenience any other members who are not on email. Huddy just followed Peter Rohan as we filed out of the Sundowner car park.

Off we trotted en-route to the "Roll Out The Barrell Cooperage" at Redcliffe. To our delight we were greeted by Neville & Barbara Brown and Greg Buchanan. Of the 9 vehicles and 13 members attending, I can assure every other member not in attendance, that this was one of the most interesting and informative runs we have been on. A big thank you to Graham and Jan for organising it.

Our hosts Noel & Val Sullivan have been in the premises for 31 years, which is all old-school technology, no mod cons. However old-fashioned workmanship as demonstrated to us by their 14 years employee Damien, results in a fine product. Damien went through the techniques of crafting a barrel keg and the intricacies of craftsmanship involved in manufacturing their end result. We then were taken for a tour of their 'Furniture' displays... bars and fridges, stools, etc. After that we were allowed into their show-room displaying more of their unique barrels and other displays of their workmanship.

Many questions were asked and answered, all were in awe of 84 year Noel, founder of the business and his lovely host Val. Employee Damien was very impressive and attentive and showed knowledge above his age.

What a great run - Alex thanked Val, Noel & Damien for a tremendous experience. We then found our way to Suttons Beach for lunch. Huddy took off early as he missed breakfast at the Sundowner. He finally found us at Suttons where half were enjoying the local fish and chips, and the other half had brought their own. Even though the day started off with a poor outlook in regards to the weather, lunch was enjoyed by all in full sunshine with good company. (Just a note, our Sergeant of Arms, fines should be in place for Alex for being late @ the Sundowner and not taking the directed route, as he was there before anyone else, also for Huddy for being extra late).
