Pat Vincent put forward the Caboolture branch of the Leukemia Society. All in agreeance. After the vote Pam McPherson asked if CHACC would consider for next year the Sports Wheelies for disabled athletes, her grandson is a very keen competitor. It was suggested she put that in writing and we would more than likely have that for our 2015 SOA funds.

Outing of Interest - Pauline Reibelt asked members if they would be interested in attending a forthcoming concert at QPAC in Brisbane starring Benny Goodman on the 12th July. 2014. Meeting Closed @ 12.10pm

Secretary Report April 2014

Our second 'Goose Club' draw was held on the March run. As members Neil & Trish Hamilton were not present, the draw will increase to **\$30** for our April run. Won't this be exciting if it doesn't go off for another few months!

Had a phone call this week from Wim Verbakel who was a member of the original Brisbane Club CHACA – and when that disbanded, he became a member of CHACC. He would like to catch up with some of the older members – i.e., Hudson & Ita Davies and the like who may remember him. I invited him on any of our future runs as a visitor, so he can say hullo to you all. He no longer has his 1964 Rambler Classic.

CHACC have already paid for the April 16th tour of the ABC, for 16 members. Unfortunately we have already had two cancellations. If any members feel they would like to go, please phone Andy Byrne on 34822196.

Andy & Sally have done a lot of work to get this together – let's hope we don't have any more 'no-shows'. Bring your neighbor or your mother-in-law!

I know it is five months away from our AGM but I am going to start plugging now, as the 2 year limit on executive positions is up for most. The message is clear – CHACC needs member's support.

***VOLUNTEERS ARE NOT PAID,
NOT BECAUSE THEY ARE WORTHLESS
BUT BECAUSE THEY ARE PRICELESS!***

Hope our members currently receiving medical treatment are getting back on deck so we can enjoy their company again soon. Best wishes to Brenda Byrne who is currently undergoing surgery – hope all goes well.

Stay happy, healthy and 'safe driving'.

CHACC MID-WEEK RUN.....APRIL 16th. 2014 Destination ABC Brisbane Centre @ Southbank 11.30am

Run Organised by Andy & Sally Byrne

Whilst we have the confirmed number of members – fourteen, we would encourage anyone who has missed out to put their names down to go as you are now needed to replace two confirmed members who have already put their apologies in.

This mid-week run will need to leave the **Sundowner 9am sharp** to enable us to get to Burpengary Train Station (departure time from there is 9.30am), to connect with our train into Roma Street. We have it on good information that Burpengary has parking for 400 vehicles so is preferable to Morayfield. We should arrive Roma Street, approximately 10.30am. We then go to another platform close by to catch another train which takes us over the river to our destination SOUTH BANK. It is a short walk (approx. 5 minutes) to the ABC. This should enable us to arrive in time without rushing. Next train is 30 minutes later and could make it a bit rushed. Our 9.30am Burpengary train should allow for a coffee and 'pit-stop'.

Our tour commences @ 11.30am.

The above info re trains is being "test-run" by Sally & Andy over the next few weeks so any further alterations will be notified in the next SCN.

We have a couple of members who don't think they can last the hour train ride without a 'toilet' stop, they have decided to park in at Southbank and meet us there. If that is your "thing" please let Graham or Andy know so we are not waiting for you.

Requirements for the ABC Tour.....

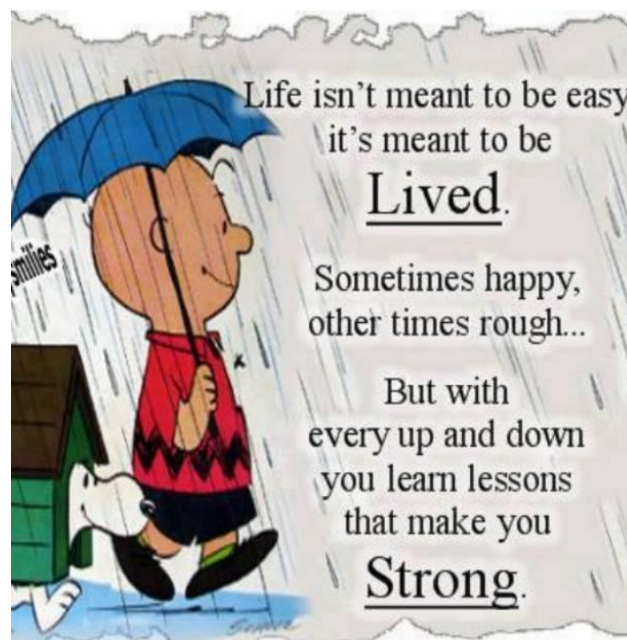

Must arrive on time or you may not be allowed to take the tour

Participants to assemble at the ABC's Reception/Security desk (114 Grey Street, South Brisbane).

The tour will involve walking in a studio environment – please wear comfortable, soft-soled "CLOSED" shoes. (This is an ABC requirement)

No facilities for storage bags, so please bring only the essentials – e.g., handbag, wallet, etc. (This also is an ABC requirement)

Plenty of places to pig out and have lunch after the tour @ Southbank.!

Run Sunday 2nd March 2014

There was a good roll up of members for the first rally we organised. There were 13 cars, 24 members, 3 visitors and 2 potential new members. It seemed that the distance was a bit of a deterrent for some people as there were more modern cars than usual.

We first set off from our usual starting point heading to our morning tea stop at Ewen Maddock Dam Sign. We kept off the main roads where possible and headed through Caboolture along the back road through Beerwah, Landsborough and on to the Dam. We tried to make the instructions as clear as possible but still lost a few people who missed the dam sign. Eventually everyone made it to morning tea under the gumtrees.

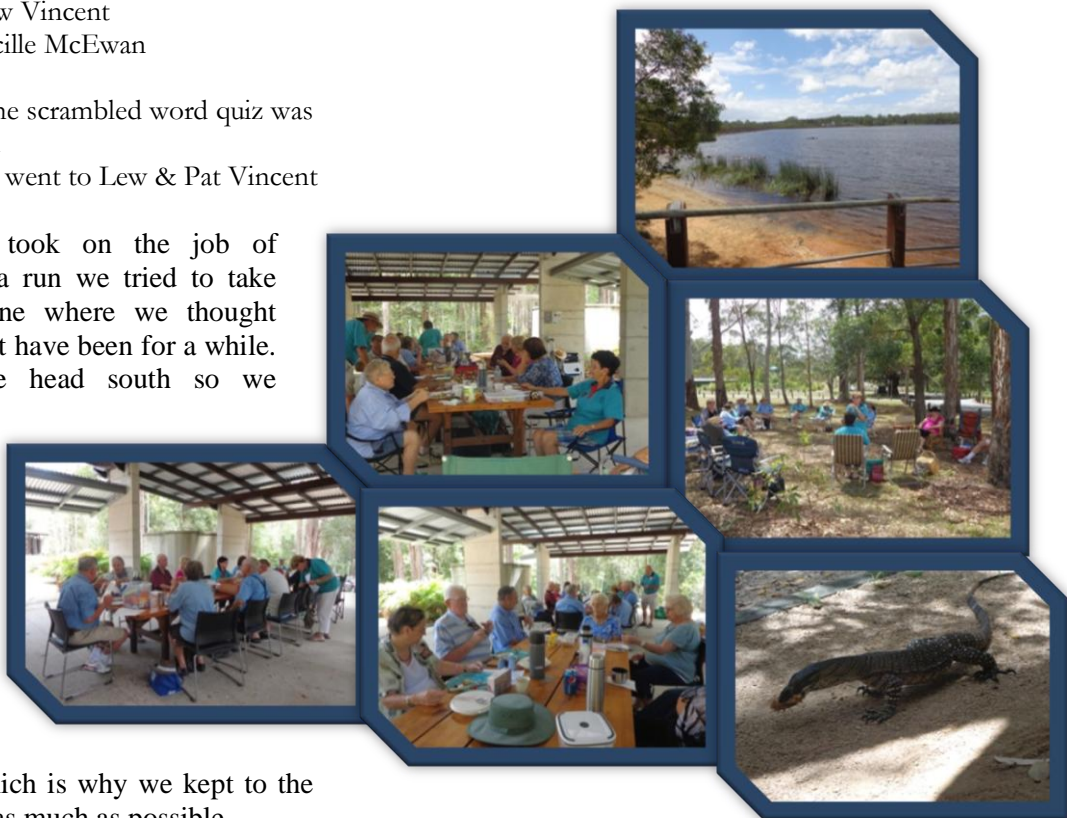

We then took off through the back roads again onto Glenmore and past the Ettamogah pub, then a short drive on the M1 for a few klms then off again heading for the Maroochy Bushland Botanical Gardens for lunch. It was a reasonably quiet day there for visitors so we were able to take over the large shade shelter for lunch.

It seemed that we made the jumbled car words quiz a bit hard however a few people rose to the challenge and the quiz was won by Peter Rohan. The club raffle was drawn and the winners were 1st Prize Gladys Rohan
2nd Prize Lew Vincent
3rd Prize Cecille McEwan

Winner of the scrambled word quiz was
Peter Rohan
Booby prize went to Lew & Pat Vincent

When we took on the job of organising a run we tried to take you someone where we thought you may not have been for a while. Usually we head south so we decided to go north.

We wanted to keep off the main road as much as possible which is why we kept to the back roads as much as possible.

We do hope that everyone enjoyed the run and hopefully on our next run we will see more classic cars.

Mid Week Run 12th March 2014

Landsborough Museum

After finding out that the pre organized run to Rick's Cafe was a non event due to renovations, a quick solution was required. Following some deliberation, a decision was made to visit the Landsborough Museum. This turned out to be a very pleasant run for the five vehicles that responded. There was a good selection of exhibits to see and even some running commentary from one of the volunteers. After our tour we all retired to a park adjacent the railway line to partake in some lunch and have a good chat. Maybe we can try Rick's another day.

This Month's Car Quiz

What three specialty convertibles did General Motors originally introduce in 1953?

Please email your answers to the editor at editor@chacc.com

Last month's Quiz Answer

Winner for last month quiz is Alex

Answer: The car that sold more than one million units in 1965, setting a record that even stands till date is the Chevrolet Impala. Originally introduced in 1958, the Impala was the best-selling automobile in the United States during the 1960s. Early Impala models sported six taillights, a unique feature which, for a time, became the Impala trademark. The Impala was named after an African antelope.

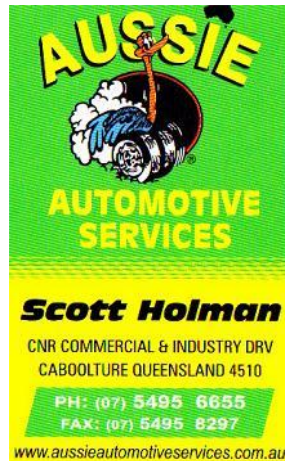

Did You Know?

A car accident in 1952 involving John Hetrick, his wife and daughter was the catalyst for the industrial engineer to develop a system to protect drivers and passengers – the airbag. In those days drivers were unprotected in accidents, and impacts could result in serious injuries. Those who survive often had badly mutilated faces, which doctors darkly nicknamed “steering wheel face”. nearly 30 years later Airbags were used in vehicle.

Airbag moves up to 4500 mph within a second when triggered. A force of 200g is generated. They are designed to explode at an impact speed of 19 mph. The bag inflates within 40 milliseconds of a crash.
