President's Report August 2014

Our last run was the Aussie Brakes Trophy run. It was a good run with great weather again and thanks to Alf and Jenny for arranging it. Not uncommonly, Gladys and I ended up at the dam wall picnic area and had to back track to the "Spit" area which was a last minute alteration. No worries, good rally anyway!

That run was on the Sunday and I was finding things a bit difficult to do any lifting etc, so on the Monday, I attended my doctor who sent me off to Redcliffe Hospital for a check up and do some tests. Consequently, I was kept in hospital till Friday then transferred to Prince Charles where they fitted a Pacemaker and I was discharged and sent home on Saturday at lunch time. All is now pretty much back to normal but am not allowed to drive for a few days so was unable to attend the last midweek run. What with moving into our new villa at the Village Redcliffe and the medical problem it has been very tiring for both of us.

Things are now on the improve and we hope to attend the next rally and also Lindsay's send off on his Angel Flight "Round Australia" trip on the 31st August.

Our next run is on 14th September and I hope to see you there.

Peter

Notes from the Secretary:

- **MEMBERSHIP RENEWALS** - are due now! ~ If you have not already done so, please get your renewals in ASAP – we need your funds to cover our upcoming Insurance premium and the AGM & Christmas lunch or dinner! This still hasn't been decided!
- **NOMINATIONS for AGM** - attached with your notification that the newsletter is up on the website will be a Nomination form. We desperately are seeking 'new blood' as the executive committee needs to stand down (their 2 years are up). They can change positions, as per the constitution but cannot hold the one position for more than 2 years. This is to encourage new members and old to step up and take an interest in the running of your Club. Close off date for these forms is 13th October, 2014 – hopefully next newsletter I can advise of some new interest from members in taking on a position.
- **AGM** - this has been confirmed for Brennan Park, South Esplanade, Bongaree, Bribie Island, 8am for a CHACC provided breakfast on 26th October 2014. Please let us know if you are attending and also if you are willing to assist. Phone Elaine Ph 54331586 or Carol Ph 54954683. Will need numbers for catering purposes.
- **HELLO** - from life member Gloria Groves and partner Stan Cantrell. I apologise I received this over a month and a half ago but neglected to include in last newsletter. "We are in Finley NSW at the moment. Have been down to Victoria to visit family and also to see my great grandson. Say hello to everybody at CHACC for us. We are camped at Tocumwal on the Murray River (is a bit cold). Heading up to Griffith to see Stan's daughter, then Dubbo, Walget, Roma, then Charleville to see my son for a few days then to Longreach. Regards Gloria & Stan."
- **Thankyou** - to Shirley Jefferay who forwarded heaps of info and booking dates on Eildon Croquet Club, Woody Point. Sounds like a great leisure run for a mid-week run or even a Sunday run but would rule it out for our Christmas Do as they require \$300 for hire of their facilities. I think a normal run and a game of Croquet would be fun don't you?
- **Father's Day** - 7th September Sunday - If you don't have any family commitments (like us, whose kids are interstate), and you feel like an enjoyable Sunday, think about coming - full details are on www.redcliffefestival.com.au. Also included in this issue is Vehicle pass but please let me know if you are going as I need to advise the organisers.

Aussie Automotives - verbal regret they could not at this stage sponsor the run – “things were very tight with the business – would be happy to look at it again next year”. Alex to visit Scott Holman to discuss. If not fruitful, committee or members to look for another sponsor for next year. Today’s run, CHACC have purchased a \$100 Coles/Meyer Gift voucher to the winner of the questionnaire.

Looking for a Lift - Lew Vincent suggested we put a permanent notice in our newsletter advising anyone who would like to go on a run but (a) doesn’t feel like driving that far or (b) would prefer to go with someone else or (c) currently unable to drive – to request a lift. Ordinarily to contact our Rally Director Graham – however as he will be away for three weeks in September – this month we ask they contact our President, Peter Rohan who would then organise someone to take them.

Richard Jefferies later suggested we title the SCN notice “**Bum A Ride**”.

Run Report Sunday 3rd August 2014

Somerset Dam.

Thanks to the 24 members who turned up to help us have a successful run to Somerset Dam, which was organised by Alf & Jenny.

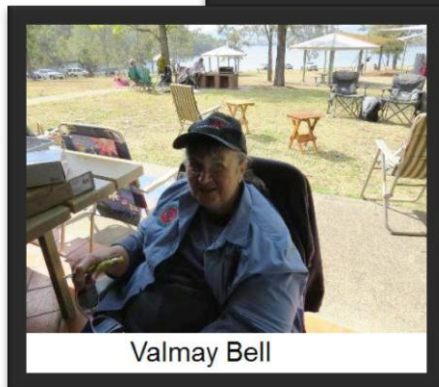

A cloudy and cold morning cleared to a warm sunny day as we arrived at the dam. After a pleasant run from Caboolture we stopped in at Kilcoy for our morning tea and a pit stop. Getting mobile again we continued onto Somerset where Jenny was waiting to direct us to our picnic shed which she had prepared earlier.

When all were settled we had our brief meeting and subsequently did our raffle and quiz for a \$100.00 voucher in lieu of Aussie brakes sponsorship.

The quiz results were 1st Grumpo
 2nd on tie break Neils & Aileen
 3rd tie with Andy & Sally _____ Eldon & Joyce

Raffle winners were 1st Valmay Bell
 2nd Aileen Andersen
 3rd on a redraw Aileen Andersen (congratulations)

Following lunch, those members in classic vehicles prepared for a winding hilly drive home and I trust everyone enjoyed the day.

Mid Week Run Wednesday 13th August 2014

Hello all, it wasn't the best attendance with only five vehicles arriving to enjoy a short run to Jameison Park at Scarborough.

I must admit the day was not so flash with all the wind around, but we enjoyed it anyway. Andy & Sally joined us at the park due to an earlier commitment.

We managed to stay out of most of the wind long enough to enjoy our lunch, after which we packed up. Not much else to say really, hope we can pick up the numbers in the future.

This Month's Car Quiz

What year was the Corvette first introduced?

Feel free to phone 54940720 or email your answers to the editor at editor@chacc.com

Last month's Quiz Answer

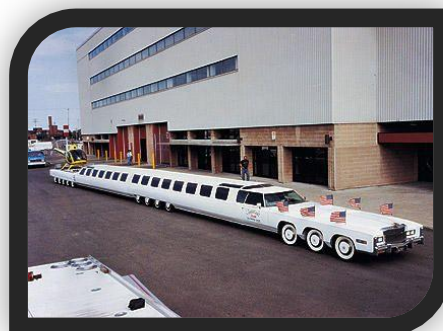

We have one winner this month, and it is Julianne Walters

What is generally considered to be the first "pony car"?

Answer: The Mustang is generally considered to be the first "pony car", it was first introduced in 1964 and designed to be more compact and more affordable than the larger muscle cars

Did You Know?

Limousines are all about being noticed and that certainly is what Jay Ohrberg of Burbank California gets in his 100 foot (30.5m) limo. The limo has 26 wheels and can be driven rigidly or adjusted to bend in the middle around corners. This incredible car is currently in the **Guinness Book of World Records** as the **longest car in the world** and even has two driver's compartments – one at each end – to help with reversing. The longest car in the world is better equipped than many Hollywood mansions, including luxuries like a large Jacuzzi tub, a sun deck, a helipad, a swimming pool (with a diving board of course), a king sized bed and a satellite dish, just to name a few. While the limo isn't actually street legal, it is mainly hired out for exhibitions and to be used in movies. Could you imagine a 100 foot limo driving around your neighbourhood?

Only in America!

BUM A RIDE

Feel like catching up with your CHACC mates but don't feel like driving?

Unable to drive - not feeling well, but need an outing?

Run too long - don't feel like driving that far?

If you answered YES to any of the above scenarios - then pick up the phone and request a lift or wander down to the Sundowner and get a lift from there!

For this coming month (whilst our Rally Director is away overseas) phone our President Peter Rohan on Phone 32041371

THANKYOU

I, along with my family, would like to take this opportunity to express our sincere and heartfelt thanks to CHACC members for their words of support, cards, condolences and the wonderful attendance for Don's funeral. Don would have loved to have been there to see you all and to have a yarn.

The classic car procession drive in and display was a truly wonderful tribute. Thank you all so much. I would love to catch up with members in due course. I also wish to thank the members of the early CHACA days for their attendance, kind words and expressions of sympathy and also to renew old friendships.

Please accept this as our personal thanks as I don't have the addresses or phone numbers of all who attended.

Yours sincerely,

Cynthia McLeod
