CHACC Christmas Lunch December 6th

Arthur

With the prediction of thunderstorms and heavy rain we need to congratulate the 44 very new and old members who braved the forecast and turned up for our Christmas get-together. Thank you all for coming, it made for a great day. Thankfully the weather did hold off for us.

Special thanks to Elaine for picking the venue (which turned out to be very acceptable to all) and for the hard work in doing all the Christmas cards to all attending. The restaurant, along with the

food was exceptional and so far have heard only one complaint of a bad "Steak Day".

Add to the day the predictable Shirley Jefferay "gotcha" awards. Considering they only decided they could make it a week before the event, hats must go off to you Shirley on embarrassing quite a number of members for their 2014 misdemeanours. It made for a very humorous half hour which I think was topped off by Graham Beatson sporting his new glasses and nose! I actually think I was picked on unduly for too many things so will gladly pay any members who can dig up some dirt on Shirley or Richard in 2015!

Shirley, Richard, Gladys & Peter

Mrs Claus "Carol"

Arthur Hall in his outrageous Christmas tie, Santa hat and Mercedes belt buckle must take off the 'Best Dressed' award – you looked the part Arthur – Santa would have been proud of you, down to the lovely white beard!

Really great to see Sandra and Cynthia – let's hope with assistance from members we will see them on some more outings in 2015. That's what "Bum a Ride" is all about.

Alex in his capacity of President, officially presented Aileen with her 'Member of the Year' for 2014 award. Also Graham Beatson was presented with an award for 'Most Runs Organised for 2014'. Congratulations to both members on a huge effort for CHACC. Sally Byrne was also mentioned in managing to drain from members, the highest Sergeant of Arms tally for our 2014 charity – the local branch of the Leukaemia Foundation in Caboolture. Well done Sally.

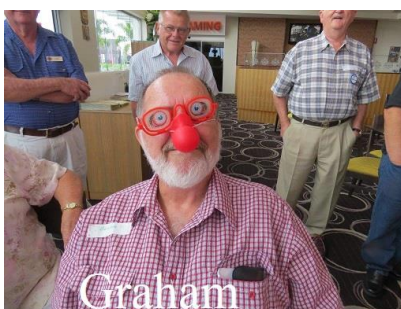

All in all a very enjoyable day and once again a huge THANKYOU to members who made the effort to attend and to those who were unable due to illness or other commitments, we do hope to see you next year.

Christmas Party 6th December 2014

A Big Thank You

What a great day, we haven't made it to a "lunchtime" Xmas do until now, while we still prefer a night time one, we had a great day. Those who organised it & worked so hard during it, need ALL of our thanks, the usual few worked hard before the dinner & throughout it to make sure we all had a really good day out.

Lew, Jenny, Alf, Marge, Leo, John and Lorraine.

Well mission accomplished!!! The venue was tops, the food excellent & staff very friendly & efficient. We had our own comfy little corner, & with great company had a relaxing Xmas dinner.

Kim

Stan, Jenny, Pam, Elaine, Noelene, Arthur and Glenda

Richard & I would like to sincerely thank Elaine & Carol, Kim & Alex & any others who had a hand in the organising & running of the event, as usual they worked tirelessly to make sure members had a great time.

I did my usual Xmas "dob-ins" spool & know I got all of them, jokingly of course, but they make such great targets!!!!!! Guess it's up to them to dob in some other members throughout 2015 so I ease off on them just a "little"!!!! So watch your backs people!!!!!!!!!!

Graham & Alex

Andy, Sally, Barbara Brown life member, Sandra Croft & Jan

There were members there we hadn't seen in a while, welcome back guys, hope we see more of you.

THANK YOU guys, from us, it is much appreciated, we heard nothing but praise from ALL members attending, as usual, JOB WELL DONE.

Cheers Shirl

SOCIAL UPDATE:

- A very special birthday for Jan Beatson on Sunday 14th December. Do hope you enjoyed celebrating your 70th with family Jan.
- Sandy & Charlie Provis would very much like to have attended our Christmas lunch however at the time, Sandy was still in the Mater Hospital recovering from major surgery. She is now home and on a very slow road to recovery. We are hoping that it is not too long before she is up and about bossing Charlie and everyone else as she does so very well. Get well Sandy!
- Would you believe, the weekend before our Christmas lunch, Don Streeton was in hospital in intensive care. How good to see him recover well enough to attend with Phyllis the following Saturday – looking good Don.
- Also great to see Arthur & Noelene Hinsbey @ our Christmas lunch. Arthur is still undergoing treatment but Noelene must be an extraordinary “Florence Nightingale” as you both looked great on Saturday and was tremendous that you made the effort to come.
- Lindsay & Valmay are finally back from their epic journey for Angel Flight. It was actually their official ‘welcome home’ celebration on the day of our Christmas lunch, otherwise I know they would have been there! Look forward to catching up with them in 2015 and hear all about their adventure.
- Pauline – you didn’t get up on the table and dance (as promised) but really good to see you – without the wheelchair and walking stick! We celebrate for you but more for Trevor!
- Best wishes to all members who are undergoing health issues and positive thoughts for you all for 2015. The committee wishes you all a safe and healthy Christmas Holiday. Hope to catch as many as can make it for our Invitational run on Sunday 11th January, or Australia Day on 26th January, 2015. We won’t have a February SCN so if you can’t make it to either of those – hopefully we will catch you on our traditional ‘Fish N Chip’ run on the 1st February 2015.

“Letters to the Editor”

Hi members,

Just thought I would pass on something that I think you should check on your own insurance policies as it seems all Insurance companies have different interpretations on what they cover and under what category.

Whilst we were at Kilcoy Classics in late October, a shade shelter was blown by the wind. Luckily it mainly damaged the owner’s car (not us!). It got us thinking about how this would be covered by insurance – particularly if it damaged 6 or 10 other cars. A call to Shannons indicated it was not a car insurance matter, but should be covered by home & contents cover. We then called Suncorp and they said that it definitely is covered under personal liability of CONTENTS insurance. (Page 55 of product disclosure).

Jenny Vallance

Thankyou - Don and I would like to personally thank the hard working committee and in particular those who put an effort into our Christmas lunch recently. The venue was great, the food was also exceptional and we both enjoyed the day very much. Sincere thanks to all concerned and wishing all fellow members a very happy Christmas.

A great education for today's children
This has only been just over 104 years ago...Amazing!!!

The year is 1910, over one hundred years ago. What a difference a century makes!

Here are some USA statistics for the Year 1910:

The average life expectancy for men was 47 years.
Fuel for this car was sold in drug stores only.
Only 14 percent of the homes had a bathtub.
Only 8 percent of the homes had a telephone.
There were only 8,000 cars and only 144 miles of paved roads.
The maximum speed limit in most cities was 10 mph.
The tallest structure in the world was the Eiffel Tower!
The average US wage in 1910 was 22 cents per hour.
The average US worker made between \$200 and \$400 per year.
A competent accountant could expect to earn \$2000 per year,
A dentist \$2,500 per year, a veterinarian between \$1,500 and \$4,000 per year,
And a mechanical engineer about \$5,000 per year.
More than 95 percent of all births took place at HOME.
Ninety percent of all Doctors had NO COLLEGE EDUCATION!
Instead, they attended so-called medical schools,
Many of which were condemned in the press AND the government as 'substandard.'
Sugar cost four cents a pound.
Eggs were fourteen cents a dozen.
Coffee was fifteen cents a pound.
Most women only washed their hair once a month, and used Borax or egg yolks for shampoo.
There was no such thing as under arm deodorant or tooth paste.
Canada passed a law that prohibited poor people from entering into their country for any reason.
The five leading causes of death were:
1. Pneumonia and influenza
2. Tuberculosis
3. Diarrhoea
4. Heart disease
5. Stroke
The American flag had 45 stars.
The population of Las Vegas Nevada was only 30!
Crossword puzzles, canned beer, and iced tea hadn't been invented yet
There was no Mother's Day or Father's Day.
Two out of every 10 adults couldn't read or write and only 6 percent of all Americans had graduated from high school.
Eighteen percent of households had at least one full-time servant or domestic help.
There were about 230 reported murders in the ENTIRE U.S.A!
I am now going to forward this to someone else without typing it myself.
From there, it will be sent to others all over the WORLD...all in a matter of seconds!
Try to imagine what it may be like in another 100 years.

Andy & Sally
