Secretary's Report for August 2016

August and the Ekka will have nearly gone when you read this.

The weather so far has been pretty kind to us for our monthly and mid-month runs and I hope it stays that way.

We did have a very good run for August organised by Jenny and Stan Vallance to the Eagle Rock Café which was enjoyed by those that attended. (Run report elsewhere). I was a bit concerned that the run may have been beyond some because of the distance but with our stops at approximately 1 hour intervals it was a very enjoyable outing for the day. I hope that we can do a couple of these longer runs next year. Needs a bit of planning but worth the effort!

We have received quite a few applications for membership this last couple of months and I welcome them on board and hope they get the enjoyment out of the club that we offer. Hope to see you often!

Not much to report other than our Social Secretary will be including some details about the AGM and as this is in early November we need to find some willing workers to take positions on the executive and committee.

There are past execs and committee members who are willing to assist any newcomers so come along to the next few runs and put your name up to help us keep the club moving forward.

Your Secretary

Peter

PS. Yes, I will be standing again for the Secretary's job if you will have me, so that's one position you won't be lumbered with!

Sunday August 7th Run Report 2016

Laidley/ Eagle Rock Café Run Report 7th August 2016

On the road by 7.30am today because we have an 8.30am start for our monthly run.

This will be a long run today organised by Jenny and Stan Vallance and we are looking forward to a good day out.

Prior to leaving home, Alex phoned to put in his apology as he had the cold virus going around and sounded terrible on the phone. Jenny D'Acunto had rung the night before and would meet us at our morning tea stop as would Stan and Jenny Vallance. Phyllis and Don Streeton also advised they would meet us at the venue.

There were 8 members and 1 visitor (Dave and Marie BNAA club) at the Sundowner, mostly classics with only 2 moderns and we got away pretty well on time.

Our morning tea stop was to be the rest area at Toogoolawah and a couple of vehicles made a comfort stop at the Yowie Park at Kilcoy before continuing on to Toogoolawah.

We made good time and arrived just before 10am, where we were welcomed by both Jenny's, Alf and Stan sitting back in their camp chairs soaking up the sunshine. This is a small rest area which Gladys and I have used on numerous occasions during our caravanning days and have always found it to be very clean and tidy.

Frank had forgotten his morning tea gear and detoured into town for a coffee and cake before re-joining us.

In the absence of our President, Andy Byrne took on the role of Chairperson and we conducted a short meeting. At the conclusion of the meeting, Jenny Vallance presented all those on the run with a survival kit which included a bottle of water, a small cloth, a small bag of lollies, mints and a small chocolate bar. Well done Jenny and appreciated by all!

Andy and Sally had to leave us at this point as Sally had an early hospital appointment the following day and needed some time to prepare. Hope all went well for them.

The rest of the group left Toogoolawah at about 11.15am for our next leg and we arrived at the Eagle Rock Café in Laidley at around 12.15pm with Phyllis and Don arriving just after us.

Jenny had phoned in the approximate numbers we had and a Lamb Roast was the special for the day for \$12 or you could order from the menu available. Meals and service were good and with the Juke box blasting out rock and roll music and the colourful décor of the café it was an enjoyable experience.

It was good to catch up with Phyllis and Don Streeton who really enjoyed his ice cream sundae.

We left Laidley at approximately 1.45pm. Some decided to return home via Ipswich and the balance of us made our way back to Toogoolawah as a group for afternoon tea.

We ended up with 7 vehicles at the rest stop where again Jenny surprised us with slices of fruit bun for all whilst we enjoyed a cup of coffee. I think this little rest stop was a good idea as it broke up the journey quite well and gave both the cars and the participants a rest.

From here we all made our goodbyes and dispersed for our final leg home.

All in all, a great run, great weather and great company!

Well done, Jenny and Stan!

Thank You

A very big thank you to everyone from Jenny Da'cunto for the support for the raffle. Carol won the prize which was redrawn then Jenny won the prize which was redrawn again. Eldon loves his prize from a few runs back, says that he uses it all the time. Thanks from Jenny Da'cunto

Mid-Week Run 17th August 2016

Weather was perfect for our picturesque meander to Bribie. Nine vehicles and 13 members including new member Syd Robinson in his immaculate 1964 Daimler which certainly stood out at the Sundowner carpark.

Alex certainly gave us a different aspect for getting to Woorim. Some spectacular houses in particular one on Campbell Street which caught all of our attention. He also gave us a different style of quiz that everyone seemed to enjoy. Not the first time however did our Scotsman leave the quiz prizes at home! Do hope the S.O.A.'s picked up on that one.

Hopefully we will get a photo of Syd's Daimler to include in the next newsletter.

UPDATE on Members

Missing in Action – Pam McPherson commenced an adventurous trip in her 1957 Vanguard Ute mid-May. She was travelling with the Vanguard Club through NSW, Victoria and ending up in South Australia. Sounds fantastic Pam – do hope you can fill us in on your wonderful trip and obviously many encounters. Surely you must be home by now!

Update from Shirley and Richard Jefferay who have slowly settled into COLD Parkes. When they arrived they had heavy rain and the removalists couldn't get up their driveway through the mud and temperature was 1 degrees. Have had temperatures ranging from maximum of 4 to 9 since then, so do hope they have thawed out now. Richard and their son and grandson have just completed a trip to the Simpson Desert (having fun) whilst Shirley was left to unpack! They send their regards to all members and hope to catch up on one of their trips back here in nice sunny old Queensland!

Gloria Groves and Stan sent an update on their movements – they were at Grace and heading to Charleville to see Gloria's son Mark and wish to say hullo to everyone.

A couple of members have popped in to say hullo to Hudson & Ita over the last month. Considering their age they both are looking very well. Thankfully Hudson is no longer driving (much to his disappointment). If any members have a spare hour – pop in and say 'gudday', they would love to see you.

Sincere thanks to life member Darryl Byrne who has once again donated \$50 towards the cost of postage of our newsletters to non-email members. Much appreciated.

Barbara Brown's mum Violent has overcome another tumble and is progressing slowly and hopefully on the mend. Do hope all members on the Sick List are on the road to recovery.

This Month's Car Quiz

No winner for last month's quiz:

Last Month's Quiz

Q: What year was the Olympic flag created and by whom

A: 1914 was the year the flag was designed by Pierre de Coubertin, 1920 was the year it was first used

Did You Know?

The founder of the modern Olympic Games, Pierre de Coubertin, wanted to memorialize the 20th anniversary of the revival of the Olympic Games. He decided to create a banner, an emblem of Olympism, to present at the 1914 Paris Congress of the Olympic Movement. For his design, Coubertin chose a five-ring symbol that came from an altar-stone discovered at Delphi. The number five refers to the five continents. He chose six colours (white, red, yellow, green, blue and black) because each flag of the countries that were a part of the Olympic movement contain at least one of those colours. The Paris Congress in 1914 was so taken with the design that they adopted it as the official flag of the Olympic movement. The new flag made its debut at the 1920 games in Antwerp, Belgium. It was here that the rings became the official Olympic symbol.

Menu will be like last year – 2 meats +vegies, and plum pudding. Drinks at bar prices, cost will be \$15.00 per head for club members.
Graham Beatson and his small group of talented musicians have agreed to attend and play for us, so that will be an added incentive for all of us for an enjoyable afternoon.
