General Business:

- Select charity recipient. Received nomination by Kim Bowers to be given to 9mths old Ethan Gosden. Ethan was born with an extreme brain disease which causes him to have hundreds of seizures a day. As there is limited funding support for his condition, a donation would help to provide the help he needs.
- Kim Bowers moved that we donate the sum of \$1000.00 to the Ethan Gosden cause. This was seconded by Pat Vincent.
- Prior to any discussion taking place, Alex Gallacher moved an amendment to the motion “that the sum to be donated be \$500.00”. This was seconded by Phyllis Streeton.
- After the amendment was opened up for discussion, Alex spoke for the amendment and explained the reasoning behind his amendment being that we need to conserve our current financial position and that the amount he proposed be adopted.
- Pat Vincent spoke against the amendment and felt that the club could afford the amount mentioned in the original motion.
- The amended motion “that the sum to be donated be \$500.00” was put to a vote with the majority of members voting for it. Motion carried.

The meeting was adjourned at 12.42pm to allow lunch to be served and be entertained by Grumpy and his merry men playing some lovely music.

PRESIDENT'S ADDRESS TO MEMBERS AT AGM 19TH NOVEMBER 2016

Firstly, on behalf of myself and the committee let me welcome you all to our combined Annual General Meeting/Christmas Party, and thank you for coming.

To paraphrase John Lennon let me say what many of you are asking – and should do so: “So this is Xmas, and what have you done”?

Well, as a committee, we have done what all good committees of clubs should do

1. We have looked after our members – how? By remaining solvent, and by providing a return to the Dept of Fair Trading with the required details of our financial health, our office bearers, and paying the required fees, all of which are necessary to remain an incorporated entity. Which as you all know permits you to display club plates, apply for concessional registration and insurance under the SIV (Special Interest Vehicles) scheme.
2. We have organised runs to a variety of destinations, subsidised some events (including this lunch) held raffles, and raised other funds by the judicious application of fines by our Sergeant at Arms. But more about that from our Treasurer.
3. And finally, we have helped the community by making donations to local families to help those who are suffering (through no fault of their own) hardship of one kind or another. You may recall in previous years it was “Angel Flight” the “North Lakes Renal Unit” and recently a “Sensing Dog” for a young Bribie Island girl – Emily- who had a number of medical conditions all of them life threatening. (Explain)

So that’s what we’ve done, and I stress “WE”, because all this is not the work of one person alone. I have touched on our Sergeant-at-Arms Sally Byrne, and I will also mention Jenny D’acunto who organised raffles, the ever reliable Carol Bowers – who stands in for

everybody, our trusty Secretary Peter Rohan, Andy Byrne who keeps us up to date with QHMC news and resolutions. And everyone else who puts their hand up to organise a run, or even suggest one, plus all those faithful devotees who roll up Wednesdays and Sundays for our monthly outings. A huge “thank you” and I just wish more of you were able to come on our runs, because you miss out on a lot of friendly banter, laughter, and solutions to all the problems of the world – most of which we solve.....again and again and again. Anyway, seeing as how you have all turned up to enjoy a nice meal, and not just hear me talk, I’ll hand over to our Treasurer who will explain a little more about our accounts, and where the money came from, and went to!

Secretary’s Report for October 2016

The 2016 year is coming to an end and a new group of people are about to be selected to take us into 2017.

I have enjoyed being your secretary for the year and also attending the runs we have held to venues that have been varied and interesting and a thank you to all those that organised and participated on those runs.

For your interest we had 19 runs in total consisting of 10 monthly and 9 mid-month with average attendances being 10/mth run and 9/mid-month with the most popular runs being to pub lunches or BBQ.

I am thankful for the assistance I have received throughout the year working with our President, Treasurer and Editor in maintaining a good working relationship and delivering information to our members through regular meetings on our runs and the timely production and delivery of the Steering Column News.

Whilst I have been producing agendas and minutes for our regular meetings and maintaining some records, my job has been greatly reduced by Carol who happily collects mail, sends out the SCN by either email or post, sends me information to maintain our records, collects your yearly subscriptions and does all those other little jobs that “just happen” that assists the smooth running of this club.

Carol, I personally appreciate your assistance and a great big “thank you” not only from me but also I thank you on behalf of the club

I would also like to thank Sally for her commitment to carrying out her duties as the Sargent of Arms without fear or favour.

Hopefully, the new committee that is elected and our members will continue to support and grow CHACC

Secretary

FAREWELL 2016

Special thanks to all members throughout the year for attending and organising our runs. Without you we wouldn’t have a Club.

Thanks to our Editor, Aileen who has been consistently on time and willing to put her hand up for yet another year. To all the committee who have done a great job, and the new committee who have put their hands up to tackle another year. Alex who has travelled to Woodford, six times to get our books audited, Peter who has endured his first year as secretary and agreed (God bless him) to take it on for another year. For the effort Elaine put into negotiating with our Venue manager for our Christmas lunch and all the phone calls. The “early birds” Neville & Barbara, Erin & Aaron for assisting so much in setting up and our BAND, Graham Beatson and his ‘merry men’, George & Len – what a great entertainment they were.

To all on our sick list – we wish you a ‘speedy recovery’ and hope to see you next year.

Wishing all members a safe and happy Christmas with family and friends.

Sunday November 6th Run Report 201

Another warm day for our Sunday run. Some of us decided to come air conditioned modern and others opted to drive in the past lane.

Fourteen cars and 26 members left the Sundowner and headed for a leisurely run to Kilcoy for a morning tea stop and meeting. Jenny and Stan joined us in Kilcoy. Before the meeting we had a time limited quiz and this produced some creative answers (some not accepted) and was won by Gladys with the highest score. Pat and Lew tied for second with Carol and Kim.

After the meeting we set off for Esk via Somerset Dam which was a pleasant scenic drive. On arriving at the Grand Hotel in Esk for our lunch stop, we found a separate parking area had been reserved by management for our cars alongside an area for the bikes belonging to a motor cycle club which was also visiting the hotel.

Unfortunately the hotel had a mix up in the kitchen with the lunch orders, and many members had to wait a long time for their lunch. Management was extremely apologetic for the delays and did supply some free chips and drinks. They gave an assurance that this would not happen again should we ever want to revisit.

All in all the run was an enjoyable outing.

BUM A RIDE Feel like catching up with your CHACC mates but don't feel like driving? Unable to drive – not feeling well, but need an outing?

Run too long – don't feel like driving that far? If you answered YES to any of the above scenarios – then pick up the phone and request a lift or wander down to the Sundowner and get a lift from there!

2016 Christmas Party

It was great to see so many of our members at our Christmas Party. All coming together to celebrate the successes we have had through the year and the upcoming festive season. This year we were again at the Centenary Lakes Bowls Club. The dinner was kindly arranged by Eileen Gallacher who did a wonderful job once again and hope she does it again next year. I am sure everyone would agree we all had a lovely meal with some great company. After the meal we were treated to some great music by a live band in which Graham Beatson was the drummer

The formalities of the AGM began by declaring all position vacant and thanks to Andy Byrne who chaired the selection of our new president who then went to work electing the other positions. A list of the new office bearers are found in the secretary's report. The AGM was then followed by the general meeting.

Aaron & Erin Saunders did a great job with the Raffle and collecting member's dollars for our subsidised lunch. Also Thanks John & Jan Westerhuis for donating the lucky door prizes. This year the "Club Member of the Year" went to Carol Bowers. She is always there to do lots of tasks making sure our runs and other event are successful.

A great time was had by all members and departed in high spirits looking forward to the upcoming Christmas and of course catching up with Santa. Merry Christmas and a safe and happy New Year.
