Secretary's Report for June 2017

May already! I think time flies away as you get older!

After the President encouraged us to shorten the Monthly Meetings, our May meeting was over in 45 minutes which I must admit was a good effort. Those that attended were each given an Agenda to read and digest before we started and all went well. It also helps if there is not much business to be done. Well done Mr Pres!

I dropped in to Neville Brown prior to the mid-month run and I can report that he is slowly improving. He is now able to sit up for about 15 minutes before the back pain becomes too much but the staff are now able to get him into a wheel chair for short periods and Neville can use his arms and upper body to propel the wheel chair along. We wish him well and hope he continues to improve. If you want to visit Neville contact Barbara.

Also sad to hear of Lindsay Bell's medical problems. Carol has more details than myself so if you need to know more get in touch.

Andy and Sally have put in a lot of work to arrange their June run to Benarkin and if you are going, please phone Andy as he needs numbers for the food/ sausage sizzle. It is a great run up the range and a chance to give your pride and joy a good run.

Decals for the 35th Anniversary have been produced and will be distributed at a later date.

Hope to see you on the next run.

S.O.A Report

Our Sunday run on the 7th May organised by Alex was a very nice run with lovely weather & us in our open MG it was most enjoyable, the first leg took us to a pleasant spot @ Beerburrum, then the second leg to our final destination for lunch @ Toorbul, the first leg presented opportunities for "errors" in navigation & also by our fearless leader Neils leading some of us astray, which overall helped with our collection for the run of **\$16.60**.

I would like to thank all who participated in the fun with this collection, don't forget IF you know something that the S.O.A. should be aware of please let me know.

I hope all who can will join us on our next run which Andy & I are to organise, Note the details for it in the S.C.N. make it a fun day driving in the past lane "like me in photo",

Kindest Regards to All. **SALLY.**

By Law changes- Leave to General Business

Treasurer's Report: John Westerhuis gave his treasurers' report. Moved by John Westerhuis that the report be adopted and invoices be passed for payment. Seconded by Alex Gallacher. Carried. Treasurer to go ahead and obtain a stock of shirts up to the value of \$200.

Copy of report can be obtained from the treasurer.

Rally Director's Report: Alex gave a run down on coming events and advised that our runs and outside Events are in the latest SCN.

Andy Byrne requested that those attending the June run to let him know. It is proposed to visit a private collection of cars and machinery at Benarkin and we will be able to do a BBQ there. It is requested that you bring along your own salad. If this visit is unavailable a "plan B" is in hand.

This run is also the "Tyres Galore" Trophy run so you need to be there to win. The prize will be drawn out of the hat!

QHMC Report: Andy Byrne gave a quick rundown on the last QHMC meeting.

- Updated SIVS guidelines are now on the TRM website
- Club membership is required at the time a vehicle is put on SIVS, but there is no written requirement for this at rego renewal time. TMR advice is that failure to maintain membership of an appropriate club would be regarded as a breach of registration conditions. This would affect continued usage and have implications for CTP cover as the vehicle would be operating outside of its conditions.

General Business:

Items of interest to be discussed

- Milestone 35th anniversaries decals in hand and the white lettering was preferred. Secretary to confirm order to The Sign Cellar.
- Certificate of Appreciation and cheque for Osprey House presented.
- Confirmed that Tyres Galore will continue to sponsor for 2017.
- Carol Bowers suggests we change the By Laws to include a statement that "No pro-rata payments will be applicable unless new members attend a Monthly or mid monthly run". This motion was moved by Carol Bowers and seconded by Alex Gallacher. Carried. Secretary to issue By Law addition as per the motion.

7th May 2017 Run Report – Toorbul

Oh well, here we go again, I reckon if we had a clubhouse they'd stick a broom up my bum so I could sweep the floor as I walked around!

Not content with having to organise the run, find a destination and morning tea toilets, come up with some challenging questions on the day, and select and award the prizes, now I have to write the run report!!

No use whingeing, best to just get on with it.....So, arriving at the usual departure point there were a few newish faces – which was good to see. It was turning out to be a nice day, and there were a few (like your correspondent) who taunted the weather Gods, by going topless. Not that top! I mean we took our tops down...aw hell, I mean we lowered the convertible tops on our respective vehicles – not what you're thinking, get with the program!

Anyway, after the usual chit chat and in depth discussions of our various health problems and misadventures, we climbed aboard our trusty steeds and headed northwards. Upholding the proud traditions of the old west “wagon trains” – bound for unknown destinations and adventure.

It was the intention of the organiser (ME) to provide a short but scenic run meandering through some of the pineapple plantations around Elimbah and Beerburrum on the way to our morning comfort and tea stop at Pelican Park. And with all due modesty I feel this objective was achieved, even if I say so myself – and I do!!

Parking space was slightly limited, but we all managed to fit in, and enjoyed a pleasant interlude with the usual suggestions on how to solve the problems of the world at large, and our little enclave in particular. Unfortunately, we had our own problem to solve in the form of the imminent arrival of the “Corvette Club”. Frank Tenney advised us that their run was also scheduled to arrive at the park as well.

So, it was with heavy hearts (but lightened bladders) that we de-camped from our pleasant little spot, and headed off via another circuitous route towards our final destination at the Toorbul foreshore. On arrival we noticed that the area had been substantially improved since our last visit, with a couple of large covered shelters, complete with tables, and a nearby playground. All very convivial.

We soon settled down – some in the sun, others taking advantage of the shady areas to enjoy our lunch, and be relieved of various amounts of cash by our venerable (look that one up!) Sergeant-at-Arms Sally, and the equally hard working raffle organiser, Jenny.

Not to be outdone the rally organiser (ME) added to the misery by making his pronouncements as to the correct answers to his variously annoying puzzles, with the winners being acknowledged with a hearty “well done”. Most were just relieved it meant he was going to sit down and shut up!

Apart from the run director's buffoonery, it was a good day, enjoyed by all on a very pleasant Sunday.

Your faithful correspondent.

Mid-Month Run Report 17th May 2017

Bullocky Rest

This run was approximately 40klms and took around 50 minutes.

This run was a “Poker Run” which we have not had for some time and knowing some members reluctance to be subjected to quizzes and other competition that requires a small amount of knowledge, this run would enable them to enjoy the drive without worrying about answers. Three cards were handed to each car prior to the start of the run.

After leaving the Sundowner, we proceeded through Caboolture main street before taking a scenic drive through the a western section of Caboolture and Morayfield, then again a drive through the back of Narangba before entering Dayboro Rd and Young Crossing Rd and following the tourist drive around to the recreation area of Bullocky Rest.

We set up our eating area adjacent to the toilet block on the Peninsula section of the delightful recreation area.

We did not lose anyone on our journey, however, a couple of persons missed the prescribed exit on one of the roundabout and was dutifully followed by a couple of cars before the mistake was discovered.

Our leader(Mr Pres), missed the turn to the right on Young’s Crossing Road but quickly rectified the situation with a fine “U” turn before returning to the right direction.

All in all, I must congratulate myself for being able to give the right directions, ie., left and right turns as I have been accused in the past of not knowing my left from my right.

Everyone had settled in for lunch and the Poker game was continued, where members were allowed to change one card and then additional cards were given out so everyone had five cards. Pairs seemed to be the order of the day and Sally took out the first prize with a pair of Aces, Jenny 2nd with two Queens and Toosje with a small pair (which I can’t remember). Carol received a prize as she had a dismal nothing hand.

While the weather was mild and mostly overcast, it was a pleasant day for a drive and enjoyable company with the regulars turning up and we also welcomed Martin and Nellie Schobbe from the NNAAA club in their Vauxhall convertible. With the top down, that was then three open cars with Andy/Sally and Alex MG B making up the threesome. Great to see visitors turning up on our runs. Hope to see you on the next run and until then, safe and trouble free motoring.
