2017 Presidents Report

We have had another successful year. We have a great club with friendly people who love be out and about in our classic cars. We were out and about on our runs many thanks must be given to our rally director and the members who took on organising the various run. The runs were very enjoyable and we went to new locations or locations vair new routes avoiding the highway where possible. We also saw an increase in people and cars attending our runs. Our club had a number of new members this year and it was great seeing them on runs. We also celebrated our 35th anniversary and I had the pleasure of organising the presidents run to celebrate this milestone for our club. It was great to see some of our life members there and on other runs since.

The committee we have had this year have committed to making our club run successfully throughout the year. They have certainly made my job as president easier, so I would like to thank Peter Rohan, John Westerhuis, Andy Byrne and Alex Gallacher for all their help and guidance. I would also like to thank Sally Byrne for all of the work as SOA collecting donation for charity, Jenny Vallance for organising the raffles and Carol Bowers for all the bits and pieces she does behind the scenes and of course all the other members who have helped out at various times.

Our finances are in good shape and we were able to subsidise costs for our members at various times as well as giving a generous donation to a worthy charity again this. It has been an enjoyable experience working as the president and I know with our new committee will insure we have a great 2018.

Run Report 5th November 2017 – Bellbird Grove at Enoggera Reservoir

Well, as usual your correspondent – or should that be “despondent correspondent”? Look that one up, it means “loss of hope” and is particularly relevant because I fear that I will forever be writing run reports till I shuffle off this mortal coil. Still, it could be worse...I could be Club Secretary; the mere thought sends cold shivers up my spine.

Anyhow, we congregated at the usual spot for our prestigious GY Rally, named after the “GY” model Vauxhalls, owned by Peter & Vera Friar and in their honour the perpetual trophy is awarded. After a brief discussion re the origin of the award for the newer members, our esteemed Run Director dispensed the run sheets and the Trivia questions, much to the chagrin of the assembled members.

Our route took us on a fairly long excursion to our morning tea stop, taking us past Morayfield, Burpengary East (East is the upper-class area of Burpengary which happens to contain the domiciliary edifice of your correspondent) then through Narangba, Dakabin and onward to Kallangur – phew! Soo thereabouts we diverted to that delightful industrial area of Brendale, to Eatons Hill, and the imaginatively named Eatons Crossing Road. Where the hell we were going was now becoming a total mystery, known only to a select few, and they weren't saying anything in case they were stoned for devil worship or is that only for witches? No matter, this circuitous route eventually took us past Samford Village, which evoked pleasant memories of free damper with Golden Syrup and billy tea, and free sausage sizzle for lunch on Australia Day. This recollection of times past by your correspondent provoked an interesting conundrum – should he celebrate the land of his birth with a free feed in true Scottish style, but on a day celebrated by the Sassenach's and other lesser immigrants

in his adopted land?? However, I digress because soon after we turned off into Iron Bark Gully Picnic Ground for a welcome morning tea and comfort stop.

After this, it was but a shortish hop down through Upper Kedron to Settlement Rd then to Waterworks Rd, and Mount Nebo Rd and Enoggera Reservoir. Arriving at an almost deserted Bellbird Grove, we were able to secure ourselves a coveted spot under a large enclosure with an abundance of tables and seats much to the surprise of many as this is a popular picnic spot on Sunday's. After some full and frank discussion with Leo Nunnink on metric conversion rates (as it turned out he was right! Apologies Leo) the winner(s) of the Trivia, and hence the GY Trophy were Stan and Jenny Valance, who were warmly congratulated on their grasp of dubiously valuable information!

All in all a reasonable and enjoyable day, considering the meagre grasp of intelligent thought by the Run Director who devised this little excursion. And a big thank you to all who participated.

Your loyal (dual citizen) correspondent. Och the noo!

FINAL S.O.A. REPORT **PERIOD SEPTEMBER - NOVEMBER 2017**

Hello Members, This my final Report [yes Final] for the clubs current Financial year, I have really enjoyed doing the position of S.O.A. officer for your club, it has been a great Privilege & fun especially when we all can get a laugh out of it, and help somebody, I would like to take this opportunity to thank you all for your Help and Friendship who made this position worthwhile.

I must not forget the Two who would be always first on the list - ANDY and ALEX (my Scotty friend) and not forgetting Andy for his support whilst I was doing the S.O.A. duties.

On the last Sunday Run 5/11/17 I was not well in the early am & Andy had to come to my aid on several occasions it was close to calling it a day & going back home prior to leaving the Sundowner & on the way & at morning tea stop, as it was the last Run for the year I tried to complete the day.

I asked Andy IF he could find someone to stand in for me and I must sincerely thank Jenny D'Acunto who took over the position of S.O.A. for me on the day, A Big thank you Jenny.

2017 Christmas Lunch

A big thank you to all members and their guests for making the effort. Our 'special' guests Lindsay and Valmay - what a wonderful effort - was great to see you Lindsay and congratulations on your achievements so far, you are a "fighter" and I am sure with Valmay by your side there will be many more to come. Another amazing effort from Sally Byrne who was @ Royal Brisbane @ 6.30am on the morning of the lunch receiving dialysis and also managed to make it! Thank you Barbara for getting Neville along, was also great to see him. To our members who brought along guests to well and truly make up our numbers, another big thank you - do hope they weren't too bored with our meetings. I think also special mention should be made to the best behaved 3 and 5 year old grandchildren of Neils and Aileen (Mila & Jonty).

Another BIG thankyou to Elaine & Alex. Elaine made many phone calls to members to get them there, organised the venue and the menu to everyone's satisfaction. We even had a separate meal organised for Lew Vincent (who is on a celiac diet), unfortunately due to ill health he couldn't make it. Then there is Alex who went to extraordinary lengths by driving to the Gold Coast to pick up the Life Membership badges which wouldn't have arrived on time, then of course his eloquent speeches delivering same.

Can't forget the band - made the day - thankyou Graham, George & Len you were all fantastic - loved the music. Wish there could have been more of it before we had to vacate the venue. Please pencil us in for next year!

SECRETARY's ANNUAL REPORT for 2017

The 2017 year is coming to an end and a new group of members have been selected to take us into 2018.

I have enjoyed being your secretary for the last couple of years and also attending the runs we have held to venues that have been varied and interesting. I thank all those members who have organised and participated on those runs. For your interest we had 19 runs in total consisting of 10 monthly and 9 mid-month. One mid-month run was washed out. The average attendances being 18.5 members/run and 1.4 visitors per run which included 5 Pub lunch runs and 2 sausage sizzles.

For the past 4 months health problems have restricted attendances to runs for Gladys and myself and I am grateful for the assistance I received during that period from Andy Bryne, Alex Gallacher and Carol Bowers who ensured meetings and attendance records were kept up to date. Carol has also been tirelessly working in the background in ensuring yearly fees are received and receipts and membership cards were processed and passing that info on to me for recording accordingly. Whilst I have been producing agendas and minutes for our regular meetings and maintaining some records, my job has been greatly reduced by Carol who also happily collects mail, sends out the SCN by either email or post and sends me information to maintain our records. All those little jobs that "just happen" that assists the smooth running of this Club. Carol, I personally appreciate your assistance and a great big "thank you" not only from me but also I thank you on behalf of the Club.

Congratulations to our President and all his helpers for organising the 35th Anniversary Dinner which was a great success.

The tiresome tasks performed by our Treasurer John, for ensuring our bank balance is in the black and personally delivering and picking up our books to be audited and our Editor, Aileen, for delivering information to our members through the timely production and delivery of our Steering Column News. I would also like to thank Sally for her commitment to go above and beyond her duties as the Sergeant of Arms without fear or favour, sometimes under circumstances which were difficult.

Hopefully the new committee that was elected and our members will continue to support and grow CHACC.

Peter Rohan

BUM A RIDE Feel like catching up with your CHACC mates but don't feel like driving? Unable to drive – not feeling well, but need an outing? Run too long – don't feel like driving that far? If you answered YES to any of the above scenarios – then pick up the phone and request a lift or wander down to the Sundowner and get a lift from there!

This Month's Car Quiz

Q: In which year was the Australian built R series Valiant released for sale?

Feel free to phone 54940801 or email your answers to the editor at editor@chacc.com

No Quiz Last Month

Q: Who was the first batsman to score 10,000 runs in Test cricket?

A Famous for its hand-built ultra high-luxury cars, the British car-maker is noted for developing and building the Rolls-

Royce Merlin engine during WWII. The 12-piston motor equipped many British warplanes including the Supermarine Spitfire. A variant was licensed and built by Packard and fitted to the North American P-51 Mustang Fighter. Both planes played pivotal roles in the ultimate destruction of the Luftwaffe (German Air force).

Did You Know?

Buggies and sulky had springs and mudguards like cars today, and many had hoods like convertible cars. Car bodies were made of native timbers such as Kauri, Silky Oak or Hoop Pine. Wheels were often made of American Hickory, but Spotted Gum and Ironbark were also used.
