- Mid-week Wednesday – 16th May – will be a very scenic drive ending up at Sandstone Point with shelter & toilets. Is a BYO, however don't bring much as Frank Tenney's daughter has offered to bring along some uniquely homemade Vietnamese food for us to savour! Frank took numbers of those that will be attending, so if you wish to partake in a lovely lunch, contact Frank or you may miss out!
- 3rd June – Sunday. BYO or buy there from the many food outlets. Old Petrie Town Steam Fair. EARLY departure from the **Sundowner @ 8am**, for our northern based members – southern members meet us outside the main gate of Old Petrie Town, 901 Dayboro Road at 8.45am.

General Business:

- **Sergeant at Arms** – a suggestion from David Alsbury is to increase our fees slightly and put that increase into our annual Charity nominee. Another suggestion from Jenny Vallance is to have a 'Sally's Hat' available at all runs for members to willingly dob themselves in and toss their coin into.

A general discussion took place and with a show of hands by those present, the "Sally's Hat" suggestion was preferred.

Secretary's Update to Members:

Alex – our Vice President, Editor & Run Director has been tearing his hair out lately, not that he has much left to remove, with ongoing problems with his internet provider once he got connected to the NBN. Connection – NO. Internet – NO. Home phone – NO. At time of this newsletter he has been without all of the above for 3 weeks. Hence he hasn't been getting any communications from us or photos, etc. In desperation I phoned Aileen our past Editor who volunteered to come out of retirement and get this July issue away to you. Big thankyou's to Aileen we really appreciate it.

In the meantime Kim and I have made another quick trip – this time to New Zealand – catching up with a very dear friend who is very ill.

What a wonderful surprise to see Lindsay & Valmay on the June 3rd run. Just so everyone doesn't think Lindsay isn't about to drop off the perch just yet, he travelled (solo) to NSW with a car trailer and picked up a beautiful classic Wolseley, then made it safely back home. Our thoughts go out to Valmay who can't control this fighting spirit of a man who just wanted another project to tinker with. We are about to go and sight this new vehicle and will send you a photo next newsletter.

To those members we haven't seen because of other commitments or illness, we hope to see you soon. Special thoughts to a couple of members who are not travelling so good – we wish you positive thoughts and a positive outcome.

Club Run Old Petrie Town/Steam Show June 3rd 2018

Reasonable turnout – 25 members & 15 vehicles. They say the best made plans invariably go astray. Well in this case they did. Having confirmed our club would attend and been assured of going on the oval for display if we were there by 9am we were gob smacked when the 'official' on the gate said he had no idea we were coming and NO we couldn't go on the oval. We were then instructed to park opposite the Pub. After about 20 minutes we discovered Neil Hamilton knew one of the guys on the gate so he and Kim meandered off to endeavour to get some clarification on why we couldn't go on the oval. Success from him, however once Neil and his beautiful 1949 Ford pick-up went through the rest of us were instructed to go the back way (so as not to knock over any pedestrians) and park on the outer grassed carpark. So that was our day – relegated to the outskirts but at least we were all together apart from Neil & Trish who managed prime position on the inner lawned area. I do apologise to members for the mix-up and inconvenience but it was out of our control.

Throughout the day members enjoyed just meandering around and looking at all the exhibits and of course grabbing something to eat. This meant it wasn't feasible to hold a meeting as at no time was everyone together. Instead of a raffle we just had a lucky ticket draw. 1st prize (you guessed it) went to Frank Tenney. 2nd. to Nigel & Karen whom

we couldn't find to deliver to before we left and 3rd prize to Leo & Marge Nunnink (also missing in action – even their vehicle was locked) so will maybe post or hold until next we see them. Goose Club was drawn and went to Brett James (not in attendance) so will increase for July run.

We did do a bit of a Search & Rescue (where those members in attendance) went in all directions for a six year old autistic boy who had gone missing from the Jumping Castle. Outcome was good as Kim asked the miniature train driver to look out for him and he in turn found him and returned him to his very stressed out parents.

Weather was great and the relaxed chat in the carpark finished off a great day – as I said on our run sheet – ‘Any Day is What You make It’.

Mid-Week Run Wednesday 13th June

Iron Bark Gully Picnic Ground

The email went out to our regular mid-week run attendees as instructed by our Rally Director that we were going to Dayboro. On arrival at the Sundowner however Alex had overnight changed his mind and we now were headed to a picnic spot out of Samford!

The sun was shining – just a tad nippy in the morning and then the sun shone through. Down on attendances for a mid-weeker – only managed 7 vehicles and 12 members. We all did enjoy Alex's picnic spot however at Ironbark Gully. Was very peaceful and relaxing. We were of course supervised by the resident Kookaburras looking down on us in disdain for disturbing their surrounds.

Thank you Alex for a great run – was very picturesque to and out of Samford.

Police officer: Sir your tail light is broken, your tires need to be replaced and your bumper hangs halfway down. That will be 300 dollars.

Driver: Alright, go ahead. They want twice as much as that at the garage.

I forgot my cell phone when I went to the toilet yesterday. We have 245 tiles.

Insurance clerk: "Where were you born, Sir?"

Man: "In Australia."

Insurance clerk: "OK, and which part?"
