## PRESIDENT's Prattle

### Secretary's Scribbles February 2019

With 2 events already behind us in 2019 let's take a moment to reflect on what's been happening so far.

CHACC started the year with a visit to Samford to join up with others groups of enthusiast and swop yarns about each other's pride and joy. What an array of machines had gathered, old and older, from tiny cars to bigger cars and on to beautifully restored trucks. There was something of interest there for everyone including the opportunity to go back in time whilst wandering around the museum area. Raffle winners Peter & Toosje picked up the beautiful wood carving donated by Neils & Aileen, they passed this on to Aldona & I to send back to Brazil with my daughter in laws father who was visiting for a few weeks. He was ecstatic with it and it's now somewhere in the middle of Brazil.

The first run of the year took us on a jaunt around the suburbs before morning tea beside the river at Tinchi Tamba Wetlands then following a mainly coastal route on the way to our Scarborough venue for fish and chips. Frank Tenney showed he'd not lost any of his 2018 winning magic by taking out one of the raffle prizes.

Don't forget that if you are running out of garage space at home and planning to downsize your collectables you can advertise them for sale in the SCN. You never know there just could be one of our members or even members of other clubs looking for that particular item. Simply take a photo, write some info and submit it for inclusion. How easy is that?

### **NOTE from Kim**

*Thank you to David Alsbury for bringing to our attention the GOOD news from QHMC. I will only briefly outline the authorized TMR changes confirmed to QHMC as it is nearly two pages worth of details and too long for our newsletter. Within the next few days I will organize with our Webmaster to have the full details up on our website for you to read. Those without PC access, please feel free to phone me for more details. Also over the next couple of weeks the committee will discuss and organize a CHACC procedure for you to follow. Very Briefly...*

*Previous rules regarding use of your SIV vehicles for shopping, paid for events, etc. are STILL IN PLACE.*

*Qld holders of SIV registration vehicles are now allowed to use their vehicles for "Impromptu Events" or "Single Vehicle Events" – IF*

- A) They notify the Secretary via email.*
- B) Keep a copy of email in your glove box.*
- C) Keep a copy of the QHMC's Bulletin also in your glove box.*

*This is a great privilege – Let's not abuse it!*

## AUSTRALIA DAY - SAMFORD MUSEUM January 26<sup>th</sup> 2019

A bit of History:.....For those members who weren't members in 2009 we really had a dismal turnout for Australia Day at Samford Museum this year. In 2009 - we had 26 vehicles 51 members. Maybe due to the hot conditions this year 2019 - we only managed 10 vehicles, 16 members and 1 visitor. Needless to say those who attended I think enjoyed the day and the catch-up after our Christmas and New Year break. Vehicles on the day at the Museum were down on last year but those that were available were certainly well 'show cased'.

Congratulations must go to the volunteers of the Samford Museum for a great day. Well organized and cheerful - hope they did well in their raffle.

Top "AUSSIE AUSSIE" award for getting into the 'spirit' of Australia Day must go to our Editor - Aileen who again spoilt us with her homemade 'goodies'. This year lamington cupcakes complete with an individual Aussie Flag on top for morning tea. Neils & Aileen also donated a cheese board in the shape of Australia which we raffled off. Winner was Toosje Davis who on hearing of a more worthy cause promptly donated it to Aldona - to give to her father-in-law who was visiting Aus. and flying back to Brazil the next day. So Neils you may get some overseas orders for your Aussie Cheese boards.

Was great to see new member Richard Burns and his son Tex bring along his 1967 Morris Mini Panel Van. Richard & Megan live @ Northgate and also have a 1963 EJ Holden Sedan.

Maciel loved the "Australia"  
He's taking it back to Brazil

## Run Report 13<sup>th</sup> February 2019

Well, here we go again. Someone once said; “it’s the old horse for the hard road” and in this instance the “old horse” is your faithful (if maligned) correspondent.

So it was decided that a cultural excursion to the wilds of Woodford for a visit to their

Historical Museum was in order – purely to raise the cultural awareness of some of our members. No names- no pack drill, you know who youse are!

Anyway, setting off at our usual mid-week start time of 10:30 and BTW it was great to see Sally and Andy(Slim) Byrne after their recent health battles turn up, ready for action. But I digress. A rather complicated if picturesque route through Bellmere just to get to Wamuran at least broke the monotony of a drive up the D’Agular highway. Then it was onward to Woodford, where we were met by some wonderful volunteers at the museum parking lot. Their knowledge and explanations of the history of Woodford, and its surroundings was enlightening, and does credit to their organization. With our trusty photographer David Alsbury snapping away to help us remember the event, it was a most enjoyable adventure.

A poll of attendees prior to our run had decided a “civilised” lunch at an established eatery was in order, so we adjourned to Jalla’s Café, and relaxed in the relative coolness of its interior. The staff had arranged a large table to accommodate us all, and not surprisingly (for country hospitality) the meals when they arrived were also large...and very tasty. Great burgers and sandwiches! Suitably hydrated and refreshed it was time to wend our way back to the relative suburbia of our collective domicile’s bearing in mind the veiled reference by “slim” Byrne to your correspondent’s inability to translate MPH to KPH on his antique speedometer whilst driving. All in all a good outing.

These companies support our club – mention them to your friends, and support them when you need tyres or service for your vehicles or computer support

- 2 tablespoons plain flour
- 8 chicken tenderloins
- 2 tablespoons extra virgin olive oil
- 30g butter
- 1 small brown onion, sliced
- 2 garlic cloves, crushed
- 3/4 cup chicken stock
- 1/4 cup lemon juice

- Fresh basil leaves, Grated parmesan cheese, Lemon zest to serve

Cook pasta following packet directions.

Place flour in a large snap-lock bag. Season with salt and pepper. Place chicken in bag. Seal bag. Shake to coat chicken in flour. Heat ½ the oil and ½ the butter in a large frying pan over medium-high heat. Add chicken to pan, shaking off excess flour. Cook for 4 minutes each side or until browned. Transfer to a plate. Add remaining oil and remaining butter to frying pan. Add onion and garlic. Cook, stirring, for 3 minutes or until softened. Add stock, lemon juice and cream to pan. Season with salt and pepper. Stir to combine. Bring to a simmer. Return chicken to pan. Reduce heat to low. Simmer, uncovered, for 5 minutes or until chicken is cooked through and sauce has slightly thickened. Drain pasta. ## Time for a Laugh

A prospective husband in a book store: "Do you have a book called 'Husband – the Master of the House?'"

Sales girl: "Sir, fiction and comics are on the 1st floor"

Pharmacist to customer: "Sir, please understand, to buy an anti-depression pill you need a proper prescription ...Simply showing a marriage certificate and your wife's picture is not enough!"

Wives are magicians. They can change anything into an argument.

When a married man says, I WILL THINK ABOUT IT - what he really means is that he doesn't know his wife's opinion yet.

This is a story of a poor young blonde girl, flying in a two-seater airplane with the pilot who suddenly has a heart attack and dies.

She is frantic and sends out a distress call.

"May Day !! May Day !! Help me !! Help me !!

My pilot had a heart attack and is dead.

And I don't know how to fly a plane. Help me !! Please help me !!"

She hears a calm voice over the radio saying:

"This is Air Traffic Control and I have you loud and clear. I will talk you through this and get you back on the ground.

I've had a lot of experience with this kind of situation."

"Now just take a deep breath.

Everything will be fine !! Now give me your height and position."

She says, "I'm 5'4" - and I'm in the front seat."

"O.K." says the air traffic controller on the radio ....

"Repeat after me: 'Our Father, Who art in Heaven.'"

A doctor examining a woman who had been rushed to the Emergency Room, took the husband aside, and said,

'I don't like the looks of your wife at all.'

'Me neither doc,' said the husband. 'But she's a great cook and really good with the kids.'
