PRESIDENT'S PRATTLE – SEPTEMBER 2022.

Okay, I know there are many worrying things happening in our world today, but I couldn't help looking at the latest Shannons Auction site to see how some people are handling the rise in the cost of living. Doubtless many are selling their beloved classics because of the tough circumstances they may be in, but it's interesting to see what others will pay for automotive classics and other trivia.

Let's start with some vehicles we may be familiar with: - A Ford XY GY Phase iii, \$488,888 – obviously someone with an obsession about the number 8! An Indian "Scout" motorcycle \$56,000, everyone's favourite, an E Type Jaguar \$110,500. Finally, one for Neils & Aileen and John Westerhuis ... a 1958 FC Holden Special sedan \$65,500.

But these are just a prelude to the main event, the number plate insanity! In Queensland a low three figure number plate could cost as little as \$105,000 (**791**) or as much as \$155,000 (**246**). In Victoria the number **530** was sold for \$466,500 which proves some things are cheaper in Queensland. Unusually, three figure plates in NSW are cheaper than Victoria at \$370,000 for number **606**.

But the total insanity, which defies any sort of logic is the prize winner for the NSW plate number **28** – a staggering **\$2,000,500!!!** You are not seeing things, a little over two million dollars for a number plate?

To put that in perspective, for that money you could have bought ALL of the above vehicles, plus a very nice vintage 1923 Rolls Royce (191,000) and a "cheapo" QLD plate (791) to put on it, and still have nearly a MILLION dollars left over!

I guess not everyone is doing it tough.

--oooOOOooo---

How to write "I changed a lightbulb" on your resume?

"Single-handedly managed the successful upgrade and deployment of a new environmental illumination system with zero cost overruns, and no safety incidents" ..

--oooOOOooo---

Whoever stole my copy of Microsoft Office, I will find you and punish you...You have my word!

---oooOOOooo---

Old Scottish saying "Don't bother travelling with an idiot – you can always pick up another one when you arrive!"

Motion to include for this year only. No charity for 2022, to be reviewed by new committee 2023. Seconded by Toosje Davis

CHACC Run Report – Sunday 7th August 2022

Gardener Falls

Well members, the weather gods did indeed smile on us for our Memorial Run, although the wind was a little chill out of the sun. Although we had quite a good turn up, the absence of Kim & Carol, Charlie & Sandy as well as Frank Tenney all through illness was a disappointment for all of us, and their presence was sorely missed.

It was good to see Don & Phyllis (and for those of you old enough I don't mean The Everly Brothers, I mean Don & Phyllis Streeton) who always make the effort to attend our Memorial Run. Many thanks to Sue Clark for bringing them along. Peter & Jenny Squire made a grand entrance in their 911 Porsche – what an aural delight to drive behind him and hear the angry growl of that flat six engine for even short bursts. Andy & Sally rolled up in their 450 SLC Merc – a classy vehicle befitting the classy couple. Eldon & Joyce didn't disappoint, and neither did Peter & Toosje in their Mustang. Rounding out the "usual suspects" were the very reliable John Westerhuis, Barry Smith, Stan & Jenny and our Editor and run organisers Neils & Aileen Andersen.

So, the assembled throng climbed aboard their respective vehicles, and we set off on a journey to a destination few of us had visited previously – and others who couldn't remember if they had...or not! After an interesting route via Old (and New) Toorbul Point Rd Pumicestone and Bigmor Roads, we eventually found ourselves at Mill Park in Beerwah. A pleasant diversion from the major highways.

After a pleasant interlude, where many of us moved outside the shelter into the sun (it was still cold in the shade) most of the adventurous members took off, clutching their run sheets. Unfortunately your correspondent's weak bladder meant a slight delay and finding the only car left in the parking area was our erstwhile run organiser's FC Holden. Oh the impetuosity of youth! Anyhow after passing over some info to Aileen the two cars (plus I think John Westerhuis), moved off, diligently following Neils.

What ensued was a delightful excursion through Landsborough, Mt Mellum, Bald Knob, Balmoral Ridge and Maleny. Then a nice little diversion which took us back to the Gardner's Falls along Obi Lane and our lunch destination.

Imagine our surprise when we arrived and realised we were the first ones there! Even leaving AFTER all the others from morning tea. Reminded me about the story of the young bull and the old bull.

Anyway, after we had eaten, the Pres read out the names of some previous members who had passed away and were the reason for our run today. Small pouches with some sprigs of rosemary – very thoughtfully prepared by Carol – were passed out to all members who proceeded to toss them into the water at the Falls, in a very moving tribute.

Barry Smith won the Memorial trophy, and Sue Clark got the first of many prizes for the raffle provided by Aileen. Other winners were Joyce Till, Sally (of

course) Phyllis, Christian, (Who arrived a little late) and Peter Squire. The Goose Club was drawn – Mal & Lena McLeod- who were absent so it jackpots again! Thanks to Neils & Aileen for a fantastic run, to Carol for her preparations for the day, Toosje for running the raffle and everyone who attended

So lovely to see Pam McPherson's daughter Sue Clarke Join us to remember her mum
